Dear HMO Illinois (HMOI) Member:

Welcome to the HMOs of Blue Cross and Blue Shield of Illinois.

Our records indicate that you either did *not* select a medical group/independent practice association (MG/IPA) that is in the HMOI network or you have selected a medical group that is unavailable. To receive HMOI health care benefits and member identification (ID) card(s) for you and any covered family members, a MG/IPA selection is required.

Please follow these steps immediately:

1. Choose a MG/IPA. To do this, **visit www.bcbsil.com** and click on Provider Finder[®] to see an updated list of participating providers.
2. Once you have selected a MG/IPA, you can either go online at www.bcbsil.com and log on to Blue Access[®] for Members, or call 800-868-9520 weekdays from 8 am to 6 p.m. If you have selected a Primary Care Physician/Women's Principal Health Care Provider (for female members) please also indicate this when updating or calling.

You will receive ID card(s) once your MG/IPA selection has been made.

If you do not contact us with your MG/IPA selection within 30 days of this mailing, we will automatically select a MG/IPA for you and any covered family members.
