

Submission Guidelines for Illinois Health Application for INDIVIDUAL & FAMILY HEALTH INSURANCE COVERAGE

To comply with the **Illinois Insurance Fairness Act** (*Public Act 96-0857*) that took effect on January 1, 2011, all insurers doing business in the individual market in Illinois must now use the *Illinois Standard Health Application for Individual & Family Health Insurance Coverage*. It is available on the Blue Cross and Blue Shield of Illinois (BCBSIL) website at bcbsil.com. Part of the law requires insurers to post these application submission guidelines.

If you do not have Internet access, you can have an application mailed to you by calling 800-477-2000.
