Blue Care Connection (BCC)

When members receive covered inpatient hospital services, coordinated home care, skilled nursing facility or private duty nursing from a participating provider in the state of Illinois, the provider will be responsible for contacting the BCC pre-notification line. When using non-participating Illinois providers and out-of-state providers, members are required to contact the BCC pre-notification line **1 business day prior** to any elective inpatient admission or within **2 business days after** an emergency or maternity admission. Failure to pre-notify with the BCC when required will result in benefits being reduced by \$1,000.

***More on Individual Coverage and Family Coverage Deductibles...**

- If a member has **individual coverage**, each calendar year he/she must satisfy an **individual coverage deductible** before receiving benefits under this policy. The amount of the individual deductible is indicated above on this benefit highlight sheet. Once a member's claims for covered services in a calendar year exceed this deductible amount, benefits will begin.
- If a member and his/her dependents have **family coverage**, each calendar year they must satisfy the **family coverage deductible** before receiving benefits under this policy. The amount of the family deductible is indicated above on this benefit highlight sheet. Once the family deductible has been satisfied it will not be necessary for anyone else in the family to meet a deductible in that calendar year. That is, for the remainder of the calendar year, no other family member will be required to meet the deductible before receiving benefits. No one is eligible for benefits under family coverage until the entire family deductible has been satisfied.
- **Please note:** The deductible amount may be adjusted based on the cost-of-living adjustments determined under the Internal Revenue Code and rounded to the nearest \$50.
- **Also note:** Should the Federal Government adjust the deductible for high deductible plans as defined by the Internal Revenue Service, the deductible amount in the Certificate will be adjusted accordingly.

Schedule of Maximum Allowances (SMA)

The Schedule of Maximum Allowances (SMA) is not the same as a Usual and Customary fee (U&C). Blue Cross and Blue Shield of Illinois' SMA is the maximum allowable charge for professional services, including but not limited to those listed under Medical/Surgical and Other Covered Services above. The SMA is the amount that professional PPO providers have agreed to accept as payment in full. Providers who do not participate in the PPO network are not obligated to accept the SMA as payment in full and may bill for the balance of their actual charge above and beyond the SMA. When members use PPO providers, they avoid any balance billing other than applicable deductible, coinsurance and/or copayment.

To Locate a Participating Provider: Visit our Web site at www.bcbsil.com/providers and use our Provider Finder® tool.

In addition, benefits for covered individuals who live outside Illinois will meet all extraterritorial requirements of those states, if any, according to the group's funding arrangements.
