

Take advantage of the convenience, control and security of paying your bill online.

When you sign up to pay your bill online through Blue Access® for Employers you'll:

- Receive e-mail alerts to let you know when your bill is ready to view
- View payment status activity for your current and past payments
- Access past history of your printable bill
- Take complete control of when payments are made

Eliminate the hassle of writing and mailing checks!

Take advantage today. More than 3,500 customers are already using this secure, time-saving service. To register, log in to Blue Access for Employers at www.bcbsil.com/employers. Then:

1. Select Online Payment
2. Select Create Payment Profile
3. Read and accept the Terms of Use Agreement
4. Enter the information requested on the form
5. Click submit

After completion of a standard ten day bank validation period, you'll receive an e-mail notification confirming that Online Bill Payment will be available for the next billing cycle. Visit www.bcbsil.com/billpay to learn more.

Safe and Secure

Online Bill Payment protects your personal information. Unlike paper bills, online bill payments won't get lost in the mail. And, paying your bill online reduces the clutter and the hassle of trying to locate the statement you need, when you need it.

Sign Up Today!

If you need to register for Blue Access for Employers, go to www.bcbsil.com/employers, click the Register Today! link and follow the two easy steps to complete the process. After your successful registration, a temporary password will be sent via e-mail (usually the same day). To learn more about Blue Access for Employers, contact your BCBSIL Marketing Representative.

* Premium paying accounts and ASO accounts are eligible for Online Bill Pay. ASO accounts must submit one weekly payment and have the weekly invoices and the Online Payment option displayed on the Blue Access for Employers home page. If you do not see these options, contact your Account Representative.
