

# Medicare-Select\* Contracting Hospital Listing

See if a hospital you would use is in our listing.

**You could save more money every month with our popular Med-Select option!**

## Is Medicare-Select right for you?

Medicare-Select is a money-saving option that is not an HMO. It fills the gaps in Medicare like our standard option, but it costs less. With Medicare-Select, you are fully covered for emergency care at any hospital, and you can still choose your own doctors and specialists. Sound too good to be true?

With Medicare-Select, all you need to do is use any of our Medicare-Select contracting hospitals for non-emergency elective admissions. If you do not use one of these hospitals, you agree to pay the Part A deductible. It's that simple!

See if a hospital you would use is in our listing. If so, our money-saving Medicare-Select option may be right for you.

**Occasionally there may be changes to the Medicare-Select Contracting Hospital Network. If you have any questions about this listing, please call 1-800-624-1723.**
