Refer to the Blue Cross and Blue Shield of Illinois Prescription Drug List (also known as a formulary) at bcbsil.com for a more comprehensive and up-to-date list. The online drug list is updated quarterly. The drug list may contain medications not covered under your prescription drug benefit plan. In addition, prescription versions of over-the-counter (OTC) medications may not be covered based on your prescription drug benefit plan. If you have questions about your prescription drug benefit, call the Pharmacy Program number on the back of your ID card.
