

## Presence Network Changes Chicago Region

Beginning January 1, 2014, the Presence Provider Network in the Chicago and Joliet regions will be narrowed to include only those physicians who are contracted with Presence Health Partners (PHP). PHP offers significant resources for clinical integration and care management that will benefit our employees by improving overall health and reducing healthcare costs. The Chicago region is comprised of all Legacy Resurrection ministries, and the Joliet region includes Presence Saint Joseph Medical Center. All physicians on the medical staff at these hospitals were given an opportunity to contract with PHP. Work is ongoing to contract with physicians across all Presence ministries, with the expectation of narrowing the network for all of Presence in 2015.

The following list includes all providers in the Chicago region who have not contracted with PHP, and as a result, who will not be in the Presence Network effective January 1, 2014. Please note that these providers remain a part of the Blue Cross Blue Shield (BCBS) network. Claims for services provided by any of these physicians will be paid at the Tier II (BCBS PPO) level (see Table 1).

Table 1

	EPO		PPO	
	Presence Network	Tier II (BCBS PPO Network)	Presence Network	Tier II (BCBS PPO Network)
Individual Deductible	\$300	\$1,000	\$300	\$600
Co-Insurance (Inpatient)	100%	60%	95%	75%
Annual Out-of-Pocket Maximum	\$1,800	\$6,350	\$1,800	\$4,600
Co-Insurance (Outpatient)	95%	60%	90%	75%

The annual benefit enrollment period begins on Monday, November 11 and ends on Friday, November 22. While you may change your provider at any time during the year, you may only make changes to your benefit plan choice during this enrollment period.

Please contact the Benefits Service Center at 312.308.3350 with any questions.
