Dear Member,

### **You are invited to a Living365® diabetes class at a Jewel-Osco pharmacy near you!**

Understanding and controlling diabetes is not easy. That is why Blue Cross Community Health Plans is working with Jewel-Osco to offer diabetes education classes starting in April at no cost to our members. These classes will give you a chance to:

1. Go on a “healthy eating” grocery store tour led by a registered dietitian. During the tour you will learn about counting carbohydrates, types of fat, reading food labels and much more.
2. Talk to a Jewel-Osco pharmacist to learn more about diabetes and related treatments, checking blood glucose and being more physically active.
3. Take part in a question and answer session.
4. Get educational materials and items such as a tote bag and water bottle.

We have included the diabetes education class schedule along with this letter. To reserve your spot in the class, see flier for details.

You can bring one person with you to the class. Your guest does not have to be a Blue Cross Community Health Plans member. Be sure to let us know if you are bringing a guest when you sign up, because seating is limited.

If you cannot attend these classes, we will let you know about more classes starting in September of this year.

Sign up for a Living365 diabetes education class today!

Sincerely,

**Blue Cross Community Health Plans**
