The Summary of Benefits and Coverage (SBC) document will help you choose a health plan. The SBC shows you how you and the plan would share the cost for covered health care services. NOTE: Information about the cost of this plan (called the premium) will be provided separately. This is only a summary. For more information about your coverage, or to get a copy of the complete terms of coverage, call 1-888-802-8776, refer to group number 7IM561 when calling or visit us at www.bcbsil.com/boeing. For general definitions of common terms, such as allowed amount, balance billing, coinsurance, copayment, deductible, provider, or other underlined terms see the Glossary. You can view the Glossary at www.healthcare.gov/sbc-glossary or call 866-473-2016 to request a copy.

<td>What is the overall deductible?</td>
<td>$1,400 Self Only or $2,800 Self + Family, family level deductible may be met by one or a combination of members. Network-nonnetwork combined.</td>
<td>Generally, you must pay all of the costs from providers up to the deductible amount before this plan begins to pay. If you have other family members on the policy, the overall family deductible must be met before the plan begins to pay.</td>
</tr>
<tr>
<td>Are there services covered before you meet your deductible?</td>
<td>Yes. Deductible does not apply to copayments, preventive care or vision.</td>
<td>This plan covers some items and services even if you haven’t yet met the deductible amount. But a copayment or coinsurance may apply. For example, this plan covers certain preventive services without cost sharing and before you meet your deductible. ### Important Questions | Answers | Why this Matters:
--- | --- | ---
Will you pay less if you use a network provider? | Yes. See [www.bcbsil.com/boeing](http://www.bcbsil.com/boeing) or call 1-888-802-8776 for a list of network providers | This plan uses a provider network. You will pay less if you use a provider in the plan's network. You will pay the most if you use a non-network provider, and you might receive a bill from a provider for the difference between the provider’s charge and what your plan pays (balance billing). Be aware, your network might use a non-network provider for some services (such as lab work). Check with your provider before you get services.
Do you need a referral to see a specialist? | No. | You can see the specialist you choose without a referral.

All copayment and coinsurance costs shown in this chart are after your deductible has been met, if a deductible applies.

### About these Coverage Examples:

This is not a cost estimator. Treatments shown are just examples of how this plan might cover medical care. Your actual costs will be different depending on the actual care you receive, the prices your providers charge, and many other factors. Focus on the cost sharing amounts (deductibles, copayments, and coinsurance) and excluded services under the plan. Use this information to compare the portion of costs you might pay under different health plans. Please note these coverage examples are based on self-only coverage.

The Boeing Company
Grievance Procedure under Section 1557 of the Affordable Care Act

It is the policy of The Boeing Company (“Boeing”), as the sponsor of the Boeing health care plans (“Plans”), not to discriminate on the basis of race, color, national origin, sex, age or disability in its administration of the Plans. Boeing has adopted an internal grievance procedure providing for prompt and equitable resolution of complaints alleging any action prohibited by Section 1557 of the Affordable Care Act (42 U.S.C. § 18116) and its implementing regulations at 45 C.F.R. pt. 92, issued by the U.S. Department of Health and Human Services. Section 1557 prohibits discrimination on the basis of race, color, national origin, sex, age or disability in certain health programs and activities. Section 1557 and its implementing regulations may be examined by contacting the Director, Benefits Compliance and Governance, The Boeing Company, 100 N. Riverside, MC 5002-8421, Chicago, IL 60606-1596, telephone 1-312-544-2297.

The Director – EEO Compliance, Global Diversity and Inclusion, The Boeing Company, 100 N. Riverside MC 5002-9140, Chicago, IL 60606-1596, telephone 800-617-1442, has been designated as the Section 1557 Coordinator to coordinate the efforts of Boeing and the Plans to ensure compliance with Section 1557 by investigating any complaints that the Plans have failed to comply with Section 1557. Any person who believes an eligible employee or eligible dependent under the Plans has been subjected to discrimination on the basis of race, color, national origin, sex, age or disability by the Plans may file a grievance under this procedure. It is against the law for Boeing or the Plans to retaliate against anyone who opposes discrimination, files a grievance, or participates in the investigation of a grievance.

Procedure:

- Grievances must be submitted to the office of the Director – EEO Compliance, Global Diversity and Inclusion, The Boeing Company, 100 N. Riverside MC 5002-9140, Chicago, IL 60606-1596, telephone 800-617-1442 within sixty (60) days of the date the person filing the grievance becomes aware of the alleged discriminatory action.

- A complaint must be in writing, containing the name and address of the person filing it. Upon contacting the Director – EEO Compliance, Global Diversity and Inclusion, a Complaint Intake Form will be provided for the convenience of the person filing the grievance. The complaint must state the problem or action alleged to be discriminatory and the remedy or relief sought.

- The Section 1557 Coordinator (or her/his designee) shall conduct an investigation of the complaint. This investigation will be thorough, affording all interested persons an opportunity to submit evidence relevant to the complaint. The Section 1557 Coordinator will maintain the files and records of Boeing relating to such grievances. To the extent possible, and in accordance with applicable law, the Section 1557 Coordinator will take appropriate steps to preserve the confidentiality of files and records relating to grievances and will share them only with those who have a need to know.

- The Section 1557 Coordinator will issue a written decision on the grievance, based on a preponderance of the evidence, generally within thirty (30) days after its filing (unless the Section 1557 Coordinator informs the complainant of a reasonable extension), including a notice to the complainant of their right to pursue further administrative or legal remedies.
The person filing the grievance may appeal the decision of the Section 1557 Coordinator by writing to the Vice-President - Global Diversity and Inclusion (“VP, GD&I”), The Boeing Company, 100 N. Riverside MC 5002-9140, Chicago, IL 60606-1596, telephone 800-617-1442 within fifteen (15) days of receiving the Section 1557 Coordinator’s decision. The VP, GD&I shall issue a written decision in response to the appeal generally within thirty (30) days after its filing (unless the VP, GD&I informs the appellant of a reasonable extension).

The availability and use of this grievance procedure does not prevent a person from pursuing other legal or administrative remedies, including filing a complaint of discrimination on the basis of race, color, national origin, sex, age or disability in court or with the U.S. Department of Health and Human Services (DH&HS), Office for Civil Rights. A person can file a complaint of discrimination electronically through the Office for Civil Rights Complaint Portal, which is available at: https://ocrportal.hhs.gov/ocr/portal/lobby.jsf, or by mail or phone at:

U.S. Department of Health and Human Services
200 Independence Avenue, SW
Room 509F, HHH Building
Washington, D.C. 20201

DH&HS complaint forms are available at: http://www.hhs.gov/ocr/office/file/index.html. Such complaints must be filed within 180 days of the date of the alleged discrimination.

Boeing will make appropriate arrangements to ensure that individuals with disabilities and individuals with limited English proficiency are provided auxiliary aids and services or language assistance services, respectively, if needed to participate in this grievance process. Such arrangements may include, but are not limited to, providing qualified interpreters, providing taped cassettes of material for individuals with low vision, or assuring a barrier-free location for the proceedings. The Section 1557 Coordinator will be responsible for such arrangements and should be contacted at 800-617-1442 for such assistance.
