This booklet describes the health care portion of the CDW Welfare Benefit Plan (the "Health Care Plan") which we provide to protect you from the financial burden of catastrophic illness or injury.

To assure the professional handling of your health care claims, we have engaged Blue Cross and Blue Shield of Illinois as Claim Administrator.

Please read the information in this benefit booklet carefully so you will have a full understanding of your health care benefits. If you want more information or have any questions about your health care benefits, please contact your Human Resources Representative.

This is only a description of the Health Care Plan. If there is any difference between this and the actual Health Care Plan document, the Health Care Plan document will always rule. Please keep this booklet with your important papers.

WARNING, LIMITED BENEFITS WILL BE PAID WHEN NON-PARTICIPATING PROVIDERS ARE USED

You should be aware that when you elect to utilize the services of a Non-Participating Provider for a Covered Service in non-emergency situations, benefit payments to such Non-Participating Provider are not based upon the amount billed. The basis of your benefit payment will be determined according to your policy’s fee schedule, usual and customary charge (which is determined by comparing charges for similar services adjusted to the geographical area where the services are performed), or other method as defined by the Health Care Plan. YOU CAN EXPECT TO PAY MORE THAN THE COINSURANCE AMOUNT DEFINED UNDER THIS COVERAGE AFTER THE HEALTH CARE PLAN HAS PAID ITS REQUIRED PORTION. Non-Participating Providers may bill members for any amount up to the billed charge after the Health Care Plan has paid its portion of the bill. Participating Providers have agreed to accept discounted payments for services with no additional billing to the member other than Coinsurance and deductible amounts. You may obtain further information about the participating status of professional providers and information on out-of-pocket expenses by calling the toll free telephone number on your identification card (1-800-327-8497).

A series of federal laws collectively referred to as the “Medicare Secondary Payer” (MSP) laws regulate the manner in which certain employers may offer group health care coverage to Medicare eligible coworkers, spouses, and in some cases, dependent children.

The statutory requirements and rules for MSP coverage vary depending on the basis for Medicare and employer group health plan (“GHP”) coverage, as well as certain other factors, including the size of the employers sponsoring the GHP. In general, Medicare pays secondary to the following:

1. GHPs that cover individuals with end-stage renal disease (“ESRD”) during the first 30 months of Medicare eligibility or entitlement. This is the case regardless of the number of coworkers employed by the employer or whether the individual has “current employment status.”

2. In the case of individuals age 65 or over, GHPs of employers that employ 20 or more coworkers if that individual or the individual’s spouse (of any age) has “current employment status.” If the GHP is a multi-employer or multiple employer plan, which has at least one participating employer that employs 20 or more coworkers, the MSP rules apply even with respect to employers of fewer than 20 coworkers (unless the plan elects the small employer exception under the statute).

3. In the case of disabled individuals under age 65, GHPs of employers that employ 100 or more coworkers, if the individual or a member of the individual’s family has “current coworker status.” If the GHP is a multi-employer or multiple employer plan, which has at least one participating employer that employs 100 or more coworkers, the MSP rules apply even with respect to employers of fewer than 100 coworkers.

**PLEASE NOTE: SEE YOUR EMPLOYER OR GROUP ADMINISTRATOR SHOULD YOU HAVE ANY QUESTIONS REGARDING THE ESRD PRIMARY PERIOD OR OTHER PROVISIONS OF MSP LAWS AND THEIR APPLICATION TO YOU, YOUR SPOUSE OR ANY DEPENDENTS.**

**YOUR MSP RESPONSIBILITIES**

In addition, if you, your spouse or covered dependent child becomes eligible for Medicare, or has Medicare eligibility terminated or changed, please contact your employer or your group administrator promptly to ensure that your Claims are processed in accordance with applicable MSP laws.

**YOUR ID CARD**

You will receive an identification card. This card will tell you your identification number and will be very important to you in obtaining your benefits. If you are single you will receive one card. If you have family coverage you will receive two cards. Should any extra cards be required, call Customer Service at (800) 327-8497 or order online through bcbsil.com/cdw.

**INDIVIDUAL COVERAGE**

If you have Individual Coverage, only your own expenses for Covered Services are covered, not the expenses of other members of your family.
FAMILY COVERAGE

Child(ren) used hereafter, means a natural child(ren), a stepchild(ren), an adopted child(ren) foster child(ren) who is in your custody under an interim court order of adoption or who is placed with you for adoption vesting temporary care.

If you have Family Coverage, your health care expenses and those of your enrolled spouse and your (or your spouse’s) enrolled children who are under age 26 will be covered. The coverage for children will end on the last day of the month in which the limiting age is reached.

Your enrolled Domestic Partner and his or her enrolled children who have not attained the limiting age stated above will be covered. Whenever the term “spouse” is used, we also mean Domestic Partner. All of the provisions of this benefit booklet that pertain to a spouse also apply to a Domestic Partner, unless specifically noted otherwise. Coverage for Domestic Partner for same and opposite sex will be covered for members who reside in California and Washington only. All other locations will cover Domestic Partner for same sex only.

Any newborn children will be covered from the moment of birth. Please notify your Group Administrator within 31 days of the date of birth to enroll the child in medical coverage.

Any children who are incapable of self-sustaining employment and are dependent upon you or other care providers for lifetime care and supervision because of a handicapped condition occurring prior to reaching the limiting age will be covered regardless of age if they were covered prior to reaching the limiting age stated above.

Any children who are under your legal guardianship or who are in your custody under an interim court order of adoption or who are placed with you for adoption vesting temporary care will be covered.

This coverage does not include benefits for grandchildren (unless such children are under your legal guardianship).

CHANGING FROM INDIVIDUAL TO FAMILY COVERAGE OR ADDING DEPENDENTS TO FAMILY COVERAGE

You can change from Individual to Family Coverage or add dependents to your Family Coverage because of any of the following events:

- Marriage.
- Establishment of a Domestic Partnership as follows:
  - a. Same and opposite sex for members who reside in California and Washington only;
  - b. Same sex for members that reside in all other states.
- Birth, adoption or placement for adoption of a child.
- Obtaining legal guardianship of a child.
- Loss of eligibility for other health coverage for you or your dependent if:
  - a. The other coverage was in effect when you were first eligible to enroll for this coverage;
  - b. The other coverage is not terminating for cause (such as failure to pay premiums or making a fraudulent claim); and
  - c. Where required, you stated in writing that coverage under another group health plan or other health insurance coverage was the reason for declining enrollment in this coverage.

This includes, but is not limited to, loss of coverage due to:

- a. Legal separation, divorce, cessation of dependent status, death of a coworker, termination of employment, or reduction in the number of hours of employment;
- b. In the case of HMO, coverage is no longer provided because an individual no longer resides in the service area or the HMO no longer offers coverage in the HMO service area in which the individual resides;
- c. Reaching a lifetime limit on all benefits in another group health plan;
- d. Another group health plan no longer offering any benefits to the class of similarly situated individuals that includes you or your dependent;
- e. When Medicaid or Children’s Health Insurance Program (CHIP) coverage is terminated as a result of loss of eligibility; or
- f. When you or your dependents become eligible for a premium assistance subsidy under Medicaid or CHIP.
- Termination of employer contributions towards your or your dependent’s other coverage.
- Exhaustion of COBRA continuation coverage or state continuation coverage under another employer or individual health plan.
When Coverage Begins
Your Family Coverage or the coverage for your additional dependents will be effective from the date of the event if you apply for this change within 31 days of any of the following events:

- Marriage.
- Establishment of a Domestic Partnership.
- Birth, adoption, or placement of adoption of a child.
- Obtaining legal guardianship of a child.

Your Family Coverage or the coverage for your additional dependents will be effective from the date you apply for coverage if you apply within 31 days of any of the following events:

- Loss of eligibility for other coverage for you or your dependent, except for loss of coverage due to reaching a lifetime limit on all benefits.
- Termination of employer contributions towards your or your dependent’s other coverage.
- Exhaustion of COBRA continuation coverage or state continuation coverage under another employer or individual health plan.

If coverage is lost in another group health plan because a lifetime limit on all benefits is reached under that coverage and you apply for Family Coverage or to add dependents within 31 days after a claim is denied due to reaching the lifetime limit, your Family Coverage or the coverage for your additional dependents will be effective from the date your claim was denied.

Your Family Coverage or the coverage for your additional dependents will be effective from the date of the event if you apply for this change within 60 days of any of the following events:

- Loss of eligibility for you or your dependents when Medicaid or CHIP coverage is terminated as a result of loss of eligibility; or
- You or your dependents become eligible for a premium assistance subsidy under Medicaid or CHIP.

You must request this special enrollment within 60 days of the loss of Medicaid or CHIP coverage, or within 60 days of when eligibility for premium assistance under Medicaid or CHIP is determined. Coverage will be effective no later than the first of the month after the special enrollment request is received.

Late Applicants
If you do not apply for Family Coverage or to add dependents within the required number of days of the event, you will have to wait until your Employer’s annual open enrollment period to make those changes. The changes are effective as of the first day of the Plan Year beginning after Open Enrollment.

TERMINATION OF COVERAGE
You will no longer be entitled to the benefits described in this benefit booklet if either of the events stated below should occur.

1. If you no longer meet the previously stated description of an Eligible Person.
2. If the Employer terminates the Health Care Plan.

No benefits are available to you for services or supplies rendered after the date of termination of your coverage under the Health Care Plan described in this benefit booklet except as otherwise specifically stated in the “Extension of Benefits in Case of Termination” provisions of this benefit booklet. However, termination of the Employer agreement with the Claim Administrator and/or termination of your coverage under the Health Care Plan shall not affect any Claim for Covered Services rendered prior to the effective date of such termination.

Unless specifically mentioned elsewhere in this benefit booklet, if one of your dependents becomes ineligible, his or her coverage will end on the last date of the month following the date of the event.

Other options available for Continuation of Coverage are explained in the COBRA Section of this benefit booklet.

MEDICARE ELIGIBLE COVERED PERSONS
If you meet the definition of an Eligible Person stated in the ELIGIBILITY Section above and you are eligible for Medicare and not affected by the “Medicare Secondary Payer” (MSP) laws as described below, the benefits described in the section of this benefit booklet entitled “Benefits for Medicare Eligible Covered Persons” will apply to you and to your spouse and covered dependent children (if he or she is also eligible for Medicare and not affected by the MSP laws).

A series of federal laws collectively referred to as the “Medicare Secondary Payer” (MSP) laws regulate the manner in which certain employers may offer group health care coverage to Medicare eligible coworkers, spouses, and in some cases, dependent children.
The statutory requirements and rules for MSP coverage vary depending on the basis for Medicare and employer group health plan (“GHP”) coverage, as well as certain other factors, including the size of the employers sponsoring the GHP. In general, Medicare pays secondary to the following:

1. GHPs that cover individuals with end-stage renal disease (“ESRD”) during the first 30 months of Medicare eligibility or entitlement. This is the case regardless of the number of coworkers employed by the employer or whether the individual has “current employment status.”

2. In the case of individuals age 65 or over, GHPs of employers that employ 20 or more coworkers if that individual or the individual’s spouse (of any age) has “current employment status.” If the GHP is a multi-employer or multiple employer plan, which has at least one participating employer that employs 20 or more coworkers, the MSP rules apply even with respect to employers of fewer than 20 coworkers (unless the plan elects the small employer exception under the statute).

3. In the case of disabled individuals under age 65, GHPs of employers that employ 100 or more coworkers, if the individual or a member of the individual’s family has “current coworker status.” If the GHP is a multi-employer or multiple employer plan, which has at least one participating employer that employs 100 or more coworkers, the MSP rules apply even with respect to employers of fewer than 100 coworkers.

PLEASE NOTE: SEE YOUR EMPLOYER OR GROUP ADMINISTRATOR SHOULD YOU HAVE ANY QUESTIONS REGARDING THE ESRD PRIMARY PERIOD OR OTHER PROVISIONS OF MSP LAWS AND THEIR APPLICATION TO YOU, YOUR SPOUSE OR ANY DEPENDENTS.

YOUR MSP RESPONSIBILITIES

In order to assist your employer in complying with MSP laws, it is very important that you promptly and accurately complete any requests for information from the Claim Administrator and/or your employer regarding the Medicare eligibility of you, your spouse and covered dependent children. In addition, if you, your spouse or covered dependent child becomes eligible for Medicare, or has Medicare eligibility terminated or changed, please contact your employer or your group administrator promptly to ensure that your Claims are processed in accordance with applicable MSP laws.
The Claim Administrator has established the Utilization Review Program to assist you in determining the course of treatment that will maximize your benefits under this Health Care Plan. The Utilization Review Program requires a review of Inpatient Hospital Covered Services before such services are rendered.

You are responsible for satisfying Preadmission/Admission Review requirements. This means that you must ensure that you, your family member, or Provider of services must comply with the guidelines below. Failure to obtain Preadmission/Admission Review for services will require additional steps and/or benefit reductions as described in the provision entitled FAILURE TO NOTIFY. The toll-free telephone number for Preadmission/Admission Review is on your ID card. Please read the provisions below very carefully.

NOTE: When you choose to receive Covered Services from a Participating Provider in Illinois, you are not responsible for notifying the Claim Administrator, and the notification provisions of this section do not apply to you.

The provisions of this section do not apply to the treatment of Mental Illness and Substance Use Disorder Rehabilitation Treatment. The treatment of Mental Illness and Substance Use Disorder Rehabilitation Treatment are subject to the provisions specified in THE CLAIM ADMINISTRATOR’S MENTAL HEALTH UNIT section of this benefit booklet.

**PREADMISSION REVIEW**

- **Inpatient Hospital Preadmission Review**

  Preadmission review is not a guarantee of benefits. Actual availability of benefits is subject to eligibility and the other terms, conditions, limitations, and exclusions of the Health Care Plan.

  Whenever a nonemergency or nonmaternity Inpatient Hospital admission is recommended by your Physician, in order to receive maximum benefits under this benefit booklet, you must call the Claim Administrator’s medical pre-notification number. This call must be made at least one business day prior to the Hospital admission.

  If the proposed Hospital admission or health care services are determined to be not Medically Necessary, some days, services or the entire hospitalization will be denied. The Hospital and your Physician will be advised verbally of this determination, with a follow-up notification letter sent to you, your Physician and the Hospital. These letters may not be received prior to your scheduled date of admission.

- **Emergency Admission Review**

  Emergency admission review is not a guarantee of benefits. Actual availability of benefits is subject to eligibility and the other terms, conditions, limitations, and exclusions of the Health Care Plan.

  In the event of an emergency admission, in order to receive maximum benefits under this benefit booklet, you or someone who calls on your behalf must notify the Claim Administrator no later than two business days or as soon as reasonably possible after the admission has occurred. If the call is made any later than the specified time period, you will not be eligible for maximum benefits.

- **Pregnancy/Maternity Admission Review**

  Pregnancy/Maternity admission review is not a guarantee of benefits. Actual availability of benefits is subject to eligibility and the other terms, conditions, limitations and exclusions of this Health Care Plan.

  In the event of a maternity admission, in order to receive maximum benefits under this benefit booklet, you or someone who calls on your behalf must notify the Claim Administrator no later than two business days after the admission has occurred. If the call is made any later than the specified time period, you will not be eligible for maximum benefits.

  Even though you are not required to call the Claim Administrator prior to your maternity admission, if you call the medical pre-notification number as soon as you find out you are pregnant, the Claim Administrator will provide you information on support programs to assist you during pregnancy.

**CASE MANAGEMENT**

Case management is a collaborative process that assists you with the coordination of complex care services. A Claim Administrator case manager is available to you as an advocate for cost-effective interventions.

Case managers are also available to you to provide assistance when you need alternative benefits. Alternative benefits will be provided only so long as the Claim Administrator determines that the alternative services are Medically Necessary and cost-effective. The total maximum payment for alternative services shall not exceed the total benefits for which you would otherwise be entitled under the Health Care Plan.
Provision of alternative benefits in one instance shall not result in an obligation to provide the same or similar benefits in any other instance. In addition, the provision of alternative benefits shall not be construed as a waiver of any of the terms, conditions, limitations, and exclusions of the Health Care Plan.

LENGTH OF STAY/SERVICE REVIEW

Length of stay/service review is not a guarantee of benefits. Actual availability of benefits is subject to eligibility and the other terms, conditions, limitations, and exclusions of the Health Care Plan.

Upon completion of the preadmission or emergency review, the Claim Administrator will send a letter to your Physician and/or the Hospital confirming that you or your representative called the Claim Administrator and that an approved length of service or length of stay was assigned.

An extension of the length of stay/service will be based solely on whether continued Inpatient care or other health care service is Medically Necessary. In the event that the extension is determined not to be Medically Necessary, the authorization will not be extended. Additional notification will be provided to your Physician and/or the Hospital regarding the denial of payment for the extension.

MEDICALLY NECESSARY DETERMINATION

The decision that Inpatient care or other health care services or supplies are not Medically Necessary will be determined by the Claim Administrator. The Claim Administrator will provide notification of a decision to not authorize payment for Inpatient care or other health care services or supplies to you, your Physician, and/or the Hospital or other Provider. The notification will specify the dates, services and/or supplies that are not considered Covered Services. For further details regarding Medically Necessary care and other exclusions from coverage, see the EXCLUSIONS - WHAT IS NOT COVERED section in this benefit booklet.

The Claim Administrator does not determine your course of treatment or whether you receive particular health care services. Decisions regarding the course of treatment and receipt of particular health care services are a matter entirely between you and your Physician. The Claim Administrator’s determination of Medically Necessary care is limited to merely whether a proposed admission, continued hospitalization or other health care service is a Covered Service under the Health Care Plan.

In the event that the Claim Administrator determines that all or any portion of an Inpatient hospitalization or other health care service is not Medically Necessary, the Claim Administrator will not be responsible for any related Hospital or other health care service charge incurred.

Remember that the Claim Administrator’s Health Care Plan does not cover the cost of hospitalization or any health care services and supplies that are not determined to be Medically Necessary. The fact that your Physician or another health care Provider may prescribe, order, recommend or approve a Hospital stay or other health care service or supply does not of itself make such hospitalization, service or supply Medically Necessary. Even if your Physician prescribes, orders, recommends, approves, or views hospitalization or other health care services or supplies as medically necessary, the Claim Administrator will not pay for the hospitalization, services or supplies unless the Claim Administrator determines it to be Medically Necessary and a Covered Service under the Health Care Plan.

NOTE: Keep in mind that a Medically Necessary determination does not guarantee that benefits are available. For example, it might be determined that a service is Medically Necessary, however, the Health Care Plan may limit or exclude that service. In that case, the Medically Necessary determination does not override the benefit provision in the benefit booklet.

UTILIZATION REVIEW PROCEDURE

The following information is required when you contact the Claim Administrator:

1. The name of the attending and/or admitting Physician;
2. The name of the Hospital where the admission has been scheduled and/or the location where the service has been scheduled;
3. The scheduled admission and/or service date; and
4. A preliminary diagnosis or reason for the admission and/or service.

Upon receipt of the required information, the Claim Administrator:

1. will review the information provided and seek additional information as necessary.
2. will issue a determination that the services are either Medically Necessary or are not Medically Necessary.
3. will provide notification of the determination.
APPEAL PROCEDURE

If you or your Physician disagree with the determination of the Claim Administrator prior to or while receiving services, you may appeal that decision. You should call the Claim Administrator’s customer service number on your identification card. Your Physician should use the contact information in the notification letter.

In some instances, the resolution of the appeal process will not be completed until your admission or service has occurred and/or your assigned length of stay/service has elapsed. If you disagree with a decision after claim processing has taken place or upon receipt of the notification letter, you may appeal that decision by having your Physician call the contact person indicated in the notification letter or by submitting a written request to:

Medical Director
Health Care Service Corporation
P. O. Box A3957
Chicago, Illinois 60601

Additional information about appeals procedures is set forth in the CLAIM FILING AND APPEALS PROCEDURES section of this benefit booklet.

FAILURE TO NOTIFY

The final decision regarding your course of treatment is solely your responsibility and the Claim Administrator will not interfere with your relationship with any Provider. However, the Claim Administrator has established the Utilization Review Program for the specific purpose of assisting you in determining the course of treatment which will maximize your benefits provided under this benefit booklet.

Should you fail to notify the Claim Administrator as required in the Preadmission Review provision of this section, you will then be responsible for the first $500 of the Non-Participating Hospital or facility charges for an eligible stay or $500 of the charges for eligible Covered Services for Private Duty Nursing in addition to any deductibles, Copayments and/or Coinsurance applicable to this benefit booklet. This amount shall not be eligible for later consideration as an unreimbursed expense under any Benefit Section of this benefit booklet nor can it be applied to your out-of-pocket expense limit, if applicable, as described in this benefit booklet.

MEDICARE ELIGIBLE MEMBERS

The preadmission review provisions of this Utilization Review Program do not apply to you if you are Medicare eligible and have secondary coverage provided under the Health Care Plan.
CLAIM ADMINISTRATOR’S MENTAL HEALTH UNIT

The Claim Administrator’s Mental Health Unit has been established to perform preadmission review and length of stay review for your Inpatient Hospital services for the treatment of Mental Illness and Substance Use Disorder. The Mental Health Unit is staffed primarily by Physicians, Psychologists, and registered nurses.

Failure to contact the Mental Health Unit or to comply with the determinations of the Mental Health Unit may result in a reduction of benefits. The Mental Health Unit may be reached twenty-four (24) hours a day, 7 days a week at the toll-free telephone number 1-800-851-7498. Please read the provisions below very carefully.

You are responsible for satisfying Preauthorization requirements. This means that you must ensure that you, your family member, your Behavioral Health Practitioner or Provider of services must comply with the guidelines below. Failure to Preauthorize services will require additional steps and/or benefit reductions as described in the provision entitled FAILURE TO PREAUTHORIZE OR NOTIFY.

PREAUTHORIZATION REVIEW

- Inpatient Hospital Preauthorization Review

Preauthorization review is not a guarantee of benefits. Actual availability of benefits is subject to eligibility and the other terms, conditions, limitations, and exclusions of the Health Care Plan.

In order to receive maximum benefits under this Health Care Plan, you must Preauthorize your nonemergency Inpatient Hospital admission for the treatment of Mental Illness or Substance Use Disorder by calling the Mental Health Unit. Participating and Non-Participating Providers may Preauthorize services for you, when required, but it is your responsibility to ensure Preauthorization requirements are satisfied. This call must be made at least one day prior to the Inpatient Hospital admission.

- Residential Treatment Center Preauthorization Review

Preauthorization review is not a guarantee of benefits. Actual availability of benefits is subject to eligibility and the other terms, conditions, limitations, and exclusions of this Health Care Plan.

Whenever an admission to a Residential Treatment Center for the treatment of Mental Illness or Substance Use Disorder is recommended by your physician, you must, in order to receive maximum benefits under this Health Care Plan, call the Mental Health Unit. This call must be made at least one day prior to scheduling of the admission. Participating and Non-Participating Providers may Preauthorize services for you, when required, but it is your responsibility to ensure Preauthorization requirements are satisfied. This call must be made at least one day prior to the Inpatient Hospital admission.

- Emergency Mental Illness or Substance Use Disorder Admission Review

Emergency Mental Illness or Substance Use Disorder Admission review is not a guarantee of benefits. Actual availability of benefits is subject to eligibility and the other terms, conditions, limitations, and exclusions of the Health Care Plan.

In order to receive maximum benefits under this Health Care Plan, you or someone who calls on your behalf must notify the Mental Health Unit no later than one business day or as soon as reasonably possible after the admission for the treatment of Mental Illness or Substance Use Disorder has occurred. If the call is made any later than the specified time period, you will not be eligible for maximum benefits. Participating and Non-Participating Providers may Preauthorize services for you, when required, but it is your responsibility to ensure Preauthorization requirements are satisfied.

- Partial Hospitalization Treatment Program Preauthorization Review

Partial Hospitalization Treatment Program Preauthorization review is not a guarantee of benefits. Actual availability of benefits is subject to eligibility and the other terms, conditions, limitations, and exclusions of the Health Care Plan.

In order to receive maximum benefits under this Health Care Plan, you must Preauthorize your treatment of Mental Illness or Substance Use Disorder Rehabilitation Treatment by calling the Mental Health Unit. Participating and Non-Participating Providers may Preauthorize services for you, when required, but it is your responsibility to ensure Preauthorization requirements are satisfied. This call must be made at least one day prior to the scheduling of the Partial Hospitalization Treatment Program. The Mental Health Unit will obtain information regarding the service(s) and may discuss proposed treatment with your Behavioral Health Practitioner.

If an Inpatient Emergency Mental Illness or Substance Use Disorder Admission occurs after a service(s), in order to receive maximum benefits under this Health Care Plan, an additional call must be made to the Mental Health Unit for an Emergency Mental Illness or Substance Use Disorder Admission Review.
**Length of Stay/Service Review**

Length of stay/service review is not a guarantee of benefits. Actual availability of benefits is subject to eligibility and the other terms, conditions, limitations, and exclusions of the Health Care Plan.

Upon completion of the Preauthorization or Emergency Mental Illness or Substance Use Disorder Review, the Mental Health Unit will send you a letter confirming that you or your representative called the Mental Health Unit. A letter assigning a length of service or length of stay will be sent to your Behavioral Health Practitioner and/or the Hospital.

An extension of the length of stay/service will be based solely on whether continued Inpatient care or other health care service is Medically Necessary as determined by the Mental Health Unit. In the event that the extension is determined not to be Medically Necessary, the length of stay/service will not be extended, and the case will be referred to a Mental Health Unit Physician for review.

**MEDICALLY NECESSARY DETERMINATION**

The decision that Inpatient Hospital admission, Residential Treatment Center or other health care services or supplies are not Medically Necessary, as such term is defined in this benefit booklet, will be determined by the Mental Health Unit. If the Mental Health Unit Physician concurs that the Inpatient Hospital admission, Residential Treatment Center, or other health care service or supply does not meet the criteria for Medically Necessary care, some days, services or the entire hospitalization will be denied. Your Behavioral Health Practitioner and in the case of an Inpatient Hospital admission, the Hospital will be advised by telephone of this determination, with a follow-up notification letter sent to your Behavioral Health Practitioner and the Hospital, and will specify the dates, services or supplies that are not considered Medically Necessary. The Mental Health Unit will issue these notification letters promptly. However, in some instances, these letters will not be received prior to your scheduled date of admission or service. For further details regarding Medically Necessary care and other exclusions described in this benefit booklet, see the provision entitled, “EXCLUSIONS - WHAT IS NOT COVERED.”

The Mental Health Unit does not determine your course of treatment or whether you receive particular health care services. The decision regarding the course of treatment and receipt of particular health care services is a matter entirely between you and your Behavioral Health Practitioner. The Mental Health Unit’s determination of Medically Necessary care is limited to merely whether a proposed admission, continued hospitalization or other health care service is Medically Necessary under the Health Care Plan.

In the event that the Mental Health Unit determines that all or any portion of an Inpatient Hospital admission, Residential Treatment Center or other health care service or supply is not Medically Necessary, the Claim Administrator will not be responsible for any related Hospital or other health care service or supply charge incurred.

Remember that your Health Care Plan does not cover the cost of hospitalization or any health care services and supplies that are not Medically Necessary. The fact that your Behavioral Health Practitioner or another health care Provider may prescribe, order, recommend or approve an Inpatient Hospital admission or other health care service or supply does not of itself make such hospitalization, service or supply Medically Necessary. Even if your Behavioral Health Practitioner prescribes, orders, recommends, approves, or views hospitalization or other health care services or supplies as Medically Necessary, the Claim Administrator will not pay for the hospitalization, services or supplies if the Mental Health Unit Physician decides they were not Medically Necessary.

**MENTAL HEALTH UNIT PROCEDURE**

When you contact the Mental Health Unit to Preauthorize your Inpatient Hospital, Residential Treatment Center admission and/or other service/supply, provide notification or your Emergency Mental Illness or Substance Use Disorder Admission, or request a length of stay/service review you should be prepared to provide the following information:

1. the name of the attending and/or admitting Behavioral Health Practitioner;
2. the name of the Hospital, facility or Residential Treatment Center where the admission and/or service has been scheduled, when applicable;
3. the scheduled admission and/or service date; and
4. a preliminary diagnosis or reason for the admission and/or service.

When you contact the Mental Health Unit to Preauthorize your Inpatient Hospital, Residential Treatment Center admission and/or other service/supply, provide notification or your Emergency Mental Illness or Substance Use Disorder Admission, or request a length of stay/service review, the Mental Health Unit:

1. will review the medical information provided and follow-up with the Behavioral Health Practitioner;
2. upon request, will advise you of Participating Providers in the area who may be able to provide the admission and/or services that are the subject of the Preauthorization Review;
3. may determine that the admission and/or services to be rendered are not Medically Necessary.
APPEAL PROCEDURE

Expedited Appeal
If you or your Behavioral Health Practitioner disagrees with the determinations of the Mental Health Unit to or while receiving services, you or the Behavioral Health Practitioner may appeal that determination by contacting the Mental Health Unit and requesting an expedited appeal. The Mental Health Unit Physician will review your case and determine whether the service was Medically Necessary. You and/or your Behavioral Health Practitioner will be notified of the Mental Health Unit Physician’s determination within twenty-four (24) hours or no later than the last authorized day. If you or your Behavioral Health Practitioner still disagree with the Mental Health Unit Physician, you may request an appeal in writing as outlined below.

Written Appeal
In some instances, the resolution of the appeal process will not be completed until your admission or service has occurred and/or your assigned length of stay/service has elapsed. If you disagree with a decision after Claim processing has taken place or upon receipt of the notification letter from the Mental Health Unit, you may appeal that decision by having your Behavioral Health Practitioner call the contact person indicated in the notification letter or by submitting a written request to:
Blue Cross and Blue Shield of Illinois
Appeals Coordinator
Blue Cross and Blue Shield BH Unit
P. O. Box 660240

Fax Number: 1-877-361-7656
Your must exercise the right to this appeal as a precondition to taking any action against the Claim Administrator, either at law or in equity.
Once you have requested this review, you may submit additional information and comments on your Claim to the Claim Administrator as long as you do so within 30 days of the date you asked for a review. Also, during this 30 day period, upon request, you may review any relevant documents held by the Claim Administrator, if you request an appointment in writing. The review of the documents is free of charge.
Within 30 days of receiving your request for review, the Claim Administrator will send you its decision on the Claim. In unusual situations, an additional 15 days may be needed for the review and you will be notified of this during the first 30 day period.
Additional information about appeals procedures is set forth in the CLAIM FILING AND APPEALS PROCEDURES section of this benefit booklet.

FAILURE TO NOTIFY
The final decision regarding your course of treatment is solely your responsibility and the Mental Health Unit will not interfere with your relationship with any Behavioral Health Practitioner. However, the Mental Health Unit has been established for the specific purpose of assisting you in maximizing your benefits as described in this benefit booklet.
Should you fail to notify the Claim Administrator as required in the Preadmission Review provision of this section, you will then be responsible for the first $500 of the Non-Participating Hospital or facility charges for an eligible stay or $500 of the charges for eligible Covered Services for Private Duty Nursing in addition to any deductibles, Copayments and/or Coinsurance applicable to this benefit booklet. This amount shall not be eligible for later consideration as an unreimbursed expense under any Benefit Section of this benefit booklet nor can it be applied to your out-of-pocket expense limit, if applicable, as described in this benefit booklet.

INDIVIDUAL BENEFITS MANAGEMENT PROGRAM (“IBMP”)
In addition to the benefits described in this benefit booklet, if your condition would otherwise require continued care in a Hospital or other health care facility, provision of alternative benefits for services rendered by a Participating Provider in accordance with an alternative treatment plan may be available to you.
Alternative benefits will be provided only so long as the Claim Administrator determines that the alternative services are Medically Necessary and cost effective. The total maximum payment for alternative services shall not exceed the total benefits for which you would otherwise be entitled under the Health Care Plan.
Provision of alternative benefits in one instance shall not result in an obligation to provide the same or similar benefits in any other instance. In addition, the provision of alternative benefits shall not be construed as a waiver of any of the terms, conditions, limitations or exclusions of the Health Care Plan.

MEDICARE ELIGIBLE MEMBERS
The provisions of the CLAIM ADMINISTRATOR’S MENTAL HEALTH UNIT section do not apply to you if you are Medicare Eligible and have secondary coverage provided under the Health Care Plan.
THE PARTICIPATING PROVIDER OPTION

Your Employer has chosen the Claim Administrator’s “Participating Provider Option” for the administration of your Hospital and Physician benefits. The Participating Provider Option is a program of health care benefits designed to provide you with economic incentives for using designated Providers of health care services.

As a participant in the Participating Provider Option a directory of Participating Providers is available to you. You can visit the Blue Cross and Blue Shield of Illinois Web site at [www.bcbsil.com/cdw](http://www.bcbsil.com/cdw) for a list of Participating Providers. While there may be changes in the directory from time to time, selection of Participating Providers by the Claim Administrator will continue to be based upon the range of services, geographic location and cost-effectiveness of care. Notice of changes in the network will be provided to your Employer annually, or as required, to allow you to make selection within the network. However, you are urged to check with your Provider before undergoing treatment to make certain of its participation status. Although you can go to the Hospital or Professional Provider of your choice, benefits under the Participating Provider Option will be greater when you use the services of a Participating Provider.

Before reading the description of your benefits, you should understand the terms “Benefit Period” and “Deductible” as defined below.

YOUR BENEFIT PERIOD

Your benefit period is a period of one year which begins on January 1st of each year. When you first enroll under this coverage, your first benefit period begins on your Coverage Date, and ends on the first December 31st following that date.

YOUR DEDUCTIBLE

Each benefit period you must satisfy a $500 deductible for Covered Services rendered by Participating Provider(s) and a separate $1,000 deductible for Covered Services rendered by Non-Participating Provider(s) or Non-Administrator Provider(s). In other words, after you have claims for Covered Services for more than the deductible amount in a benefit period, your benefits will begin. This deductible will be referred to as the program deductible.

Each time you are admitted to a Non-Participating Hospital or Non-Administrator Hospital, you must satisfy a $250 copay. This copay is in addition to your program deductible.

FAMILY DEDUCTIBLE

If you have Family Coverage and your family has reached the program deductible amount of $1,500 for Covered Services rendered by Participating Provider(s) and a separate $3,000 program deductible for Covered Services rendered by Non-Participating Provider(s) or Non-Administrator Provider(s), it will not be necessary for anyone else in your family to meet the program deductible in that benefit period. That is, for the remainder of that benefit period only, no other family member(s) is required to meet the program deductible before receiving benefits. A family member may not apply more than the individual program deductible amount toward the family program deductible.

In any case, should two or more members of your family ever receive Covered Services as a result of injuries received in the same accident, only one program deductible will be applied against those Covered Services.
HOSPITAL BENEFIT SECTION

Expenses for Hospital care are usually the biggest of all health care costs. Your Hospital benefits will help ease the financial burden of these expensive services. This section of your benefit booklet tells you what Hospital services are covered and how much will be paid for each of these services.

The benefits of this section are subject to all of the terms and conditions described in this benefit booklet. Please refer to the DEFINITIONS, ELIGIBILITY and EXCLUSIONS sections of this benefit booklet for additional information regarding any limitations and/or special conditions pertaining to your benefits.

This section describes the benefits which will be provided for Medicare Eligible Covered Persons who are not affected by MSP laws, unless otherwise specified in this benefit booklet (see provisions entitled “Medicare Eligible Covered Persons” in the ELIGIBILITY SECTION of this benefit booklet).

The benefits and provisions described throughout this benefit booklet apply to you, however, in determining the benefits to be paid for your Covered Services, consideration is given to the benefits available under Medicare.

The process used in determining benefits under the Health Care Plan is as follows:

1. determine what the payment for a Covered Service would be following the payment provisions of this coverage and

2. deduct from this resulting amount the amount paid or payable by Medicare. The difference, if any, is the amount that will be paid under the Health Care Plan.

When you have a Claim, you must send the Claim Administrator a copy of your Explanation of Medicare Benefits (“EOMB”) in order for your Claim to be processed.
EXCLUSIONS—WHAT IS NOT COVERED

Expenses for the following are not covered under your benefit program:

— **Hospitalization, services and supplies which are not Medically Necessary.**

  No benefits will be provided for services which are not, in the reasonable judgment of the Claim Administrator, Medically Necessary. Medically Necessary means that a specific medical, health care or Hospital service is required, in the reasonable medical judgment of the Claim Administrator, for the treatment or management of a medical symptom or condition and that the service or care provided is the most efficient and economical service which can safely be provided.

  Hospitalization is not Medically Necessary when, in the reasonable medical judgment of the Claim Administrator, the medical services provided did not require an acute Hospital Inpatient (overnight) setting, but could have been provided in a Physician’s office, the Outpatient department of a Hospital or some other setting without adversely affecting the patient’s condition.

  Examples of hospitalization and other health care services and supplies that are not Medically Necessary include:

  — Hospital admissions for or consisting primarily of observation and/or evaluation that could have been provided safely and adequately in some other setting, e.g., a Physician’s office or Hospital Outpatient department.

  — Hospital admissions primarily for diagnostic studies (x-ray, laboratory and pathological services and machine diagnostic tests) which could have been provided safely and adequately in some other setting, e.g., Hospital Outpatient department or Physician’s office.

  — Continued Inpatient Hospital care, when the patient’s medical symptoms and condition no longer require their continued stay in a Hospital.

  — Hospitalization or admission to a Skilled Nursing Facility, nursing home or other facility for the primary purposes of providing Custodial Care Service, convalescent care, rest cures or domiciliary care to the patient.

  — Hospitalization or admission to a Skilled Nursing Facility for the convenience of the patient or Physician or because care in the home is not available or is unsuitable.

  — The use of skilled or private duty nurses to assist in daily living activities, routine supportive care or to provide services for the convenience of the patient and/or his family members.

  These are just some examples, not an exhaustive list, of hospitalizations or other services and supplies that are not Medically Necessary.

  The Claim Administrator will make the decision whether hospitalization or other health care services or supplies were not Medically Necessary and therefore not eligible for payment under the terms of your health care plan. In most instances this decision is made by the Claim Administrator AFTER YOU HAVE BEEN HOSPITALIZED OR HAVE RECEIVED OTHER HEALTH CARE SERVICES OR SUPPLIES AND AFTER A CLAIM FOR PAYMENT HAS BEEN SUBMITTED.

  The fact that your Physician may prescribe, order, recommend, approve or view hospitalization or other health care services and supplies as Medically Necessary does not make the hospitalization, services or supplies Medically Necessary and does not mean that the Claim Administrator will pay the cost of the hospitalization, services or supplies.

  If your Claim for benefits is denied on the basis that the services or supplies were not Medically Necessary, and you disagree with the Claim Administrator’s decision, your Health Care Plan provides for an appeal of that decision.

  Additional information about appeals procedures is set forth in the CLAIM FILING AND APPEALS PROCEDURES section of this benefit booklet.

  **REMEMBER, EVEN IF YOUR PHYSICIAN PRESCRIBES, ORDERS, RECOMMENDS, APPROVES OR VIEWS HOSPITALIZATION OR OTHER HEALTH CARE SERVICES AND SUPPLIES AS MEDICALLY NECESSARY, THE CLAIM ADMINISTRATOR WILL NOT PAY FOR THE HOSPITALIZATION, SERVICES AND SUPPLIES IF IT DECIDES THEY WERE NOT MEDICALLY NECESSARY.**

  — Services or supplies for any illness or injury arising out of or in the course of employment for which benefits are available under any Workers’ Compensation Law or other similar laws whether or not you make a claim for such compensation or receive such benefits. However, this exclusion shall not apply if you are a corporate officer of any domestic or foreign corporation and are employed by the corporation and elect to withdraw yourself from the operation of the Illinois Workers’ Compensation Act according to the provisions of the Act.

COORDINATION OF BENEFITS SECTION

Coordination of Benefits (COB) applies when you have health care coverage through more than one group program. The purpose of COB is to insure that you receive all of the coverage to which you are entitled under this Health Care Plan. In other words, the total payment from all of your coverages together will never be less than what would have been paid under this Health Care Plan if no other group coverages were involved. It is your obligation to notify the Claim Administrator of the existence of such other group coverages. COB does not apply to the Outpatient Prescription Drug Program Benefit Section.

To coordinate benefits, it is necessary to determine what the payment responsibility is for each benefit program. This is done by following these rules:

1. The coverage under which the patient is the Eligible Person (rather than a dependent) is primary (that is, full benefits are paid under that program). The other coverage is secondary and only pays any remaining eligible charges.

2. When a dependent child receives services, the birthdays of the child’s parents are used to determine which coverage is primary. The coverage of the parent whose birthday (month and day) comes before the other parent’s birthday in the calendar year will be considered the primary coverage. If both parents have the same birthday, then the coverage that has been in effect the longest is primary. If the other coverage does not have this “birthday” type of COB provision and, as a result, both coverages would be considered either primary or secondary, then the provisions of the other coverage will determine which coverage is primary.
   — However, when the parents are separated or divorced and the parent with custody of the child has not remarried, the benefits of a contract which covers the child as a dependent of the parent with custody of the child will be determined before the benefits of a contract which covers the child as a dependent of the parent without custody;
   — when the parents are divorced and the parent with custody of the child has remarried, the benefits of a contract which covers the child as a dependent of the parent with custody shall be determined before the benefits of a contract which covers that child as a dependent of the stepparent, and the benefits of a contract which covers that child as a dependent of the stepparent will be determined before the benefits of a contract which covers that child as a dependent of the parent without custody.

   Notwithstanding the items above, if there is a court decree which would otherwise establish financial responsibility for the medical, dental, or other health care expenses with respect to the child, the benefits of a contract which covers the child as a dependent of the parent with such financial responsibility shall be determined before the benefits of any other contract which covers the child as a dependent child. It is the obligation of the person claiming benefits to notify the Claim Administrator, and upon its request to provide a copy, of such court decree.

3. If neither of the above rules apply, then the coverage that has been in effect the longest is primary.

The only time these rules will not apply is if the other group benefit program does not include a COB provision. In that case, the other group program is automatically primary.

In order to prevent duplicate payment of benefits for a Claim, the Claim Administrator uses the following process to determine benefits when it is the secondary payor.

— determines what the payment for service would be following the payment provisions of this coverage; and
— deducts from this resulting amount the amount paid by the primary payor. The difference is the amount that will be paid under this coverage.

The Claim Administrator has the right in administering these COB provisions to:

— pay any other organization an amount which it determines to be warranted if payments which should have been made by the Claim Administrator have been made by such other organization under any other group program.
— recover any overpayment which the Claim Administrator may have made to you, any Provider, insurance company, person or other organization.
CONTINUATION COVERAGE RIGHTS UNDER COBRA

This CONTINUATION COVERAGE RIGHTS UNDER COBRA section does not apply to Domestic Partners and their children.

NOTE: Certain employers may not be affected by CONTINUATION OF COVERAGE RIGHTS UNDER COBRA. See your employer or Group Administrator should you have any questions about COBRA.

Introduction

You are receiving this notice because you have recently become covered under your employer’s group health plan (the Health Care Plan). This notice contains important information about your right to COBRA continuation coverage, which is a temporary extension of coverage under the Health Care Plan. This notice generally explains COBRA continuation coverage, when it may become available to you and your family, and what you need to do to protect the right to receive it.

The right to COBRA continuation coverage was created by a federal law, the Consolidated Omnibus Budget Reconciliation Act of 1985 (COBRA). COBRA continuation coverage can become available to you when you would otherwise lose your group health coverage. It can also become available to other members of your family who are covered under the Health Care Plan when they would otherwise lose their group health coverage.

For additional information about your rights and obligations under the Health Care Plan and under federal law, you should review the Health Care Plan’s Summary Plan Description or contact the Plan Administrator.

What Is COBRA Continuation Coverage?

COBRA continuation coverage is a continuation of Health Care Plan coverage when coverage would otherwise end because of a life event known as a “qualifying event.” Specific qualifying events are listed later in this notice. After a qualifying event, COBRA continuation coverage must be offered to each person who is a “qualified beneficiary.” You, your spouse, and your dependent children could become qualified beneficiaries if coverage under the Health Care Plan is lost because of the qualifying event. Under the Health Care Plan, qualified beneficiaries who elect COBRA continuation coverage must pay for COBRA continuation coverage.

If you are a coworker, you will become a qualified beneficiary if you lose your coverage under the Health Care Plan because either one of the following qualifying events happens:

- Your hours of employment are reduced; or
- Your employment ends for any reason other than your gross misconduct.

If you are the spouse of a coworker, you will become a qualified beneficiary if you lose your coverage under the Health Care Plan because any of the following qualifying events happens:

- Your spouse dies;
- Your spouse’s hours of employment are reduced;
- Your spouse’s employment ends for any reason other than his or her gross misconduct;
- Your spouse becomes enrolled in Medicare benefits (under Part A, Part B, or both); or
- You become divorced or legally separated from your spouse.

Your dependent children will become qualified beneficiaries if they lose coverage under the Health Care Plan because any of the following qualifying events happen:

- The parent-coworker dies;
- The parent-coworker’s hours of employment are reduced;
- The parent-coworker’s employment ends for any reason other than his or her gross misconduct;
- The parent-coworker becomes enrolled in Medicare benefits (under Part A, Part B, or both); or
- The parents become divorced or legally separated; or
- The child stops being eligible for coverage under the Health Care Plan as a “dependent child.”

If the Health Care Plan provides health care coverage to retired coworkers, the following applies: Sometimes, filing a proceeding in bankruptcy under title 11 of the United States Code can be a qualifying event. If a proceeding in bankruptcy is filed with respect to your employer, and that bankruptcy results in the loss of coverage of any retired coworker covered under the Health Care Plan, the retired coworker will become a qualified beneficiary with respect to the bankruptcy. The retired coworker’s spouse, surviving spouse, and dependent children will also become qualified beneficiaries if bankruptcy results in the loss of their coverage under the Health Care Plan.
When Is COBRA Coverage Available?
The Health Care Plan will offer COBRA continuation coverage to qualified beneficiaries only after the Plan Administrator has been notified that a qualifying event has occurred. When the qualifying event is the end of employment or reduction of hours of employment, death of the coworker, in the event of retired coworker health coverage, commencement of a proceeding in bankruptcy with respect to the employer, or the coworker’s becoming entitled to Medicare benefits (under Part A, Part B, or both), the employer must notify the Plan Administrator of the qualifying event.

You Must Give Notice of Some Qualifying Events
For the other qualifying events (divorce or legal separation of the coworker and spouse or a dependent child’s losing eligibility for coverage as a dependent child), you must notify the Plan Administrator within 60 days after the qualifying event occurs. Contact your employer and/or COBRA Administrator for procedures for this notice, including a description of any required information or documentation.

How Is COBRA Coverage Provided?
Once the Plan Administrator receives notice that a qualifying event has occurred, COBRA continuation coverage will be offered to each of the qualified beneficiaries. Each qualified beneficiary will have an independent right to elect COBRA continuation coverage. Covered coworkers may elect COBRA continuation coverage on behalf of their spouses, and parents may elect COBRA continuation coverage on behalf of their children.

COBRA continuation coverage is a temporary continuation of coverage. When the qualifying event is the death of the coworker, the coworker’s becoming entitled to Medicare benefits (under Part A, Part B, or both), your divorce or legal separation, or a dependent child’s losing eligibility as a dependent child, COBRA continuation coverage lasts for up to 36 months.

When the qualifying event is the end of employment or reduction of the coworker’s hours of employment, and the coworker became entitled to Medicare benefits less than 18 months before the qualifying event, COBRA continuation coverage for qualified beneficiaries other than the coworker lasts until 36 months after the date of Medicare entitlement. For example, if a covered coworker becomes entitled to Medicare 8 months before the date on which his employment terminates, COBRA continuation coverage for his spouse and children can last up to 36 months after the date of Medicare entitlement, which is equal to 28 months after the date of the qualifying event (36 months minus 8 months). Otherwise, when the qualifying event is the end of employment or reduction of the coworker’s hours of employment, COBRA continuation coverage generally lasts for only up to a total of 18 months. There are two ways in which this 18-month period of COBRA continuation coverage can be extended.

Disability Extension Of 18-Month Period Of Continuation Coverage
If you or anyone in your family covered under the Health Care Plan is determined by the Social Security Administration to be disabled and you notify the Plan Administrator in a timely fashion, you and your entire family may be entitled to receive up to an additional 11 months of COBRA continuation coverage, for a total maximum of 29 months. The disability would have to have started at some time before the 60th day of COBRA continuation coverage and must last at least until the end of the 18-month period of continuation coverage. Contact your employer and/or the COBRA Administrator for procedures for this notice, including a description of any required information or documentation.

Second Qualifying Event Extension Of 18-Month Period Of Continuation Coverage
If your family experiences another qualifying event while receiving 18 months of COBRA continuation coverage, the spouse and dependent children in your family can get up to 18 additional months of COBRA continuation coverage, for a maximum of 36 months, if notice of the second qualifying event is properly given to the Health Care Plan. This extension may be available to the spouse and dependent children receiving continuation coverage if the coworker or former coworker dies, becomes entitled to Medicare benefits (under Part A, Part B, or both), or gets divorced or legally separated or if the dependent child stops being eligible under the Health Care Plan as a dependent child, but only if the event would have caused the spouse or dependent child to lose coverage under the Health Care Plan had the first qualifying event not occurred.

If You Have Questions
Questions concerning your Health Care Plan or your COBRA continuation coverage rights, should be addressed to your Plan Administrator. For more information about your rights under ERISA, including COBRA, the Health Insurance Portability and Accountability Act (HIPAA), and other laws affecting group health plans, contact the nearest Regional or District Office of the U. S. Department of Labor’s Employee Benefits Security Administration (EBSA) in your area or visit the EBSA website at www.dol.gov/ebsa. (Addresses and phone numbers of Regional and District EBSA Offices are available through EBSA's website.)

Keep Your Health Care Plan Informed Of Address Changes
In order to protect your family’s rights, you should keep the Plan Administrator informed of any changes in the addresses of family members. You should also keep a copy, for your records, of any notices you send to the Plan Administrator.
Health Care Plan Contact Information

Contact your employer for the name, address and telephone number of the party responsible for administering your COBRA continuation coverage.
CONTINUATION OF COVERAGE
FOR DOMESTIC PARTNERS

The purpose of this section of your benefit booklet is to explain the options available for temporarily continuing your coverage after termination, if you are covered under this benefit booklet as the Domestic Partner of an Eligible Person or as the dependent child of a Domestic Partner. Your continued coverage under this benefit booklet will be provided only as specified below. Please read the provisions very carefully.

Continuation of Coverage

If you are the Domestic Partner or the dependent child of a Domestic Partner and you lose coverage under this benefit booklet, you have the same options as the spouse or dependent child of an Eligible Person to continue your coverage. The options available to a spouse or a dependent child are described in the CONTINUATION COVERAGE RIGHTS UNDER COBRA section, if applicable to your Group.

NOTE: Certain employers may not be required to offer COBRA continuation coverage. See your Group Administrator if you have any questions about COBRA.

In addition to the events listed in the CONTINUATION COVERAGE RIGHTS UNDER COBRA section, if applicable, continuation of coverage is available to you and your dependent children in the event you lose coverage because your Domestic Partnership with the Eligible Person terminates. Your Domestic Partnership will terminate if your partnership no longer meets the criteria described in the definition of “Domestic Partnership” in the DEFINITIONS SECTION of this benefit booklet. You are entitled to continue coverage for the same period of time as a spouse or child who loses coverage due to divorce.
HOW TO FILE A CLAIM AND APPEALS PROCEDURES

In order to obtain your benefits under this benefit program, it is necessary for a Claim to be filed with the Claim Administrator. To file a Claim, usually all you will have to do is show your ID card to your Hospital or Physician (or other Provider). They will file your Claim for you. Remember however, it is your responsibility to ensure that the necessary Claim information has been provided to the Claim Administrator.

Once the Claim Administrator receives your Claim, it will be processed and the benefit payment will usually be sent directly to the Hospital or Physician. You will receive a statement telling you how your benefits were calculated. In some cases the Claim Administrator will send the payment directly to you or if applicable, in the case of a Qualified Medical Child Support Order, to the designated representative as it appears on the Claim Administrator’s records.

In certain situations, you will have to file your own Claims. This is primarily true when you are receiving services or supplies from Providers other than a Hospital or Physician. An example would be when you have had ambulance expenses. To file your own Claim, follow these instructions:

1. Obtain a Claim Form from bcbsil.com/cdw.
2. Complete the form.
3. Attach copies of all bills to be considered for benefits. These bills must include the Provider’s name and address, the patient’s name, the diagnosis, the date of service and a description of the service and the Claim Charge.
4. Mail the completed Claim Form with attachments to:
   Blue Cross and Blue Shield of Illinois
   P. O. Box 805107
   Chicago, Illinois 60680-4112

In any case, Claims should be filed with Blue Cross and Blue Shield on or before December 31st of the calendar year following the year in which your Covered Service was rendered. (A Covered Service furnished in the last month of a particular calendar year shall be considered to have been furnished the succeeding calendar year.) Claims not filed within the required time period will not be eligible for payment.

Should you have any questions, ask your Coworker Benefits Department or call the Claim Administrator’s office.

INTERNAL CLAIMS DETERMINATIONS AND APPEALS PROCESS

INITIAL CLAIMS DETERMINATIONS

The Claim Administrator will usually pay all Claims within 30 days of receipt of all information required to process a Claim. The Claim Administrator will usually notify you, your valid assignee or your authorized representative, when all information required to pay a Claim within 30 days of the Claim’s receipt has not been received. (For information regarding assigning benefits, see “Payment of Claims and Assignment of Benefits” provisions in the GENERAL PROVISIONS section of this benefit booklet.) If you fail to follow the procedures for filing a pre-service claim (as defined below), you will be notified within 5 days (or within 24 hours in the case of a failure regarding an urgent care/expedited clinical claim [as defined below]). Notification may be oral unless the claimant requests written notification.

If a Claim Is Denied or Not Paid in Full

If a claim for benefits is denied in whole or in part, you will receive a notice from the Claim Administrator within the following time limits:

1. For non-urgent pre-service claims, within 15 days after receipt of the claim by the Claim Administrator. A “pre-service claim” is any non-urgent request for benefits or for a determination, with respect to which the terms of the benefit plan condition receipt of the benefit on approval of the benefit in advance of obtaining medical care.
2. For post-service Claims, within 30 days after receipt of the Claim by the Claim Administrator. A “post-service claim” is a Claim as defined above.

If the Claim Administrator determines that special circumstances require an extension of time for processing the claim, for non-urgent pre-service and post-service claims, the Claim Administrator shall notify you or your authorized representative in writing of the need for extension, the reason for the extension, and the expected date of decision within the initial period. In no event shall such extension exceed 15 days from the end of such initial period. If an extension is necessary because additional information is needed from you, the notice of extension shall also specifically describe the missing information, and you shall have at least 45 days from receipt of the notice within which to provide the requested information.
If the claim for benefits is denied in whole or in part, you or your authorized representative shall be notified in writing of the following:

a. The reasons for denial;

b. A reference to the benefit plan provisions on which the denial is based;

c. A description of additional information which may be necessary to perfect an appeal and an explanation of why such material is necessary;

d. Subject to privacy laws and other restrictions, if any, the identification of the Claim, date of service, health care provider, Claim amount (if applicable), diagnosis, treatment and denial codes with their meanings and the standards used;

e. An explanation of the Claim Administrator’s internal review/appeals and external review processes (and how to initiate a review/appeal or external review) and a statement of your right, if any, to bring a civil action under Section 502(a) of ERISA following a final denial on internal review/appeal;

f. In certain situations, a statement in non-English language(s) that future notices of Claim denials and certain other benefit information may be available in such non-English language(s);

g. The right to request, free of charge, reasonable access to and copies of all documents, records and other information relevant to the claim for benefits;

h. Any internal rule, guideline, protocol or other similar criterion relied on in the determination, and a statement that a copy of such rule, guideline, protocol or other similar criterion will be provided free of charge on request;

i. An explanation of the scientific or clinical judgment relied on in the determination as applied to claimant’s medical circumstances, if the denial was based on medical necessity, experimental treatment or similar exclusion, or a statement that such explanation will be provided free of charge upon request;

j. In the case of a denial of an urgent care/expedited clinical claim, a description of the expedited review procedure applicable to such claims. An urgent care/expedited claim decision may be provided orally, so long as written notice is furnished to the claimant within 3 days of oral notification;

k. Contact information for applicable office of health insurance consumer assistance or ombudsman.

3. For benefit determinations relating to urgent care/expedited clinical claim (as defined below), such notice will be provided no later than 24 hours after the receipt of your claim for benefits, unless you fail to provide sufficient information. You will be notified of the missing information and will have no less than 48 hours to provide the information. A benefit determination will be made within 48 hours after the missing information is received.

4. For benefit determinations relating to care that is being received at the same time as the determination, such notice will be provided no later than 24 hours after receipt of your claim for benefits.

An “urgent care/expedited clinical claim” is any pre-service claim for benefits for medical care or treatment with respect to which the application of regular time periods for making health claim decisions could seriously jeopardize the life or health of the claimant or the ability of the claimant to regain maximum function or, in the opinion of a Physician with knowledge of the claimant’s medical condition, would subject the claimant to severe pain that cannot be adequately managed without the care or treatment.

INQUIRIES AND COMPLAINTS

An “Inquiry” is a general request for information regarding claims, benefits, or membership.

A “Complaint” is an expression of dissatisfaction by you either orally or in writing.

The Claim Administrator has a team available to assist you with Inquiries and Complaints. Issues may include, but are not limited to, the following:

- Claims
- Quality of care

When your Complaint relates to dissatisfaction with a claim denial (or partial denial), then you have the right to a claim review/appeal as described in the CLAIM APPEAL PROCEDURES.

To pursue an Inquiry or a Complaint, you may contact Customer Service at the number on the back of your ID card, or you may write to:

Blue Cross and Blue Shield of Illinois
300 East Randolph
Chicago, Illinois 60601

When you contact Customer Service to pursue an Inquiry or Complaint, you will receive a written acknowledgement of your call or correspondence. You will receive a written response to your Inquiry or Complaint within 30 days of receipt by Customer Service.
An appeal is an oral or written request for review of an Adverse Benefit Determination (as defined below) or an adverse action by the Claim Administrator, its employees or a participating provider.

**CLAIM APPEAL PROCEDURES - DEFINITIONS**

An appeal of an Adverse Benefit Determination may be filed by you or a person authorized to act on your behalf. Your designation of a representative must be in writing as it is necessary to protect against disclosure of information about you except to your authorized representative. To obtain an Authorized Representative Form, you or your representative may call the Claim Administrator at the number on the back of your ID card.

An “**Adverse Benefit Determination**” means a denial, reduction, or termination of, or a failure to provide or make payment (in whole or in part) for, a benefit, including any such denial, reduction, termination, or failure to provide or make payment for, a benefit resulting from the application of utilization review, as well as a failure to cover an item or service for which benefits are otherwise provided because it is determined to be experimental or investigational or not medically necessary or appropriate. If an ongoing course of treatment had been approved by the Claim Administrator or your Employer and the Claim Administrator or your Employer reduces or terminates such treatment (other than by amendment or termination of the Employer’s benefit plan) before the end of the approved treatment period, that is also an Adverse Benefit Determination. A rescission of coverage is also an Adverse Benefit Determination. A rescission does not include a termination of coverage for reasons related to non-payment of premium.

In addition, an Adverse Benefit Determination, also includes an “**Adverse Determination.**” An “**Adverse Determination**” means a determination by the Claim Administrator or its designated utilization review organization that an admission, availability of care, continued stay, or other health care service that is a Covered Service has been reviewed and, based upon the information provided, does not meet the Claim Administrator’s requirements for medical necessity, appropriateness, health care setting, level of care, or effectiveness, and the requested service or payment for the service is therefore denied, reduced, or terminated. For purposes of this benefit program, we will refer to both an Adverse Determination and an Adverse Benefit Determination as an Adverse Benefit Determination, unless indicated otherwise.

A **“Final Internal Adverse Benefit Determination”** means an Adverse Benefit Determination that has been upheld by the Claim Administrator at the completion of the Claim Administrator’s or Employer’s internal review/appeal process.

**CLAIM APPEAL PROCEDURES**

If you have received an Adverse Benefit Determination, you may have your Claim reviewed on appeal. The Claim Administrator will review its decision in accordance with the following procedures. The following review procedures will also be used for Claim Administrator’s (i) coverage determinations that are related to non-urgent care that you have not yet received if approval by your plan is a condition of your opportunity to maximize your benefits and (ii) coverage determinations that are related to care that you are receiving at the same time as the determination. Claim reviews are commonly referred to as “appeals.”

Within 180 days after you receive notice of an Adverse Benefit Determination, you may call or write to the Claim Administrator to request a claim review. The Claim Administrator will need to know the reasons why you do not agree with the Adverse Benefit Determination. You may call 1-877-284-9302 or send your request to:

Claim Review Section  
Health Care Service Corporation  
P.O. Box 2401  
Chicago, Illinois 60690

In support of your Claim review, you have the option of presenting evidence and testimony to the Claim Administrator, by phone or in person at a location of the Claim Administrator’s choice. You and your authorized representative may ask to review your file and any relevant documents and may submit written issues, comments and additional medical information within 180 days after you receive notice of an Adverse Benefit Determination or at any time during the Claim review process.

The Claim Administrator will provide you or your authorized representative with any new or additional evidence or rationale and any other information and documents used in the denial or the review of your Claim without regard to whether such information was considered in the initial determination. No deference will be given to the initial Adverse Benefit Determination. Such new or additional evidence or rationale and information will be provided to you or your authorized representative sufficiently in advance of the date a final decision on appeal is made in order to give you a chance to respond. The appeal will be conducted by individuals associated with the Claim Administrator and/or by external advisors, but who were not involved in making the initial denial of your Claim. Before you or your authorized representative may bring any action to recover benefits the claimant much exhaust the appeal process and must raise all issues with respect to a claim and must file an appeal or appeals and the appeals must be finally decided by the Claim Administrator or your Employer.
Urgent Care/Expedited Clinical Appeals

If your appeal relates to an urgent care/expedited clinical claim, or health care services, including but not limited to, procedures or treatments ordered by a health care provider, the denial of which could significantly increase the risk to the claimant’s health, then you may be entitled to an appeal on an expedited basis. For the ongoing course of treatment, coverage will continue during the appeal process.

Upon receipt of an urgent care/expedited pre-service or concurrent clinical appeal, the Claim Administrator will notify the party filing the appeal, as soon as possible, but no more than 24 hours after submission of the appeal, of all the information needed to review the appeal. Additional information must be submitted within 24 hours of request. The Claim Administrator shall render a determination on the appeal within 24 hours after it receives the requested information.

1. The reasons for the determination;
2. A reference to the benefit plan provisions on which the determination is based, or the contractual, administrative or protocol for the determination;

4. An explanation of the Claim Administrator’s external review processes (and how to initiate an external review) and a statement of your right, if any, to bring a civil action under Section 502(a) of ERISA following a final denial on external appeal;

7. Any internal rule, guideline, protocol or other similar criterion relied on in the determination, or a statement that a copy of such rule, guideline, protocol or other similar criterion will be provided free of charge on request;
8. An explanation of the scientific or clinical judgment relied on in the determination, or a statement that such explanation will be provided free of charge upon request;
9. A description of the standard that was used in denying the claim and a discussion of the decision.

If the Claim Administrator’s decision is to continue to deny or partially deny your Claim or you do not receive timely decision, you may be able to request an external review of your claim by an independent third party, who will review the denial and issue a final decision. Your external review rights are described in the INDEPENDENT EXTERNAL REVIEW section below.

If an appeal is not resolved to your satisfaction, you may appeal the Claim Administrator’s decision to the Illinois Department of Insurance. The Illinois Department of Insurance will notify the Claim Administrator of the appeal. The Claim Administrator will have 21 days to respond to the Illinois Department of Insurance.
Some of the operations of the Claim Administrator are regulated by the Illinois Department of Insurance. Filing an appeal does not prevent you from filing a Complaint with the Illinois Department of Insurance or keep the Illinois Department of Insurance from investigating a Complaint.

You must exercise the right to internal appeal as a precondition to taking any action against the Claim Administrator or the Health Care Plan, either at law or in equity. If you have an adverse appeal determination, you may file civil action in federal court.

**STANDARD EXTERNAL REVIEW**

You or your authorized representative (as described above) may make a request for a standard external review or expedited external review of an Adverse Benefit Determination or Final Internal Adverse Benefit Determination by an independent review organization (IRO).

An “Adverse Benefit Determination” means a denial, reduction, or termination of, or a failure to provide or make payment (in whole or in part) for, a benefit, including any such denial, reduction, termination, or failure to provide or make payment for, a benefit resulting from the application of any utilization review, as well as a failure to cover an item or service for which benefits are otherwise provided because it is determined to be experimental or investigational or not medically necessary or appropriate. If an ongoing course of treatment had been approved by the Claim Administrator or your Employer and the Claim Administrator or your Employer reduces or terminates such treatment (other than by amendment or termination of the Employer’s benefit plan) before the end of the approved treatment period, that is also an Adverse Benefit Determination. A rescission of coverage is also an Adverse Benefit Determination. A rescission does not include a termination of coverage for reasons related to non-payment of premium.

A “Final Internal Adverse Benefit Determination” means an Adverse Benefit Determination that has been upheld by the Claim Administrator at the completion of the Claim Administrator’s internal review/appeal process.

**1. Request for external review.** Within 4 months after the date of receipt of a notice of an Adverse Benefit Determination or Final Internal Adverse Benefit Determination from the Claim Administrator, you or your authorized representative must file your request for standard external review. If there is no corresponding date 4 months after the date of receipt of such a notice, then the request must be filed by the first day of the fifth month following the receipt of the notice. For example, if the date of receipt of the notice is October 30, because there is no February 30, the request must be filed by March 1. If the last filing date would fall on a Saturday, Sunday, or Federal holiday, the last filing date is extended to the next day that is not a Saturday, Sunday, or Federal holiday.

**2. Preliminary review.** Within 5 business days following the date of receipt of the external review request, the Claim Administrator must complete a preliminary review of the request to determine whether:

a. You are, or were, covered under the plan at the time the health care item or service was requested or, in the case of a retrospective review, was covered under the plan at the time the health care item or service was provided;

b. The Adverse Benefit Determination or the Final Adverse Benefit Determination does not relate to your failure to meet the requirements for eligibility under the terms of the plan (e.g., worker classification or similar determination);

c. You have exhausted the Claim Administrator’s internal appeal process unless you are not required to exhaust the internal appeals process under the interim final regulations. Please read the EXHAUSTION section below for additional information and exhaustion of the internal appeal process; and

d. You or your authorized representative have provided all the information and forms required to process an external review.

You will be notified within 1 business day after we complete the preliminary review if your request is eligible or if further information or documents are needed. You will have the remainder of the 4-month appeal period (or 48 hours following receipt of the notice), whichever is later, to perfect the appeal request. If your claim is not eligible for external review, we will outline the reasons it is ineligible in the notice, and provide contact information for the Department of Labor’s Employee Benefits Security Administration (toll-free number 866-444-EBSA (3272).

**3. Referral to Independent Review Organization.** When an eligible request for external review is completed within the time period allowed, Claim Administrator will assign the matter to an independent review organization (IRO). The IRO assigned will be accredited by URAC or by similar nationally-recognized accrediting organization. Moreover, the Claim Administrator will take action against bias and to ensure independence. Accordingly, the Claim Administrator must contract within at least (3) IROs for assignments under the plan and rotate claims assignments among them (or incorporate other independent, unbiased methods for selection of IROs, such as random selection). In addition, the IRO may not be eligible for any financial incentives based on the likelihood that the IRO will support the denial of benefits.

The IRO must provide the following:

a. Utilization of legal experts where appropriate to make coverage determinations under the plan.

b. Timely notification to you or your authorized representative, in writing, of the request’s eligibility and acceptance for external review. This notice will include a statement that you may submit in writing to the assigned IRO within ten business days following the date of receipt of the notice additional information that the IRO must consider when con-
ducting the external review. The IRO is not required to, but may, accept and consider additional information submitted after 10 business days.

c. Within 5 business days after the date of assignment of the IRO, the Claim Administrator must provide to the assigned IRO the documents and any information considered in making the Adverse Benefit Determination or Final Internal Adverse Benefit Determination. Failure by the Claim Administrator to timely provide the documents and information must not delay the conduct of the external review. If the Claim Administrator fails to timely provide the documents and information, the assigned IRO may terminate the external review and make a decision to reverse the Adverse Benefit Determination or Final Internal Adverse Benefit Determination. Within 1 business day after making the decision, the IRO must notify the Claim Administrator and you or your authorized representative.

d. Upon receipt of any information submitted by you or your authorized representative, the assigned IRO must within 1 business day forward the information to the Claim Administrator. Upon receipt of any such information, the Claim Administrator may reconsider its Adverse Benefit Determination or Final Internal Adverse Benefit Determination that is the subject of the external review. Reconsideration by the Claim Administrator must not delay the external review. The external review may be terminated as a result of the reconsideration only if the Claim Administrator decides, upon completion of its reconsideration, to reverse its Adverse Benefit Determination or Final Internal Adverse Benefit Determination and provide coverage or payment. Within 1 business day after making such a decision, the Claim Administrator must provide written notice of its decision to you and the assigned IRO. The assigned IRO must terminate the external review upon receipt of the notice from the Claim Administrator.

e. Review all of the information and documents timely received. In reaching a decision, the assigned IRO will review the claim de novo and not be bound by any decisions or conclusions reached during the Claim Administrator’s internal claims and appeals process applicable under paragraph (b) of the interim final regulations under section 2719 of the Public Health Service (PHS) Act. In addition to the documents and information provided, the assigned IRO, to the extent the information or documents are available and the IRO considers them appropriate, will consider the following in reaching a decision:

1. Your medical records;
2. The attending health care professional’s recommendation;
3. Reports from appropriate health care professionals and other documents submitted by the Claim Administrator, you, or your treating provider;
4. The terms of your plan to ensure that the IRO’s decision is not contrary to the terms of the plan, unless the terms are inconsistent with applicable law;
5. Appropriate practice guidelines, which must include applicable evidence-based standards and may include any other practice guidelines developed by the Federal government, national or professional medical societies, boards, and associations;
6. Any applicable clinical review criteria developed and used by the Claim Administrator, unless the criteria are inconsistent with the terms of the plan or with applicable law; and
7. The opinion of the IRO’s clinical reviewer or reviewers after considering information described in this notice to the extent the information or documents are available and the clinical reviewer or reviewers consider appropriate.

f. Written notice of the final external review decision must be provided within 45 days after the IRO receives the request for the external review. The IRO must deliver the notice of final external review decision to the Claim Administrator and you or your authorized representative.

g. The notice of final external review decision will contain:

1. A general description of the reason for the request for external review, including information sufficient to identify the claim (including the date or dates of service, the health care provider, the claim amount (if applicable), the diagnosis code and its corresponding meaning, the treatment code and its corresponding meaning, and the reason for the previous denial);
2. The date the IRO received the assignment to conduct the external review and the date of the IRO decision;
3. References to the evidence or documentation, including the specific coverage provisions and evidence-based standards, considered in reaching its decision;
4. A discussion of the principal reason or reasons for its decision, including the rationale for its decision and any evidence-based standards that were relied on in making its decision;
5. A statement that the determination is binding except to the extent that other remedies may be available under State or Federal law to either the Claim Administrator and you or your authorized representative;
6. A statement that judicial review may be available to you or your authorized representative; and
(7) Current contact information, including phone number, for any applicable office of health insurance consumer assistance or ombudsman established under PHS Act section 2793.

h. After a final external review decision, the IRO must maintain records of all claims and notices associated with the external review process for six years. An IRO must make such records available for examination by the Claim Administrator, State or Federal oversight agency upon request, except where such disclosure would violate State or Federal privacy laws, and you or your authorized representative.

4. Reversal of plan’s decision. Upon receipt of a notice of a final external review decision reversing the Adverse Benefit Determination or Final Internal Adverse Benefit Determination, the Claim Administrator immediately must provide coverage or payment (including immediately authorizing or immediately paying benefits) for the claim.

EXPEDITED EXTERNAL REVIEW

1. Request for expedited external review. Claim Administrator must allow you or your authorized representative to make a request for an expedited external review with the Claim Administrator at the time you receive:

a. An Adverse Benefit Determination if the Adverse Benefit Determination involves a medical condition of the claimant for which the time frame for completion of an expedited internal appeal under the interim final regulations would seriously jeopardize your life or health or would jeopardize your ability to regain maximum function and you have filed a request for an expedited internal appeal; or

b. A Final Internal Adverse Benefit Determination, if the claimant has a medical condition where the time frame for completion of a standard external review would seriously jeopardize your life or health or would jeopardize your ability to regain maximum function, or if the Final Internal Adverse Benefit Determination concerns an admission, availability of care, continued stay, or health care item or service for which you received emergency services, but have not been discharged from a facility.

2. Preliminary review. Immediately upon receipt of the request for expedited external review, the Claim Administrator must determine whether the request meets the review ability requirements set forth in the STANDARD EXTERNAL REVIEW section above. The Claim Administrator must immediately send you a notice of its eligibility determination that meets the requirements set forth in STANDARD EXTERNAL REVIEW section above.

3. Referral to independent review organization. Upon a determination that a request is eligible for external review following the preliminary review, the Claim Administrator will assign an IRO pursuant to the requirements set forth in the STANDARD EXTERNAL REVIEW section above. The Claim Administrator must provide or transmit all necessary documents and information considered in making the Adverse Benefit Determination or Final Internal Adverse Benefit Determination to the assigned IRO electronically or by telephone or facsimile or any other available expeditious method.

The assigned IRO, to the extent the information or documents are available and the IRO considers them appropriate, must consider the information or documents described above under the procedures for standard review. In reaching a decision, the assigned IRO must review the claim de novo and is not bound by any decisions or conclusions reached during the Claim Administrator’s internal claims and appeals process.

4. Notice of final external review decision. The Claim Administrator’s contract with the assigned IRO must require the IRO to provide notice of the final external review decision, in accordance with the requirements set forth in the STANDARD EXTERNAL REVIEW section above, as expeditiously as your medical condition or circumstances require, but in no event more than 72 hours after the IRO receives the request for an expedited external review. If the notice is not in writing, within 48 hours after the date of providing that notice, the assigned IRO must provide written confirmation of the decision to the Claim Administrator and you or your authorized representative.

EXHAUSTION

For standard internal review, you have the right to request external review once the internal review process has been completed and you have received the Final Internal Adverse Benefit Determination. For expedited internal review, you may request external review simultaneously with the request for expedited internal review. The IRO will determine whether or not your request is appropriate for expedited external review or if the expedited internal review process must be completed before external review may be requested.

You will be deemed to have exhausted the internal review process and may request external review if the Claim Administrator waives the internal review process or the Claim Administrator has failed to comply with the internal claims and appeals process. In the event you have been deemed to exhaust the internal review process due to the failure by the Claim Administrator to comply with the internal claims and appeals process, you also have the right to pursue any available remedies under 502(a) of ERISA or under State law.

External review may not be requested for an Adverse Benefit Determination involving a claim for benefits for a health care service that you have already received until the internal review process has been exhausted.
GENERAL PROVISIONS

1. CLAIM ADMINISTRATOR’S SEPARATE FINANCIAL ARRANGEMENTS WITH PROVIDERS

The Claim Administrator hereby informs you that it has contracts with certain Providers (“Administrator Providers”) in its service area to provide and pay for health care services to all persons entitled to health care benefits under health policies and contracts to which the Claim Administrator is a party, including all persons covered under the Health Care Plan. Under certain circumstances described in its contracts with Administrator Providers, the Claim Administrator may:

- receive substantial payments from Administrator Providers with respect to services rendered to you for which the Claim Administrator was obligated to pay the Administrator Provider, or
- pay Administrator Providers substantially less than their Claim Charges for services, by discount or otherwise, or
- receive from Administrator Providers other substantial allowances under the Claim Administrator’s contracts with them.

In the case of Hospitals and other facilities, the calculation of any out-of-pocket maximums or any maximum amounts of benefits payable by the Claim Administrator as described in this benefit booklet and the calculation of all required deductible and Coinsurance amounts payable by you as described in this benefit booklet shall be based on the Eligible Charge or Provider’s Claim Charge for Covered Services rendered to you, reduced by the Average Discount Percentage (“ADP”) applicable to your Claim or Claims. Your Employer has been advised that the Claim Administrator may receive such payments, discounts and/or other allowances during the term of the agreement between your Employer and the Claim Administrator. Neither the Employer nor you are entitled to receive any portion of any such payments, discounts and/or other allowances in excess of the ADP.

To help you understand how the Claim Administrator’s separate financial arrangements with Providers work, please consider the following example:

a. Assume you go into the Hospital for one night and the normal, full amount the Hospital bills for Covered Services is $1,000. How is the $1,000 bill paid?

b. You personally will have to pay the deductible and Coinsurance amounts set out in your benefit booklet.

c. However, for purposes of calculating your deductible and Coinsurance amounts, and whether you have reached any out-of-pocket or benefit maximums, the Hospital’s Eligible Charge would be reduced by the ADP applicable to your Claim. In our example, if the applicable ADP were 30%, the $1,000 Hospital bill would be reduced by 30% to $700 for purposes of calculating your deductible and Coinsurance amounts, and whether you have reached any out-of-pocket or benefit maximums.

d. Assuming you have already satisfied your deductible, you will still have to pay the Coinsurance portion of the $1,000 Hospital bill after it has been reduced by the ADP. In our example, if your Coinsurance obligation is 20%, you personally will have to pay 20% of $700, or $140. You should note that your 20% Coinsurance is based on the full $1,000 Hospital bill, after it is reduced by the applicable ADP.

e. After taking into account the deductible and Coinsurance amounts, the Claim Administrator will satisfy its portion of the Hospital bill. In most cases, the Claim Administrator has a contract with Hospitals that allows it to pay less, and requires the Hospital to accept less, than the amount of money the Claim Administrator would be required to pay if it did not have a contract with the Hospital.

So, in the example we are using, since the full Hospital bill is $1,000, your deductible has already been satisfied, and your Coinsurance is $140, then the Claim Administrator has to satisfy the rest of the Hospital bill, or $860. Assuming the Claim Administrator has a contract with the Hospital, the Claim Administrator will usually be able to satisfy the $860 bill that remains after your Coinsurance and deductible, by paying less than $860 to the Hospital, often substantially less than $860. The Claim Administrator receives, and keeps for its own account, the difference between the $860 bill and whatever the Claim Administrator ultimately pays under its contracts with Administrator Providers, and neither you nor your Employer are entitled to any part of these savings.

Under BlueCard, when you receive health care services outside of Illinois and from a Provider which does not have a contract with the Claim Administrator, the amount you pay, if not covered by a flat dollar Copayment, for Covered Services is calculated on the lower of:

You will be entitled to benefits for health care services received by you either inside or outside the geographic area the Claim Administrator serves, if those health care services are covered under this Health Care Plan. Due to variations in Host Blue utilization management programs, you may receive benefits for some health care services obtained outside the geographic area the Claim Administrator serves, even though you might not otherwise have received benefits if those health care services were rendered inside the geographic area the Claim Administrator serves. But in no event will you be entitled to benefits for health care services, wherever you received them, that are specifically excluded or limited from coverage under this Health Care Plan.
BlueCard® Program

Under the BlueCard® Program, when you access Covered Services within the geographic area served by a Host Blue, Claim Administrator will remain responsible for fulfilling our contractual obligations. However, the Host Blue is responsible for contracting with and generally handling all interactions with its participating Providers.

Whenever you access Covered Services outside the Claim Administrator’s service area and the claim is processed through the BlueCard Program, the amount you pay for Covered Services is calculated based on the lower of:

- The billed charges for your Covered Services, or
- The negotiated price that the Host Blue passes on to the Claim Administrator.

To help you understand how this calculation would work, please consider the following example:

a. Suppose you receive Covered Services for an illness while you are on vacation outside of Illinois. You show your identification card to the provider to let him or her know that you are covered by the Claim Administrator.

b. The provider has negotiated with the Host Blue a price of $80, even though the provider’s standard charge for this service is $100. In this example, the provider bills the Host Blue $100.

c. The Host Blue, in turn, forwards the claim to the Claim Administrator and indicates that the negotiated price for the covered service is $80. The Claim Administrator would then base the amount you must pay for the service - the amount applied to your deductible, if any, and your coinsurance percentage - on the $80 negotiated price, not the $100 billed charge.

d. So, for example, if your coinsurance is 20%, you would pay $16 (20% of $80), not $20 (20% of $100). You are not responsible for amounts over the negotiated price for a covered service.

PLEASE NOTE: The coinsurance percentage in the above example is for illustration purposes only. The example assumes that you have met your deductible and that there are no copayments associated with the service rendered. Your deductible(s), Coinsurance and Copayment(s) are specified in this benefit booklet.

Often, this “negotiated price” will be a simple discount that reflects an actual price that the Host Blue pays to your healthcare provider. Sometimes, it is an estimated price that takes into account special arrangements with your healthcare provider or provider group that may include types of settlements, incentive payments, and/or other credits or charges. Occasionally, it may be an average price, based on a discount that results in expected average savings for similar types of healthcare providers after taking into account the same types of transactions as with an estimated price.

Estimated pricing and average pricing, going forward, also take into account adjustments to correct for over- or underestimation of modifications of past pricing for the types of transaction modifications noted above. However, such adjustments will not affect the price we use for your claim because they will not be applied retroactively to claims already paid.

Federal law or the laws in a small number of states may require the Host Blue to add a surcharge to your calculation. If federal law or any state laws mandate other liability calculation methods, including a surcharge, we would then calculate your liability for any Covered Services according to applicable law.

Negotiated (non-BlueCard Program) National Account Arrangements

As an alternative to the BlueCard Program, your claims for Covered Services may be processed through a negotiated National Account arrangement with a Host Blue.

The amount you pay for Covered Services under this arrangement will be calculated based on the lower of either billed covered charges or negotiated price (Refer to the description of negotiated price under Section A, BlueCard Program) made available to Claim Administrator by the Host Blue.

Non-Participating Healthcare Providers Outside The Claim Administrator’s Service Area

a. Liability Calculation

(1) In General

When Covered Services are provided outside of Claim Administrator’s service area by non–participating Providers, the amount(s) you pay for such services will be calculated using the methodology described in the Booklet for non–participating Providers located inside our service area. You may be responsible for the difference between the amount that the non–participating Provider bills and the payment Claim Administrator will make for the Covered Services as set forth in this paragraph.

(2) Exceptions

In some exception cases, Claim Administrator may, but is not required to, in its sole and absolute discretion, negotiate a payment with such non–participating Provider on an exception basis.
BlueCard Worldwide® Program

If you are outside the United States, the Commonwealth of Puerto Rico, and the U.S. Virgin Islands (hereinafter “BlueCard service area”), you may be able to take advantage of the BlueCard Worldwide® Program when accessing Covered Services. The BlueCard Worldwide® Program is unlike the BlueCard Program available in the BlueCard service area in certain ways. For instance, although the BlueCard Worldwide Program assists you with accessing a network of inpatient, outpatient and professional providers, the network is not served by a Host Blue. As such, when you receive care from providers outside the BlueCard service area, you will typically have to pay the providers and submit the claims yourself to obtain reimbursement for these services.

If you need medical assistance services (including locating a doctor or hospital) outside the BlueCard service area, you should call the BlueCard Worldwide Service Center at 1.800.810.BLUE (2583) or call collect at 1.804.673.1177, 24 hours a day, seven days a week. An assistance coordinator, working with a medical professional, can arrange a physician appointment or hospitalization, if necessary.

Inpatient Services

In most cases, if you contact the BlueCard Worldwide Service Center for assistance, hospitals will not require you to pay for covered inpatient services, except for your cost-share amounts /deductibles, coinsurances, etc. In such cases, the hospital will submit your claims to the BlueCard Worldwide Service Center to begin claims processing. However, if you paid in full at the time of service, you must submit a claim to receive reimbursement for Covered Services. You must contact the Claim Administrator to obtain Preauthorization for non-emergency inpatient services.

Outpatient Services

Outpatient Services are available for Emergency Care. Physicians, urgent care centers and other Outpatient Providers located outside the BlueCard service area will typically require you to pay in full at the time of service. You must submit a claim to obtain reimbursement for Covered Services.

Submitting a BlueCard Worldwide Claim

When you pay for Covered Services outside the BlueCard service area, you must submit a claim to obtain reimbursement. For institutional and professional claims, you should complete a BlueCard Worldwide International claim form and send the claim form with the provider’s itemized bill(s) to the BlueCard Worldwide Service Center (the address is on the form) to initiate claims processing. Following the instructions on the claim form will help ensure timely processing of your claim. The claim form is available from the Plan or the BlueCard Worldwide Service Center or online at www.bluecardworldwide.com. If you need assistance with your claim submission, you should call the BlueCard Worldwide Service Center at 1.800.810.BLUE (2583) or call collect at 1.804.673.1177, 24 hours a day, seven days a week.

Servicing Plans

In some instances, the Claim Administrator has entered into agreements with other Blue Cross and Blue Shield Plans (“Servicing Plans”) to provide, on the Claim Administrator’s behalf, Claim Payments and certain administrative services for you. Under these agreements, the Claim Administrator will reimburse each Servicing Plan for all Claim Payments made on the Claim Administrator’s behalf for you.

Certain Servicing Plans may have contracts similar to the contracts described above with certain Providers (“Servicing Plan Providers”) in their service area. The Servicing Plan will process your claim in accordance with the Servicing Plan’s applicable contract with the Servicing Plan Provider. Further, all amounts payable to the Servicing Plan by the Claim Administrator for Claim Payments made by the Servicing Plan and applicable service charges, and all benefit maximum amounts and any required deductible andCoinsurance amounts under this Health Care Plan will be calculated on the basis of the Servicing Plan Provider’s Eligible Charge for Covered Services rendered to you or the cost agreed upon between the Servicing Plan and the Claim Administrator for Covered Services that the Servicing Plan passes to the Claim Administrator, whichever is lower.

Often, the agreed upon cost is a simple discount. Sometimes, however, the agreed upon cost may represent either an estimated discount or an average discount received or expected by the Servicing Plan based on separate financial arrangements with Servicing Plan Providers.

In other instances, laws in a small number of states dictate the basis upon which the Coinsurance is calculated. When Covered Services are rendered in those states, the Coinsurance amount will be calculated using the state’s statutory method.

Claim Administrator’s Separate Financial Arrangements with Pharmacy Benefit Managers

The Claim Administrator owns a significant portion of the equity of Prime Therapeutics LLC and informs you that the Claim Administrator has entered into one or more agreements with Prime Therapeutics LLC or other entities (collectively referred to as “Pharmacy Benefit Managers”) to provide, on the Claim Administrator’s behalf, Claim Payments and certain administrative services for your prescription drug benefits. Pharmacy Benefit Managers have agreements with pharmaceutical manufacturers to receive rebates for using their products. The Pharmacy Benefit Manager may share a portion of those rebates with the Claim Administrator. Neither the Employer nor you are entitled to receive any portion of such rebates as they are figured into the pricing of the product.
Prime negotiates rebate contracts with pharmaceutical manufacturers on behalf of the Claim Administrator, but does not retain any rebates (although Prime may retain any interest or late fees earned on rebates received from manufacturers to cover the administrative costs of processing late payments). The Claim Administrator may receive such rebates from Prime. You are not entitled to receive any portion of any such rebates as they are calculated into the pricing of the product.

2. PAYMENT OF CLAIMS AND ASSIGNMENT OF BENEFITS

a. Under this Health Care Plan, the Claim Administrator has the right to make any benefit payment either to you or directly to the Provider of the Covered Services. For example, the Claim Administrator may pay benefits to you if you receive Covered Services from a Non-Administrator Provider. The Claim Administrator is specifically authorized by you to determine to whom any benefit payment should be made.

b. Once Covered Services are rendered by a Provider, you have no right to request the Claim Administrator not to pay the Claim submitted by such Provider and no such request will be given effect. In addition, the Claim Administrator will have no liability to you or any other person because of its rejection of such request.

c. A Covered Person’s claim for benefits under this Health Care Plan is expressly non-assignable and non-transferable in whole or in part to any person or entity, including any Provider, at anytime before or after Covered Services are rendered to a Covered Person. Coverage under this Health Care Plan is expressly non-assignable and non-transferable and will be forfeited if you attempt to assign or transfer coverage or aid or attempt to aid any other person in fraudulently obtaining coverage. Any such assignment or transfer of a claim for benefits or coverage shall be null and void.

3. YOUR PROVIDER RELATIONSHIPS

a. The choice of a Provider is solely your choice and the Claim Administrator will not interfere with your relationship with any Provider.

b. The Claim Administrator does not itself undertake to furnish health care services, but solely to make payments to Providers for the Covered Services received by you. The Claim Administrator is not in any event liable for any act or omission of any Provider or the agent or employee of such Provider, including, but not limited to, the failure or refusal to render services to you. Professional services which can only be legally performed by a Provider are not provided by the Claim Administrator. Any contractual relationship between a Physician and an Administrator Provider shall not be construed to mean that the Claim Administrator is providing professional service.

c. The use of an adjective such as Participating, Administrator or approved in modifying a Provider shall in no way be construed as a recommendation, referral or any other statement as to the ability or quality of such Provider. In addition, the omission, non-use or non-designation of Participating, Administrator, approved or any similar modifier or the use of a term such as Non-Administrator or Non-Participating should not be construed as carrying any statement or inference, negative or positive, as to the skill or quality of such Provider.

d. Each Provider provides Covered Services only to you and does not deal with or provide any services to your Employer (other than as an individual Covered Person) or your Employer’s ERISA Health Benefit Program.

4. NOTICES

Any information or notice which you furnish to the Claim Administrator under the Health Care Plan as described in this benefit booklet must be in writing and sent to the Claim Administrator at its offices at 300 East Randolph, Chicago, Illinois 60601 (unless another address has been stated in this benefit booklet for a specific situation). Any information or notice which the Claim Administrator furnishes to you must be in writing and sent to you at your address as it appears on the Claim Administrator’s records or in care of your Employer and if applicable, in the case of a Qualified Medical Child Support Order, to the designated representative as it appears on the Claim Administrator’s records. The Claim Administrator may also provide such notices electronically to the extent permitted by applicable law.

5. LIMITATIONS OF ACTIONS

No legal action may be brought to recover under the Health Care Plan as described in this benefit booklet, prior to the expiration of sixty (60) days after a Claim has been furnished to the Claim Administrator in accordance with the requirements described in this benefit booklet. In addition, no such action shall be brought after the expiration of three (3) years after the time a Claim is required to be furnished to the Claim Administrator in accordance with the requirements described in this benefit booklet.

6. INFORMATION AND RECORDS

You agree that it is your responsibility to insure that any Provider, other Blue Cross and Blue Shield Plan, insurance company, benefit association, government body or program, any other person or entity, having knowledge of or records relating to (a) any illness or injury for which a Claim or Claims for benefits are made under the Health Care Plan, (b) any medical history which might be pertinent to such illness, injury, Claim or Claims, or (c) any benefits or indemnity on account of such illness or injury or on account of any previous illness or injury which may be pertinent to such Claim or Claims, furnish to the Claim Administrator or its agent, and agree that any such Provider, person or other entity may furnish to the Claim Administrator or its agent, at any time upon its request, any and all information and records (including copies of records) relating to such ill-
ness, injury, Claim or Claims. In addition, the Claim Administrator may furnish similar information and records (or copies of records) to Providers, Blue Cross and Blue Shield Plans, insurance companies, governmental bodies or programs or other entities providing insurance-type benefits requesting the same. It is also your responsibility to furnish the Claim Administrator and/or your Employer or group administrator information regarding your or your dependents becoming eligible for Medicare, termination of Medicare eligibility or any changes in Medicare eligibility status in order that the Claim Administrator be able to make Claim Payments in accordance with MSP laws.

7. **IDENTITY THEFT PROTECTION SERVICES**

The Claim Administrator makes available at no additional cost to you identity theft protection services, including credit monitoring, fraud detection, credit/identity repair and insurance to help protect your information. These identity theft protection services are currently provided by the Claim Administrator’s designated outside vendor and acceptance or declination of these services is optional to you. If you wish to accept such identity theft protection services you will need to individually enroll in the program online at [www.bcbsil.com](http://www.bcbsil.com) or telephonically by calling the toll-free telephone number on your identification card. Services may automatically end if you are no longer meet the definition of an Eligible Person. Services may change or be discontinued at any time with or without notice and the Claim Administrator does not guarantee that a particular vendor or service will be available at any given time. The services are provided as a convenience and are not considered covered benefits under this benefit booklet.
REIMBURSEMENT PROVISION

If you or one of your covered dependents incur expenses for sickness or injury that occurred due to negligence of a third party and benefits are provided for Covered Services described in this benefit booklet, you agree:

a. the Claim Administrator has the rights to reimbursement for all benefits the Claim Administrator provided from any and all damages collected from the third party for those same expenses whether by action at law, settlement, or compromise, by you or your legal representative as a result of sickness or injury, in the amount of the total Eligible Charge or Provider’s Claim Charge for Covered Services for which the Claim Administrator has provided benefits to you, reduced by any Average Discount Percentage (“ADP”) applicable to your Claim or Claims.

b. the Claim Administrator is assigned the right to recover from the third party, or his or her insurer, to the extent of the benefits the Claim Administrator provided for that sickness or injury.

The Claim Administrator shall have the right to first reimbursement out of all funds you, your covered dependents or your legal representative, are or were able to obtain for the same expenses for which the Claim Administrator has provided benefits as a result of that sickness or injury.

You are required to furnish any information or assistance or provide any documents that the Claim Administrator may reasonably require in order to obtain our rights under this provision. This provision applies whether or not the third party admits liability. (See provisions of this benefit booklet regarding “Claim Administrator’s Separate Financial Arrangements with Providers.”)
