

Medicare Select* Contracting Hospital Listing

How Medicare Select Works

Medicare Select and standard Medicare Supplement plans cover the same benefits. However, if you have a Medicare Select plan, you must use a Medicare Select hospital for non-emergency admissions or you will have to pay the Part A deductible.

You are fully covered for emergency care at any hospital, and you can still choose your own doctors and specialists.

Sometimes there are changes to the Medicare Select Hospital Network.

If you have any questions about this listing, please call 1-877-384-9297.
