Eligibility Quote

Please be advised that a quote of eligibility and benefits is not a guarantee of payment. All benefit payments are subject to eligibility, medical necessity, and the terms, conditions, limitations, exclusions, and payment levels of the patient’s health benefit plan at the time the services are rendered. Benefit payments are usually not determined based on billed charges and may be significantly less than billed charges. Please note newborn dependents not listed on the membership file may have benefits available.

The system will quote the following applicable information:

- Type of coverage (i.e., PPO, HMO, etc.)
- Current effective date
- Pre-existing waiting period completion date
- Three-character prefix
- Health Care Account (HCA) balance
- PCP name (if applicable)
- PCP effective date (if applicable)
- Termination or cancel date
- Confirmation date

To get preauthorization requirements, we’ll need the procedure code. Please say or enter a CPT or HCPCS procedure code. If there are any letters, please say it like this, “the letter A 2 3 4 5.”

Okay. Say or enter the next CPT or HCPCS procedure code or say, “that’s it.” I can collect up to 5.

If you do not have a procedure code, say, “I don’t have one.”

Say or enter the procedure code(s) or say, “I don’t have one.”

Note: If you do not have a procedure code, the IVR will quote general preauthorization requirements based on the benefit category instead.

*Please note that the fact a service has been preauthorized/pre-certified is not a guarantee of payment. Benefits will be determined once a claim is received and will be based upon, among other things, the member's eligibility and the terms of the member's certificate of coverage applicable on the date services were rendered. Obtaining a benefit preauthorization is not a substitute for checking the patient's eligibility and benefits.*
