

## Availity® Provider Portal: Multiple Tools, One Location

Posted January 27, 2021

The Availity Portal helps providers and Blue Cross and Blue Shield of Illinois (BCBSIL) to securely share information easily and efficiently. As a registered Availity user, you may quickly check our members' eligibility and benefits, confirm prior authorization requirements, submit prior authorization requests, check claim status, obtain provider claim summaries and more online, **without having to call BCBSIL.**

### Why use Availity?

Here are some of the advantages of using Availity:

- Accessible 24/7
- HIPAA-compliant
- Multi-payer solution
- Real-time search results
- No-cost transactions
- Printable results
- Online "Help" features

### What electronic tools are available?

See below for examples of the growing list of **free self-service tools** that are accessible through Availity to help you accomplish multiple tasks and gain information when providing care and services to our members.

Checking eligibility and/or benefit information and/or obtaining prior authorization or pre-notification is not a guarantee of payment. Benefits will be determined once a claim is received and will be based upon, among other things, the member's eligibility and the terms of the member's certificate of coverage, including, but not limited to, exclusions and limitations applicable on the date services were rendered. If you have any questions, call the number on the member's ID card.

Availity is a trademark of Availity, LLC, a separate company that operates a health information network to provide electronic information exchange services to medical professionals.
