## Coverage and IPA Variations

Benefit coverage and/or exclusions may vary for certain employer groups. To ensure current member benefit determination, please refer to the BCBS Benefit Matrix and/or contact customer service to confirm member coverage.

Certain employer groups do not provide any coverage for abortion in their HMO contract. **Eligibility for benefit should be predetermined in all cases.**

IPAs vary in retention of responsibility for abortion referrals. If the IPA does not retain the responsibility for abortion referrals, members should be directed to call 312-653-6600 for a referral for abortion.
