Blue Cross and Blue Shield of Illinois Provider Manual

HMO Scope of Benefits Section 2020

Blue Cross and Blue Shield of Illinois, a Division of Health Care Service Corporation, a Mutual Legal Reserve Company,
an Independent Licensee of the Blue Cross and Blue Shield Association

Ambulatory Blood Pressure Monitoring

Benefit

Semi-automatic and manual blood pressure monitoring equipment that is available over the counter for periodic self-measurement of blood pressure is not in benefit.

Twenty-Four (24) to Forty-Eight (48) hour non-invasive continuous ambulatory blood pressure monitors are in benefit if determined to be medically necessary by the PCP/WPHCP.

Interpretation

Non-invasive continuous ambulatory blood pressure monitors are portable devices that record blood pressure while the member is involved in daily activities.

Paid by	Professional charges:	IPA
	Equipment charges:	HMO

Coverage Variation

Benefit Plan DIRPI- Equipment charges excluded.
