

This list is a sample of commonly prescribed generic and preferred brand drugs. See the full and up-to-date Blue Cross and Blue Shield of Illinois prescription drug lists at [bcbsil.com](https://www.bcbsil.com). The online drug list (Balanced Drug List, Basic Drug List, Enhanced Drug List, Performance Drug List, Performance Select Drug List and 2023 Drug List for Metallic plans) may be changed as often as four times a year, based on your prescription drug benefit plan. Some online drug lists (Annual versions) may only be changed once a year, based on your prescription drug benefit plan. The drug list may have medicines not covered under your prescription drug benefit plan. Also, prescription versions of over-the-counter (OTC) medicines may not be covered based on your prescription drug benefit plan. If you have questions about your prescription drug benefit, call the number on your ID card.

- Generic drugs are shown in lower-case type.
