**Third-party brand names are the property of their respective owners. These programs are subject to change from time to time and additional drugs may be added to the categories listed. These are only examples of drug categories and specific medications for which a prior authorization program may be included as part of your prescription drug benefit plan. If your drug is not on the Drug List, you, or your prescribing health care provider, can ask for an exception review. As part of the review, you may have to meet the drug's prior authorization program criteria before your request may be approved. To start the review process, you can call the number on your Member ID card or ask your doctor to visit bcbsil.com/provider.*
