Special Beginnings®

Maternity Program for Blue Cross Community Health Plans℠ Members

Special Beginnings is a maternity program that is there for you whenever you need it. This program can help you to better understand and manage your pregnancy. Join Special Beginnings as early as possible in your pregnancy and help you and your baby to be healthy. If you are pregnant or have delivered a baby within the last 84 days (as a Blue Cross Community Health Plans member) you are eligible to join the program. When you join, you will get:

- **Health Education.** You will get information and materials on a variety of topics. You will learn about how your unborn baby is growing and newborn care. You will also get well-child information that is helpful for new parents. Other topics include nutrition and healthy life choices before and after your baby is born.
- **Personal Phone Calls.** The Special Beginnings Care Coordinator will call you throughout your pregnancy and after delivery. They will talk about how you and your baby are doing.

Personal, Confidential Help

Once you enroll, your Special Beginnings Care Coordinator will speak with you about your health and activities. They will also help you find more pregnancy-related resources if you need them. Our trained staff will:

- Check on your health and lifestyle to see if you have pregnancy risks. Risks include diabetes or high blood pressure.
- Help you find obstetrics (baby) doctors and specialty care.
- Teach you about prenatal (before birth), postpartum (after birth), and newborn care.
- Provide access to a 24-hour, toll-free telephone hotline staffed by trained registered nurses (**1-888-343-2697**). The 24/7 Nurseline includes access to an audio library with health information.
