Supportive Living Waiver

Introduction

Thank you for being a member of Blue Cross Community Health Plans. We are here to give quality health care for you and your family. Our goal is to serve your health needs through all of life's changes.

This booklet has important information about Supportive Living Program benefits. If you qualify, the Illinois Department of Healthcare and Family Services (HFS) has waiver services to help you live as independently as possible. These services are in addition to your medical and behavioral health benefits. See your member handbook for an explanation of those benefits.

Over-the-Counter (OTC) Drugs and Supplies: OTC drugs and supplies are medicines and items you buy at the pharmacy without a prescription. As a BCCHP℠ member, you can order $25 in approved OTC items one time quarterly (every three months) at no cost to you. Benefit amounts will not roll over to the next quarter. You can view the OTC Catalog at **www.bcchpil.com**. You can place an order online at **www.mpaotc.com**. First time users will need to register an account. You can also place an order by calling Member Services at **1-877-860-2837**. Your order will be shipped at no cost to your address within 7 to 10 days.

Eligibility

You can get Supportive Living Program Waiver services if:

- You are a U.S. citizen or legal alien and a resident of Illinois;
- You are eligible for Medicaid;
- You are 65 or older (or 22 or older with a disability) and would otherwise need to live in a nursing facility;
- You are not listed as a sex offender;
- You have proof of a tuberculosis (TB) test with the Control of TB Code showing no active TB;
- Your income is equal to or greater than the current greatest allowable amount of Supplemental Security Income (SSI), and you agree to pay all but $90 each month toward lodging, meals and services.
- You must have a Determination of Need (DON) score of 29 or higher. You will be evaluated and scored by a state appointed assessor and will receive an Individual Service Plan (ISP). The ISP defines the individual services you will get support for during the ISP certification period. Individuals seeking assistance through the Medical Assistance Program must be found in need of nursing facility level of care according to screening guidelines
- You must be assessed to determine if functional risks and needs can be met in the SLP setting

For additional information regarding the Illinois waivers programs as alternatives to nursing homes, please visit: **https://www.illinois.gov/hfs/MedicalClients/HCBS/Pages/default.aspx** or call **1-217-524-7245**.

Determination of Need

To see if you qualify for waiver services, a care manager from a State of Illinois agency will conduct a Determination of Need (DON) in your home. You will be asked about your ability to complete daily activities, like:

- Eating
- Bathing
- Grooming
- Dressing
- Preparing Meals
- Managing Money
- Laundry and Housework

These are just a few examples of the activities considered to determine your need for additional assistance. The DON produces a score from 0 to 100. The higher the score, the higher the demonstrated need. You must have a DON score of 29 or higher to qualify.

BCCHP does not conduct the DON. This is done by staff of the Illinois Care Coordination Units. We will work with these agencies for your annual reassessment, or whenever there is a change in your condition or needs.

Services Provided

Waiver Services for members who live in a Supportive Living Facility (SLF) or Assisted Living Facility

If eligible, you can get the services listed, which are given by the facility as needed.

- Meals and snacks
- Medication oversight
- Health promotion such as routine health assessments and education
- Personal care
- Intermittent nursing services by a certified nurse aide (CNA) or licensed nursing staff
- Social/recreational events
- Exercise programming
- Well-being checks
- Emergency call system
- 24-hour response/security staff
- Housekeeping
- Laundry
- Maintenance
- Extra services, like arranging travel to the doctor and helping with shopping when needed

Keep in mind SLFs do not offer complex medical services or support.

Care Coordination and Care Plan Information

Your Care Team

Your care plan team may include many different people (with your permission) including:

- You
- Your family
- Your doctor (primary care provider)
- Behavioral health provider
- Pharmacist
- Community partners such as church members
- Your BCCHP Care Coordinator
- Staff from the Supportive Living facility
- Others you want to include in your care team

Team members are there to help you get the services you need. They will help you make decisions about your care and work with you to reach your health care goals. Your BCCHP Care Coordinator will meet with you at least once per year and will help lead the team to make sure all your needs are met. This begins with a complete assessment of your needs. The BCCHP Care Coordinator will review your current needs, services currently in place and identify additional in home or community support services that would improve your health. The team will also help you make changes to your plan to reflect your changing needs.

Members are asked to complete a Health Risk Assessment (HRA) at least annually. Your BCCHP Care Coordinator will work with your health plan to help you manage your care. They will be your health care 'coach'. They will oversee the plan of care you and your care team decide is right. BCCHP Care Coordinators can help you reach your health goals using your benefits.

Your BCCHP Care Coordinator will also:

- Plan in-person visits or phone calls with you
- Listen to your concerns
- Help you get services and find health issues before they get worse (preventive care)
- Help set up care with your doctor and other health care team members
- Help you, your family and your caregiver better understand your health condition(s), medications and treatments

Your BCCHP Care Coordinator and care team will help you get the information and care you need to be healthy. And they will help you manage your health condition. This includes:

- Tips on how to help manage your weight, eat better and stay fit with an exercise program
- Brochures with heart-healthy tips on how to help control blood pressure and cholesterol
- Brochures on drugs and alcohol show you how to stop problems before they start
- Well care with tips about healthy behaviors and the need for routine exams, mammograms and cancer screenings
- Information about managing on-going medical conditions such as asthma, diabetes, and heart diseas

If you did not receive a Health Risk Assessment (HRA) and would like to complete one, or if you want to inquire about care coordination services, please call Member Services at **1-877-860-2837** (TTY/TDD: **711**).

You can contact your BCCHP Care Coordinator by calling Member Services at **1-877-860-2837** (TTY/TDD: **711**). It is important that you keep in touch with your BCCHP Care Coordinator for help with services. Be sure to write down the name and phone number of your BCCHP Care Coordinator. Your BCCHP Care Coordinator will work with the State of Illinois Care Coordinator who completes your DON. Together they will make sure you have the services you need to meet your health goals.

Disease Management

If you have hypertension (high blood pressure), diabetes or asthma, you are eligible for our disease management program. Members with hypertension, diabetes or asthma receive support based on the level of their need. All members have access to information and tools to help manage their condition on the member web portal called Blue Access for Members℠ (BAM℠). The portal offers many resources to help you stay healthy. You can access BAM at **www.bcchpil.com**.

Members with moderate levels of risk are contacted by a BCCHP Care Coordinator who specializes in the management of that condition. If you are enrolled in the program, you work with your BCCHP Care Coordinator to develop specific goals with the purpose of improving your overall health.

The BCCHP Care Coordinator provides:

- Education and materials related to your diagnosis
- Assistance with understanding and obtaining medications
- Education about benefits that could improve your health outcomes
- Referrals to community programs and resources for additional education and support such as improving access to healthy foods and community exercise programs

You may opt-out of disease management at any time if you do not wish to participate. To enroll or opt-out of the disease management program, you can call Member Services.

Provider Choices

Your BCCHP Care Coordinator will work with you to find providers and doctors who best meet your needs. You can search for in-network BCCHP providers on our website at **www.bcchpil.com** by clicking on 'Find a Provider' under the 'Getting Care' tab, or you can call Member Services for help.

Language Assistance

Interpreter Services

You can get this document in Spanish or speak with someone about this information in other languages for free. Call **1-877-860-2837** (TTY/TDD: **711**). The call is free.

Usted puede obtener este documento en español o hablar con alguien, de forma gratuita, acerca de esta información en otros idiomas. Llame al **1-877-860-2837** (TTY/TDD: **711**). La llamada es gratuita.

Other Formats

You can also call Member Services toll-free, to request this information in other alternative formats such as Braille, large print and other forms.

Hearing and Vision Impairment

For our members with hearing or vision problems, we offer TTY/TDD service free of charge. The line is open 24 hours a day/seven (7) days a week at **711**.

Rights and Responsibilities

Your rights

- A right to always be treated with respect and dignity in recognition of your privacy.
- Have your personal health information and medical records kept private except where allowed by law, and when necessary to provide care.
- Be protected from discrimination.
- Receive information from BCCHP in other languages or formats such as with an interpreter or Braille.
- Receive information on available treatment options and alternatives
- Receive information necessary to be involved in making decisions about your health care treatment and choices.
- A right to make recommendations regarding the organization's member rights and responsibilities policy
- Refuse treatment and be told what may happen to your health if you do.
- Receive a copy of your medical records and in some cases request they be amended or corrected.
- Choose your own primary care provider (PCP) from the BCCHP. You can change your PCP at any time.
- File a complaint (sometimes called a grievance), or appeal without fear of mistreatment or backlash of any kind.
- Request and receive in a reasonable amount of time, information about your health plan, its providers and polices including member rights and responsibilities.

Resident's Rights

Each resident in a SLP setting has the right to:

- Be free from physical, mental, emotional, and social abuse, neglect and exploitation.
- All housing and services for which he or she has contracted and paid.
- Keep your records confidential and provide them only with your consent or in accordance with the law that applies.
- Have access to your records with 48 hours notice (excluding weekends and holidays).
- Have his or her privacy respected.

- Refuse to participate or receive any service or activity, once the potential consequences of refusal have been explained to the resident and a negotiated risk agreement between the resident, his or her designated representative, and the service provider, as long as refusal of others is not affected.
- Stay in the SLP setting, forgoing recommended or needed services from the SLP provider or available from others.
- Arrange and receive non-Medicaid services not available from the contracted SLP provider at the resident's expense, so long as the resident does not violate the conditions specified in the resident's contract.
- Be free of unauthorized restraints.
- Control his or her time, space, and lifestyle to the extent that the health, safety and well-being of others are not disturbed.
- Consume alcohol and use tobacco in accordance with the SLP provider's policy specified in the resident contract and any applicable statutes.
- Have visitors of his or her choice to the extent that the health, safety and well-being of others and the provisions of the resident's contract are upheld.
- Have roommates only by resident's choice.
- Be treated at all times with courtesy, respect and full recognition of personal dignity and individuality.
- Make and act upon decisions (except those decisions delegated to a legal guardian) to the extent that the health, safety and well-being of others are not endangered by his or her actions.
- Participate in the development, implementation and review of his or her service plans.
- Maintain personal possessions to the extent that the health, safety and well-being of the resident and others is not endangered and the provisions of the resident contract are not violated.
- Store and prepare food in his or her apartment to the extent that the health, safety, and well-being of the resident and othersis not endangered and the provisions of the contract are not violated.
- Designate or accept a representative to act on his or her behalf.
- Not be required to purchase additional services that are not part of the resident's contract; and not be charged for additional services unless prior written notice is given to the resident of the amount of the charge.
- Be free to file grievances according to the SLP provider's policy and be free from retaliation from the SLP provider.

Your responsibilities

- Treat your doctor and the office staff with courtesy and respect.
- Carry your ID card from BCCHP with you when you go to your doctor appointments and to the pharmacy to pick up your prescriptions.
- Keep your appointments and be on time for them.
- If you cannot keep your appointments cancel them in advance.
- Follow the instructions and treatment plan you get from your doctor.
- Tell your health plan and your caseworker if your address or phone number changes.

- Read your member handbook so you know what services are covered and if there are any special rules.

Non-Discrimination

You may not be discriminated against because of race, color, national origin, religion, sex, ancestry, marital status, physical or mental disability, unfavorable military discharge or age.

If you feel you have been discriminated against, you have the right to file a complaint with Civil Rights Coordinator by calling, faxing or sending us a letter:

Phone: **1-855-664-7270**
Fax: **1-855-661-6960**
Mail: Office of Civil Rights Coordinator
300 E. Randolph St.
35th Floor Chicago, IL 60601

If you are unable to call, you may have someone call for you. If you are unable to write a letter yourself, you may have someone write it for you.

Confidentiality

All information about you and your case is confidential and may be used only for purposes directly related to treatment, payment and operation of the program including:

- Establishing your initial and continuing eligibility
- Establishing the extent of your assets, your income and the determination of your service needs
- Finding and making needed services and resources available to you
- Assuring your health and safety

No information about you can be used for any other purpose unless you have signed a Standard Authorization form. You can request a copy of this form by calling Member Services at **1-877-860-2837**. A copy of this form can also be found on our website: **https://www.bcbsil.com/bcchp/resources/forms-and-documents**.

Freedom of Choice

You have the choice of nursing facility placement or home and community-based services. You also have the right to choose not to receive services.

You may choose which provider or agency you want to provide your Long-Term Supports and Services (LTSS). A list of providers approved under the Department of Healthcare and Family Services Supportive Living Program to provide services in your service area will be reviewed with you by your BCCHP Care Coordinator.

Your BCCHP Care Coordinator will work with you to participate in your ISP development and in choosing types of services and providers to meet your needs. You will receive a copy of each ISP and any subsequent changes to the plan.

The services you receive are for needs addressed in your ISP and not for the needs of other individuals in your home.

Transfer to Another Provider or Agency

You may request to transfer from one provider to another. If you want to transfer, you should contact your BCCHP Care Coordinator to help arrange the transfer.

Change in Residence

If you will be residing in another location in Illinois and want to continue to receive services, contact your BCCHP Care Coordinator. Your BCCHP Care Coordinator will assist you by arranging service transfer to your location.

Individual Service Plan (ISP)

Your Individual Service Plan (ISP) establishes the type of service, how often the service will be provided, and the dates the services are approved. Your provider cannot change your ISP. If you need a change in services, call your BCCHP Care Coordinator to review your needs and make changes to your ISP.

Quality of Service

If you do not believe the Supportive Living Facility (SLF) is following your ISP, or services aren't followed as scheduled, or if your services are always late, you should contact the Supportive Living Program wellness nurse and talk to your caregiver's supervisor. If the problem is not resolved, you should call your BCCHP Care Coordinator. If the problem is still not resolved, you should call the BCCHP toll-free number at **1-877-860-2837** to file a grievance.

Non-Discrimination of Caregivers

You must not discriminate against your caregivers because of race, color, national origin, religion, sex, ancestry, marital status, physical or mental disability, unfavorable military discharge or age. To do so is a federal offense.

Reporting Changes

When you become enrolled in the BCCHP program, you must report changes to your information including:

Change	Report to
Changes to your services or service needs	BCCHP Care Coordinator at **1-855-334-4780**
Change of address or phone number, even if temporary	BCCHP Care Coordinator at **1-855-334-4780** or Enrollment Agency

Hospital or Nursing Home Admission

If you are entering a hospital, nursing home or other institution for any reason, you or your representative should inform your BCCHP Care Coordinator before or as soon as possible after you have entered such a facility. Your SLP Waiver services cannot be provided while you are in these facilities, but can be provided as soon as you return home. Inform your BCCHP Care Coordinator when you will be discharged home, so we can check on your service needs.

Transition of Care Services

You are eligible for Transition of Care Services when you are scheduled for a planned inpatient surgical procedure or when you have an unplanned admission to an acute inpatient hospital or skilled nursing facility. Our services help you when you are being discharged home or to a lower level of care. We pay special attention to helping you move from one level of care to another, such as when you are discharged from a hospital or a skilled nursing facility back to your home. It is important that you understand your discharge instructions and have everything you need at home to recover. We work with you to make sure you have follow-up appointments scheduled. We also make sure you receive all ordered medications and services, including oxygen and durable medical equipment. This ensures a smooth discharge and recovery.

BCCHP Care Coordinators can help you through the following:

- Arranging services you need, including scheduling and keeping provider appointments
- Ensuring complete communication and coordination of services to provide safe, timely, high-quality care as you move out of an acute inpatient hospitalization stay
- Providing guidance before planned admissions, such as a scheduled surgery. We also provide guidance after discharge when you have had an unplanned admission
- Helping you understand your conditions to reduce risks of relapse and support your ability to care for yourself.
- Providing education related to medication safety and the importance of taking medications as the doctor ordered.
- Reviewing and clarifying your doctor's orders related to care, diet and activity levels so you understand and can follow the plan of care.

You are required to participate in care coordination on the Supportive Living Waiver program. To talk about eligibility, please call Member Services.

Absent from Home

You must inform the Supportive Living Facility (SLF) staff if you plan to be absent from your home during a scheduled visit. You must also notify the SLF staff and your BCCHP Care Coordinator when you will be gone for an extended period of time.

During your extended absences, give the SLF staff and your BCCHP Care Coordinator your temporary phone number and address in case you need to be reached.

Delivery of Services

You Must Cooperate in the Delivery of Services

To assist your caregivers, you must:

- Notify your caregiver or provider at least one (1) day in advance if you will be away from home on the day you are to receive service.
- Allow the authorized caregiver into your home.
- Allow the caregiver to provide the services authorized on your ISP you approved.

Do not require the caregiver to do more or less than what is on your ISP. If you want to change your ISP, call your BCCHP Care Coordinator. Your caregiver cannot change your ISP.

You and others in your home must not harm or threaten to harm the caregiver or display any weapons. Not cooperating as noted above may result in the suspension or termination of your LTSS services. Your BCCHP Care Coordinator will work with you and the caregiver to develop a Care Management Agreement to restart your services.

Fraud, Abuse and Neglect

Fraud and Abuse Program

Fraud occurs when someone receives benefits or payments they are not entitled to. Many parties can commit health care fraud that must be reported, including but not limited to:

- Medical providers
- Behavioral health providers
- Patients or members
- Employees of health care companies
- Billers

Examples of fraud include:

- Overusing services that you don't need
- A provider billing for services not done
- False answers on an application
- Using someone's ID card

To report fraud, you can call Member Services, or the BCCHP Special Investigation Department (SID) at **1-800-543-0867**. All information is confidential.

Reporting Abuse, Neglect, Exploitation or Unusual Incidents

The Health Care Worker Background Check Act applies to all unlicensed individuals employed or retained by a health care employer as home health aides, nurse aides, personal care assistants, private duty nurse aides, day training personnel or an individual working in any similar health-related occupation where they provide direct care.

You can contact the Department of Public Health online or by phone at **1-217-785-5133** to verify status prior to employment, or the Department of Financial and Professional Regulation for information on any licensed practical nurse or registered nurse you want to employ to see if they have allegations of abuse, neglect or theft.

If you are the victim of abuse, neglect or exploitation, you should report this to your BCCHP Care Coordinator right away, or contact the BCCHP Critical Incident Hotline at **1-855-653-8127**. You should also report the issue to one of the following agencies based on your age or placement. All reports to these agencies are kept confidential and anonymous reports are accepted.

Nursing Home Hotline

1-800-252-4343, TTY/TDD – **1-800-547-0466**

The Illinois Department of Public Health Nursing Home Hotline is for reporting complaints regarding hospitals, nursing facilities, home health agencies and the care or lack of care of the patients.

Supportive Living Program Complaint Hotline

1-844-528-8444

Adult Protective Services

1-866-800-1409, TTY/TDD – **1-888-206-1327**

The Illinois Department on Aging Adult Protective Services Hotline is to report allegations of abuse, neglect or exploitation for all adults 18 years old and over. Your BCCHP Care Coordinator will provide you with two (2) brochures on reporting abuse, neglect and exploitation. You can request new copies of these brochures at any time.

Illinois law defines fraud, abuse and neglect as:

- **Physical abuse** – Inflicting physical pain or injury upon a senior or person with disabilities.
- **Sexual abuse** – Touching, fondling, intercourse, or any other sexual activity with a senior or person with disabilities, when the person is unable to understand, unwilling to consent, threatened or physically forced.
- **Emotional abuse** – Verbal assaults, threats of abuse, harassment or intimidation.
- **Confinement** – Restraining or isolating the person, other than for medical reasons.
- **Passive neglect** – The caregiver's failure to provide a senior or person with disabilities with life's necessities, including, but not limited to, food, clothing, shelter or medical care.
- **Willful deprivation** – Willfully denying a senior or person with disabilities medication, medical care, shelter, food, a therapeutic device or other physical assistance and thereby exposing that adult to the risk of physical, mental or emotional harm — except when the person has expressed an intent to forego such care.
- **Financial exploitation** – The misuse or withholding of a senior or person with disabilities' resources to the disadvantage of the person or the profit or advantage of someone else.

Grievances and Appeals

We want you to be happy with services you get from BCCHP and our providers. If you are not happy, you can file a grievance or appeal. For more information, refer to the section on Grievances and Appeals in your member handbook. You may also call BCCHP Member Services at **1-877-860-2837** (TTY/TDD: **711**). We are available 24 hours a day, seven (7) days a week.

Limitations and restrictions may apply. For more information, call BCCHP Member Services at **1-877-860-2837** (TTY/TDD: **711**).

Non-Discrimination Notice

Health Care Coverage Is Important For Everyone

We do not discriminate on the basis of race, color, national origin (including limited English knowledge and first language), age, disability, or sex (as understood in the applicable regulation). We provide people with disabilities with reasonable modifications and free communication aids to allow for effective communication with us. We also provide free language assistance services to people whose first language is not English.

To receive reasonable modifications, communication aids or language assistance free of charge, please call us at **1-877-860-2837**.

If you believe we have failed to provide a service, or think we have discriminated in another way, you can file a grievance with:

Office of Civil Rights Coordinator
Attn: Office of Civil Rights Coordinator
300 E. Randolph St., 35th Floor
Chicago, IL 60601

Phone: **1-855-664-7270** (voicemail)
TTY/TDD: **1-855-661-6965**
Fax: **1-855-661-6960**
Email: civilrightscoordinator@bcbsil.com

You can file a grievance by mail, fax or email. If you need help filing a grievance, please call the toll-free phone number listed on the back of your ID card (TTY: 711).

You may file a civil rights complaint with the US Department of Health and Human Services, Office for Civil Rights, at:

US Dept of Health & Human Services
200 Independence Avenue SW
Room 509F, HHH Building
Washington, DC 20201
