Important: It's time to review your health coverage. **Update your Get Covered Illinois application and pick a plan by January 15, 2027**, or we'll automatically re-enroll you in the same or similar coverage for 2027. This may change some of your costs and coverage, so review your options carefully.

Thank you for choosing Blue Cross and Blue Shield of Illinois for your health care needs. We're here to help you prepare for Open Enrollment.

Why am I getting this letter?

We're still offering your health coverage in 2027, but some details may have changed. Read this letter carefully and decide if you want to keep this plan or choose another one, then update your application with Get Covered Illinois.

What's changing in 2027?

Your new premium

Starting in January, your new monthly premium amount will be changing. You will receive a renewal notice from Get Covered Illinois with information about your plan and new payment. Please visit GetCoveredIllinois.gov or call the Get Covered Illinois Customer Assistance Center at 1-866-311-1119 (TTY 711) for more information.

Other changes

- <Please visit **MyRenewalCodeIL.com** and enter access code <0123456789> to view your **Benefit Changes**.
- Please see the enclosed **Benefit Changes** section.
- You can also review more details about your plan at StayBlueIL.com and in your 2027 **Summary of Benefits and Coverage** at <SBC_URL_English> (English) or <SBC_URL_Spanish> (Español).

What should I do next?

1. Update your Get Covered Illinois application by <December 15>.

Review your Get Covered Illinois application to make sure the information is still current and correct, and make any necessary updates. After you submit your updated application, you'll find out if you qualify for more or less financial help than in 2026. This could mean you'll pay a lower monthly premium amount or lower out-of-pocket costs (like deductibles, copayments, and coinsurance). Plus, you might not owe money when you file your taxes.

<Important: Our records show you had a \$0 monthly premium amount in 2026. You must update your application to qualify for a \$0 monthly premium amount in 2027. Depending on your updated information, your 2027 monthly premium amount could still be higher than it was in 2026.>

Government-Required Notice *continued*

2. Decide if you want to enroll in this plan or choose another one.

I want to enroll in this plan.

Select <28 Plan name and Child_SCID> to enroll.

<**Important:** This isn't a Silver plan in 2027. This means you can't get financial help to lower your out-of-pocket costs if you stay in this plan. You must go back to Get Covered Illinois and enroll in a Silver plan to find out if you qualify to get financial help. If you don't enroll in a Silver plan, any financial help you currently get to lower your out-of-pocket costs will end on December 31.>

I want to pick a different plan.

You can choose a different plan between November 1, 2026, and January 15, 2027. Enroll by January 15, for coverage to start January 1.

- Visit [GetCoveredIllinois.gov](https://www.getcoveredillinois.gov) to find other Get Covered Illinois plans. Compare plans to save money and find one that best meets your needs and budget. Select the Plan name and ID of the plan you want to enroll in.
- You can also check with BCBSIL to find out what other plans may be available. Remember, you won't get financial help unless you qualify and enroll through Get Covered Illinois.

Note: If you got financial help in 2026 to lower your monthly premium, you must file federal income taxes and "reconcile" the premium tax credit you qualified for with the amount you used during 2026. If the amounts are different, it may change the amount you owe or get back when you file your federal income taxes. To reconcile the premium tax credit, you must complete IRS Form 8962 "Premium Tax Credit (PTC)" and include it with your federal tax return. For more information about the premium tax credit, visit:

<https://www.irs.gov/affordable-care-act/individuals-and-families/the-premium-tax-credit-the-basics>.

<Important Notice

Our agents and brokers help you choose and enroll in the health care coverage that is right for you. They also serve you throughout the year. When you enroll in or renew a plan, we pay them between \$10-\$35 (depending on the plan) per member per month for up to five total members. That means that if there are three people on your policy, a broker receives \$30-\$105 per month in commissions.

They may additionally receive other bonus and marketing payments from us ranging from \$50-\$100 based on their total sales for a period of time.

These commissions or bonuses/marketing payments are paid by BCBSIL and do not affect the amount of your premium.

If you have questions, please contact your BCBSIL agent or broker.>
