

# Your Voice Matters

## Please join us for the next Family Leadership Council.

The Family Leadership Council is a group of youth, parents, and community partners joining forces with Blue Cross Community Health Plans to address issues and discuss opportunities regarding children's behavioral health and special needs.

Our goal is to create a team of advocates (members, caretakers, family members) to better understand the experiences of families accessing public services on behalf of their children. Come make an impact on improving health outcomes for our Illinois children and youth.

The Family Leadership Council is a chance for you to:

- Share your experiences and ideas on how to improve children's behavioral health services and services for children with special needs.
- Help to develop a better family-driven care plan.
- Connect with other families and learn about helpful community resources.

**Family members, caregivers and youth are welcome to join us at the Family Leadership Council.**
