

Medicare Select* Contracting Hospital Listing

You could save more
money every month
with our popular
Medicare Select option!

Is Medicare Select right for you?

Medicare Select is a money-saving option that is not an HMO.

It fills the gaps in Medicare like our standard option, but it costs less. With Medicare Select, you are fully covered for emergency care at any hospital.

With Medicare Select, all you need to do is use any of our Medicare Select contracting hospitals for non-emergency care. If you do not use one of these hospitals, you agree to pay the Part A deductible. It's that simple!

See if a hospital you would use is in our listing. If so, our money-saving Medicare Select option may be right for you.

Sometimes there are changes to the Medicare Select Contracting Hospital Network. If you have any questions about this listing, please call **1-877-384-9297**.

BlueCross BlueShield of Illinois

Not connected with or endorsed by the U.S. Government or Federal Medicare Program.

Only certain hospitals are network providers under this policy. Members must use a network hospital to receive full benefits for inpatient, non-emergency hospital stays.

This policy does not require members to see network doctors or specialists. Members can see any doctor or specialist who accepts Medicare. Check with your doctor or specialist to determine if he or she has admitting privileges at the network hospital where you receive care. If he or she does not, the hospital may require you to use another doctor or specialist at the time of hospitalization or, if you use a non-network hospital, you must pay the Part A deductible and any non-covered charges.

* The Medicare Select option requires that you live within 30 miles of any Medicare Select contracting hospital listed here.
