

This chart shows the benefits included in each of the standard Medicare supplement plans. Every company must make Plan "A" available. Only applicants first eligible for Medicare before 2020 may purchase Plans C, F, and high deductible F.

Blue Cross and Blue Shield of Illinois does not offer those plans shaded in gray below.

BASIC BENEFITS:

- Hospitalization – Part A coinsurance plus coverage for 365 additional days after Medicare benefits end.
- Medical Expenses – Part B coinsurance (generally 20% of Medicare-approved expenses), or copayments for hospital outpatient services. Plans K³, L³ and N require insureds to pay a portion of Part B coinsurance or copayments.
- Blood – First 3 pints of blood each year.
- Hospice – Part A coinsurance.

- ¹ These high deductible plans pay the same benefits as Plans F and G after one has paid a calendar-year \$2,700 deductible. Benefits from High Deductible Plans F and G will not begin until out-of-pocket expenses are \$2,700. Out-of-pocket expenses for this deductible are expenses that would ordinarily be paid by the policy. This includes the Medicare deductibles for Part A and Part B, but does not include the plan's separate foreign travel emergency deductible.
- ³ Plans K and L provide for different cost-sharing for items and services than the other plans we offer. Amounts that count towards the annual limit are noted with an asterisk (*). Once you reach the annual limit, the plan pays 100% of the Medicare copayments and coinsurance for the rest of the calendar year. The out-of-pocket annual limit does NOT include charges from your provider that exceed Medicare approved amounts, called "excess charges." You will be responsible for paying excess charges.
- ⁴ The out-of-pocket annual limit will increase each year for inflation.

PREMIUM INFORMATION

Blue Cross and Blue Shield of Illinois can only raise your premium if we raise the premium for all policies like yours in the state. We will not change your premium or cancel your policy because of poor health. Premiums change at age 65 and every year thereafter up to age 100. If your premium changes, you will be notified at least 30 days in advance.

Gender

One factor that will determine your premium is your gender. When completing the application, you will need to make a gender selection.

Tobacco User

A Tobacco User is a person who is permitted under state and federal law to legally use Tobacco, with Tobacco use (other than religious or ceremonial use of Tobacco) occurring on average of four or more times per week that last occurred within the past six months. Tobacco products include but are not limited to: cigarettes, cigars, smokeless tobacco products, electronic cigarettes, dissolvable tobacco products, and vaping.

If you meet the definition of a Tobacco User, you may pay a higher premium for your health coverage.

DISCLOSURES

Use this outline to compare benefits and premiums among policies.

READ YOUR POLICY VERY CAREFULLY

This is only an outline describing your policy's most important features. The policy is your insurance contract. You must read the policy itself to understand all of the rights and duties of both you and your insurance company.

RIGHT TO RETURN YOUR POLICY

If you find that you are not satisfied with your policy, you may return it to **Blue Medicare Supplement c/o Member Services, P.O. Box 3388 Scranton, PA 18505**. If you send the policy back to us within 30 days after you receive it, we will treat the policy as if it had never been issued and will return all of your payments.

POLICY REPLACEMENT

If you are replacing another health insurance policy, do NOT cancel it until you have actually received your new policy and are sure you want to keep it.

NOTICE

This policy may not fully cover all of your medical costs. Neither Blue Cross and Blue Shield of Illinois nor its agents are connected with Medicare. This Outline of Coverage does not give you all the details of Medicare coverage. Contact your local Social Security Office or consult "Medicare & You" for more details.

COMPLETE ANSWERS ARE VERY IMPORTANT

When you fill out the application for the new policy, be sure to answer truthfully and completely all questions about your medical and health history. The company may cancel your policy and refuse to pay any claims if you leave out or falsify important medical information.

Review the application carefully before you sign it. Be certain that all information has been properly recorded.
