

Medicare Select* Contracting Hospital Listing

How Medicare Select Works

You can use any of the Medicare Select contracting hospitals for non-emergency care. If you do not use one of these hospitals, you agree to pay the Part A deductible.

You are fully covered for emergency care at any hospital, and you can still choose your own doctors and specialists.

Sometimes there are changes to the Medicare Select Hospital Network.

If you have any questions about this listing, please call 1-877-384-9297.
