A. Welcome to Blue Cross Community MMAI

Blue Cross Community MMAI is a Medicare-Medicaid Plan. A Medicare-Medicaid Plan is an organization made up of doctors, hospitals, pharmacies, providers of long-term services and supports, and other providers. It also has care coordinators and care teams to help you manage all your providers and services. They all work together to provide the care you need.

Blue Cross Community MMAI was approved by the State of Illinois and the Centers for Medicare & Medicaid Services (CMS) to provide you services as part of the Medicare-Medicaid Alignment Initiative.

The Medicare-Medicaid Alignment Initiative is a demonstration program jointly run by Illinois and the federal government to provide better health care for people who have both Medicare and Medicaid. Under this demonstration, the state and federal government want to test new ways to improve how you get your Medicare and Medicaid health care services.

B. Information about Medicare and Medicaid

B1. Medicare

Medicare is the federal health insurance program for:

- People 65 years of age or older,
- Some people under age 65 with certain disabilities, and
- People with end-stage renal disease (kidney failure).

B2. Medicaid

Medicaid is a program run by the federal government and the state that helps people with limited incomes and resources pay for long-term services and supports and medical costs. It covers extra services and drugs not covered by Medicare.

Each state decides:

- what counts as income and resources,
- who qualifies,
- what services are covered, **and**
- the cost for services.

States can decide how to run their programs, as long as they follow the federal rules.

Medicare and Illinois must approve Blue Cross Community MMAI each year. You can get Medicare and Medicaid services through our plan as long as:

- we choose to offer the plan, **and**
- Medicare and the State of Illinois approve the plan.

If you have questions, please call Blue Cross Community MMAI Member Services at **1-877-723-7702 (TTY: 711)**. We are available seven (7) days a week. Our call center is open Monday-Friday 8:00 a.m. – 8:00 p.m. Central time. On weekends and Federal holidays, voice messaging is available. If you leave a voice message, a Member Services representative will return your call no later than the next business day. The call is free. **For more information, visit bcbsil.com/mmai.**

Even if our plan stops operating in the future, your eligibility for Medicare and Medicaid services will not be affected.

C. Advantages of this plan

You will now get all your covered Medicare and Medicaid services from Blue Cross Community MMAI, including prescription drugs. **You do not pay extra to join this health plan.**

Blue Cross Community MMAI will help make your Medicare and Medicaid benefits work better together and work better for you. Some of the advantages include:

- You will be able to work with **one** health plan for **all** of your health insurance needs.
- You will have a care team that you helped put together. Your care team may include doctors, nurses, counselors, or other health professionals who are there to help you get the care you need.
- You will have a care coordinator. This is a person who works with you, with Blue Cross Community MMAI, and with your care providers to make sure you get the care you need.
- You will be able to direct your own care with help from your care team and care coordinator.
- The care team and care coordinator will work with you to come up with a care plan specifically designed to meet your health needs. The care team will be in charge of coordinating the services you need. This means, for example:
 - Your care team will make sure your doctors know about all medicines you take so they can reduce any side effects.
 - Your care team will make sure your test results are shared with all your doctors and other providers.

D. Blue Cross Community MMAI's service area

Our service area includes all counties in Illinois, except Champaign and Massac county.

Only people who live in our service area can get Blue Cross Community MMAI.

If you move outside of our service area, you cannot stay in this plan. Refer to Chapter 8, Section I, for more information about the effects of moving out of our service area.

E. What makes you eligible to be a plan member

You are eligible for our plan as long as:

- you live in our service area (incarcerated individuals are not considered living in the geographic service area even if they are physically located in it.), **and**
- you have both Medicare Part A and Medicare Part B, **and**
- you are eligible for Medicaid, **and**

If you have questions, please call Blue Cross Community MMAI Member Services at **1-877-723-7702 (TTY: 711)**. We are available seven (7) days a week. Our call center is open Monday-Friday 8:00 a.m. – 8:00 p.m. Central time. On weekends and Federal holidays, voice messaging is available. - you are age 21 and older at the time of enrollment, **and**

- if you meet all other Demonstration criteria and are in one of the following Medicaid 1915(c) waivers:
 - Persons who are Elderly;
 - Persons with Disabilities;
 - Persons with HIV/AIDS;
 - Persons with Brain Injury; **or**
 - Persons residing in Supportive Living Facilities.

F. What to expect when you first join a health plan

When you first join the plan, you will get a health risk assessment within the first 90 days.

The Health Risk Assessment (HRA) is completed annually with a health expert from the plan. It is done in person or on the phone. During the HRA, the interviewer will:

- Review your personal information.
- Tell you how to find a PCP or specialist.
- Tell you how to contact your care coordinator.
- Let you know if you will have a home or long-term care facility visit.
- Give you a more detailed health assessment if needed.

If this is your first time in a Medicare-Medicaid Plan, you can keep using the doctors you use now for 180 days. **If you changed to Blue Cross Community MMAI from a different Medicare-Medicaid Plan**, you can keep using the doctors you use now for 90 days.

The State of Illinois says that your health plan must let you keep seeing your doctor for at least 90 days after joining the plan if your doctor is not part of the health plan's network. Blue Cross Community MMAI gives you 180 days to keep seeing your doctor.

After 180 days, you will need to use doctors and other providers in the Blue Cross Community MMAI network. A network provider is a provider who works with the health plan. Refer to Chapter 3, Section D, for more information on getting care.

G. Your care plan

Your care plan is the plan for what medical, behavioral, long-term services and supports, social and functional services you will get and how you will get them.

If you have questions, please call Blue Cross Community MMAI Member Services at **1-877-723-7702 (TTY: 711)**. We are available seven (7) days a week. Our call center is open Monday-Friday 8:00 a.m. – 8:00 p.m. Central time. On weekends and Federal holidays, voice messaging is available. If you leave a voice message, a Member Services representative will return your call no later than the next business day. The call is free. **For more information**, visit **bcbsil.com/mmai**.

After your health risk assessment, your care team will meet with you to talk about what services you need and want. Together, you and your care team will make your care plan.

Every year, your care team will work with you to update your care plan if the services you need and want change.

If you are getting Home and Community-Based Waiver services, you will also have a service plan. The service plan lists the services you will get and how often you will get them. This service plan will become part of your overall care plan.

H. Blue Cross Community MMAI monthly plan premium

Blue Cross Community MMAI does not have a monthly plan premium.

I. The *Member Handbook*

This *Member Handbook* is part of our contract with you. This means that we must follow all of the rules in this document. If you think we have done something that goes against these rules, you may be able to appeal, or challenge, our action. For information about how to appeal, refer to Chapter 9, Section D, or call **1-800-MEDICARE (1-800-633-4227)**.

You can ask for a *Member Handbook* by calling Member Services at **1-877-723-7702 (TTY 711)**. You can also refer to the *Member Handbook* at bcbsil.com/mmai or download it from this website.

The contract is in effect for the months you are enrolled in Blue Cross Community MMAI between January 1, 2023 and December 31, 2023.

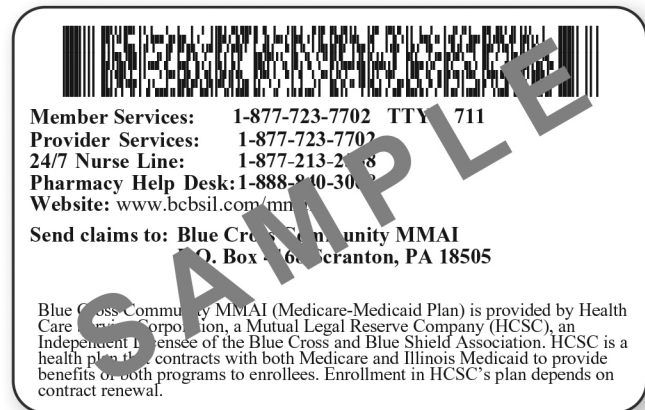

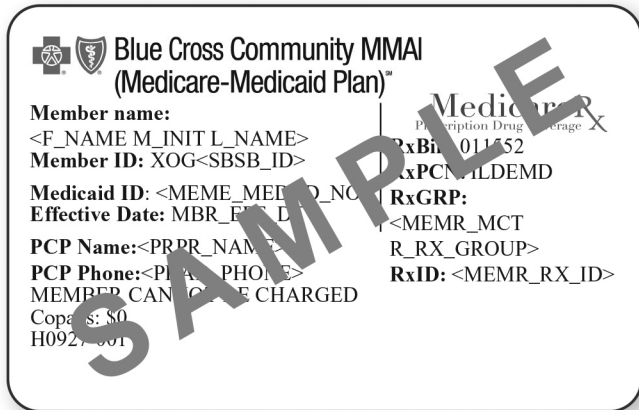

J. Other information you will get from us

You should have already gotten a Blue Cross Community MMAI Member ID Card, information about how to access a *Provider and Pharmacy Directory* and information about how to access a *List of Covered Drugs*.

J1. Your Blue Cross Community MMAI Member ID Card

Under our plan, you will have one card for your Medicare and Medicaid services, including long-term services and supports and prescriptions. You must show this card when you get any services or prescriptions. Here's a sample card to show you what yours will look like:

If you have questions, please call Blue Cross Community MMAI Member Services at **1-877-723-7702 (TTY: 711)**. We are available seven (7) days a week. Our call center is open Monday-Friday 8:00 a.m. – 8:00 p.m. Central time. On weekends and Federal holidays, voice messaging is available. If you leave a voice message, a Member Services representative will return your call no later than the next business day. The call is free. **For more information**, visit bcbsil.com/mmai.

If your card is damaged, lost, or stolen, call Member Services right away and we will send you a new card.

As long as you are a member of our plan, you do not need to use your red, white, and blue Medicare card or your Medicaid card to get services. Keep those cards in a safe place, in case you need them later. If you show your Medicare card instead of your Blue Cross Community MMAI Member ID Card, the provider may bill Medicare instead of our plan, and you may get a bill. Refer to Chapter 7, Section A, to find out what to do if you get a bill from a provider.

J2. Provider and Pharmacy Directory

The *Provider and Pharmacy Directory* lists the providers and pharmacies in the Blue Cross Community MMAI network. While you are a member of our plan, you must use network providers to get covered services. There are some exceptions when you first join our plan (refer to page 31).

You can ask for a *Provider and Pharmacy Directory* by calling Member Services at **1-877-723-7702** (TTY: **711**). We are available seven (7) days a week. Our call center is open Monday-Friday 8:00 a.m. – 8:00 p.m. Central time. On weekends and Federal holidays, voice messaging is available. If you leave a voice message, a Member Services representative will return your call no later than the next business day. The call is free. You can also refer to the *Provider and Pharmacy Directory* at bcbsil.com/mmai or download it from this website.

The directory includes hospitals, primary care providers and other types of providers participating in the Blue Cross Community MMAI. The table of contents describes each section included in the *Provider and Pharmacy Directory*, and each section is organized alphabetically by county. Within each county, the city and/or physician names are listed in alphabetical order along with the address and phone number. For the most updated provider information, please visit our Provider Finder at bcbsil.com/mmai.

J3. List of Covered Drugs

The plan has a *List of Covered Drugs*. We call it the "Drug List" for short. It tells which prescription drugs are covered by Blue Cross Community MMAI.

The Drug List also tells you if there are any rules or restrictions on any drugs, such as a limit on the amount you can get. Refer to Chapter 5, Section C, for more information on these rules and restrictions.

Each year, we will send you information about how to access a copy of the Drug List, but some changes may occur during the year. To get the most up-to-date information about which drugs are covered, visit bcbsil.com/mmai or call Member Services at **1-877-723-7702** (TTY: **711**). We are available seven (7) days a week. J4. The *Explanation of Benefits*

When you use your Part D prescription drug benefits, we will send you a summary report to help you understand and keep track of payments for your Part D prescription drugs. This summary report is called the *Explanation of Benefits* (or EOB).

The EOB tells you the total amount you, or others on your behalf, have spent on your Part D prescription drugs and the total amount we have paid for each of your Part D prescription drugs during the month. The EOB has more information about the drugs you take. Chapter 6 gives more information about the EOB and how it can help you keep track of your drug coverage.

An EOB is also available when you ask for one. To get a copy, contact Member Services.

You can also sign up to receive the Part D Explanation of Benefits summary online instead of by mail.

- To sign up, log onto **MyPrime.com**.
- Click on the drop down arrow next to your name.
- Select Communication Preferences.
- Check the Email box.
- Click Save.

Once you have selected paperless statements, we'll send you an email message when you have a Medicare Part D EOB available for review online. You will no longer receive this statement in the mail. If you change your mind and want to receive your EOB by mail again, you can update your communication preference at **MyPrime.com**. **MyPrime.com** is a pharmacy benefit website owned and operated by Prime Therapeutic LLC, a separate company providing pharmacy benefit management services.

A. Information about "services," "covered services," "providers," and "network providers"

Services are health care, long-term services and supports, supplies, behavioral health, prescription and over-the-counter drugs, equipment and other services. Covered services are any of these services that our plan pays for. Covered health care and long-term services and supports are listed in the Benefits Chart in Chapter 4, Section D.

Providers are doctors, nurses, specialists and other people who give you services and care. The term providers also includes hospitals, home health agencies, clinics, and other places that give you health care services, medical equipment, and long-term services and supports.

Network providers are providers who work with the health plan. These providers have agreed to accept our payment as full payment. Network providers bill us directly for care they give you. When you use a network provider, you usually pay nothing for covered services.

B. Rules for getting your health care, behavioral health, and long-term services and supports (LTSS) covered by the plan

Blue Cross Community MMAI covers all services covered by Medicare and Medicaid. This includes medical, behavioral health, and long-term services and supports.

Blue Cross Community MMAI will generally pay for the health care and services you get if you follow plan rules. To be covered by our plan:

- The care you get must be a **plan benefit**. This means that it must be included in the plan's Benefits Chart. (The chart is in Chapter 4, Section D, of this handbook).
- The care must be **medically necessary**. Medically necessary means you need services to prevent, diagnose, or treat your medical condition or to maintain your current health status. It also means the services, supplies, or drugs meet accepted standards of medical practice or are otherwise necessary under current Medicare or Illinois Medicaid coverage rules.
- You must have a network **primary care provider (PCP)** who has ordered the care or has told you to use another doctor. As a plan member, you must choose a network provider to be your PCP.
 - In most cases, your network PCP must give you approval before you can see someone that is not your PCP or use other providers in the plan's network. This is called a **referral**. If you don't get approval, Blue Cross Community MMAI may not cover the services. You don't need a referral to use certain specialists, such as women's health specialists. To learn more about referrals, refer to page 36.
 - You do not need a referral from your PCP for emergency care or urgently needed care or to use a woman's health provider. You can get other kinds of care without having a referral from your PCP. To learn more about this, refer to page 34.
 - To learn more about choosing a PCP, refer to page 34.

If you have questions, please call Blue Cross Community MMAI Member Services at **1-877-723-7702 (TTY: 711)**. We are available seven (7) days a week. Our call center is open Monday-Friday 8:00 a.m. – 8:00 p.m. Central time. On weekends and Federal holidays, voice messaging is available. If you leave a voice message, a Member Services representative will return your call no later than the next business day. The call is free. **For more information, visit bcbsil.com/mmai.**

- **NOTE:** If this is your first time in a Medicare-Medicaid Plan, you may continue to use your current providers for the first 180 days with our plan, at no cost, if they are not a part of our network. If you changed to Blue Cross Community MMAI from a different Medicare-Medicaid Plan, you may continue to use your current providers for the first 90 days with our plan, at no cost, if they are not a part of our network. During the transition time, our care coordinator will contact you to help you find providers in our network. After that time, we will no longer cover your care if you continue to use out-of-network providers.
- **You must get your care from network providers.** Usually, the plan will not cover care from a provider who does not work with the health plan. Here are some cases when this rule does not apply:
 - The plan covers emergency or urgently needed care from an out-of-network provider. To learn more and to find out what emergency or urgently needed care means, refer to Section I, page 40.
 - If you need care that our plan covers and our network providers cannot give it to you, you can get the care from an out-of-network provider. Our plan requires authorization for you to get the care from an out-of-network provider; please work with your PCP and contact Member Services to start this process. You or your PCP can start this process. In this situation, we will cover the care as if you got it from a network provider. To learn about getting approval to use an out-of-network provider, refer to Section D, page 37.
 - The plan covers kidney dialysis services when you are outside the plan's service area or when your provider for this service is unavailable or inaccessible for a short time. You can get these services at a Medicare-certified dialysis facility.
 - When you first join the plan, you can continue using the providers you use now for 180 days.

C. Information about your care coordinator

Everyone on your health care team works together to make sure you get the health care you need. You have a care coordinator who will assist you in directing your care and an Interdisciplinary Care Team that works closely with your main caregiver to make sure that needed social and behavioral health services are included in your care plan.

Complex Case Management

We offer a special Complex Case Management program for members that have very complicated illnesses such as kidney disease, depression or substance use disorder. If you qualify, you will receive targeted outreach by a Care Coordinator that specializes in helping members with these complex conditions. You will work with the Care Coordinator to develop specific goals aimed at improving your overall health.

You can access the member web portal at <https://members.hcsc.net/wps/portal/bam>. Members with moderate levels of risk are contacted by a Care Coordinator that specializes in the management of that condition. If you are enrolled in the program, you will work with your Care Coordinator to develop specific goals with the purpose of improving your overall health.

Your Care Coordinator supports you by:

- Education and materials related to your diagnosis
- Assisting you with understanding and obtaining medications
- Education regarding available benefits that would improve your health outcomes
- Referrals to community programs and resources for improving access to healthy foods and community exercise programs

D. Care from primary care providers, specialists, other network providers, and out-of-network providers

D1. Care from a primary care provider

You must choose a primary care provider (PCP) to provide and manage your care.

Definition of "PCP," and what a PCP does for you

A PCP is a doctor who gives you routine health care. Your PCP:

- Will keep your medical records and get to know your health needs over time.
- Will provide prior authorization if you need to see an out-of-network provider for non-emergency services.
- Has signed a special Medical Service agreement with Blue Cross and Blue Shield of Illinois.

Your PCP is the most important person to help you with your health care needs. This is who you will go to first when you are sick or need a checkup. You and your PCP should work as a team to take care of your health. You should be able to talk to your PCP about all of your health care needs.

What types of providers may act as a PCP?

Your PCP could be a doctor specializing in Internal Medicine, Family Practice or Geriatrics. If you are a woman, you may select a Woman's Health Care Provider, such as a Gynecologist or Obstetrician/Gynecologist (OB/GYN), as your PCP.

The role of a PCP in:

- Coordinating covered services: Your PCP is responsible for handling all of your health care needs. They will provide most of your care and will help you arrange the rest of the covered services you get as a member of the Blue Cross Community MMAI Plan.
- Making decisions about or obtaining or getting prior authorization (PA): Certain services require prior authorization. This means you get approval in advance. If your PCP finds that authorization is needed, they will handle the process.

If you have questions, please call Blue Cross Community MMAI Member Services at **1-877-723-7702** (TTY: **711**). We are available seven (7) days a week. Our call center is open Monday-Friday 8:00 a.m. – 8:00 p.m. Central time. On weekends and Federal holidays, voice messaging is available. If you leave a voice message, a Member Services representative will return your call no later than the next business day. The call is free. **For more information**, visit **bcbsil.com/mmai**.

Chapter 3: Using the plan's coverage for your health care and other covered services

- When a clinic can be your primary care provider: A clinic is sometimes known as a Federal Qualified Health Center (FQHC), Primary Care Medical Home (PCMH) or Rural Health Clinic (RHC). This is a health care setting that teams up with a patient, his or her personal doctor, and when suitable, the patient's family. Patients get care when and where they need and want it in a manner that respects their culture and language.

Your choice of PCP

You can choose your PCP when you enroll in Blue Cross Community MMAI. If you want to see a certain specialist or go to a specific hospital, check first to be sure the specialist or hospital is in network. If not, your PCP will need to request prior authorization. To choose a PCP, go to the list of doctors in your Blue Cross Community MMAI 2023 *Provider and Pharmacy Directory* and:

- Choose a doctor that you use now, or
- Choose a doctor who has been supported by someone you trust, or
- Choose a doctor whose offices are easy for you to get to.

Option to change your PCP

You may change your PCP for any reason, at any time during the year. Also, it's possible that your PCP might leave our plan's network. We can help you find a new PCP if the new one you have now leaves our network.

To change your PCP, just call Member Services at **1-877-723-7702** (TTY: **711**). We are available seven (7) days a week. Our call center is open Monday-Friday 8:00 a.m. – 8:00 p.m. Central time. On weekends and Federal holidays, voice messaging is available. If you leave a voice message, a Member Services representative will return your call no later than the next business day. We have free translation for members who do not speak English.

- If you ask us to change your PCP anytime during the month, you may see your new PCP the first calendar day of the next month. For example: If you call on April 13, you may see your new PCP on or after May 1.
- Please get care from your current PCP until the change takes place. If your PCP or another provider that you see often leaves our network, we will send you a letter at least 30 days before the PCP leaves to let you know. To choose a new provider, look in the *Provider and Pharmacy Directory*, call Member Services or go to the online provider directory at **bcbsil.com/mmai**.
- We will let you know when the change will happen. We will also send you a new ID card showing the change.

Services you can get without first getting approval from your PCP

In most cases, you will need approval from your PCP before using other providers. This approval is called a referral. You can get services like the ones listed below without first getting approval from your PCP:

- Emergency services from network providers or out-of-network providers.

If you have questions, please call Blue Cross Community MMAI Member Services at **1-877-723-7702** (TTY: **711**). We are available seven (7) days a week. Our call center is open Monday-Friday 8:00 a.m. – 8:00 p.m. Central time. On weekends and Federal holidays, voice messaging is available. If you leave a voice message, a Member Services representative will return your call no later than the next business day. The call is free. **For more information, visit bcbsil.com/mmai.**

- Urgently needed care from network providers.
- Urgently needed care from out-of-network providers when you can't get to network providers (for example, when you are outside the plan's service area or you need immediate care during the weekend).

NOTE: Services must be immediately needed and medically necessary.

- Kidney dialysis services that you get at a Medicare-certified dialysis facility when you are outside the plan's service area. (Please call Member Services before you leave the service area. We can help you get dialysis while you are away.)
- Flu shots and COVID-19 vaccinations, as well as hepatitis B vaccinations, and pneumonia vaccinations, as long as you get them from a network provider.
- Routine women's health care and family planning services. This includes breast exams, screening mammograms (x-rays of the breast), Pap tests, and pelvic exams as long as you get them from a network provider.
- Additionally, if you are eligible to get services from Indian health providers, you may use these providers without a referral.

D2. Care from specialists and other network providers

A specialist is a doctor who provides health care for a specific disease or part of the body. There are many kinds of specialists. Here are a few examples:

- Oncologists care for patients with cancer.
- Cardiologists care for patients with heart problems.
- Orthopedists care for patients with bone, joint, or muscle problems.

The role of the PCP in referring members to specialists and other providers

If your PCP thinks you need to see a specialist or other provider, they will refer you. Your PCP will usually refer you to a provider that they have worked with before. You may also go see a specialist that is in our network without prior authorization. Keep in mind that services or supplies not listed as covered (see Chapter 4) will not be covered – even if they are ordered by your PCP.

The process for getting prior authorization

Prior Authorization is when you or your provider get our plan's approval for specific services or drugs. You or your provider can start this by contacting Member Services.

Who is responsible for getting the prior authorization?

Your PCP will handle the prior authorization process.

How do I know if I need a prior authorization?

If you have questions, please call Blue Cross Community MMAI Member Services at **1-877-723-7702 (TTY: 711)**. We are available seven (7) days a week. Our call center is open Monday-Friday 8:00 a.m. – 8:00 p.m. Central time. On weekends and Federal holidays, voice messaging is available. If you leave a voice message, a Member Services representative will return your call no later than the next business day. The call is free. **For more information**, visit **bcbsil.com/mmai**.

Please see the Benefits Chart in Chapter 4, Section D for information about which services require prior authorization. Your PCP will handle the prior authorization process.

D3. What to do when a network provider leaves our plan

A network provider you are using might leave our plan.

- If a network provider you are using leaves our plan, we will notify you in writing by mail. We will also call you to see if you need help selecting a new PCP.
- If your provider leaves the plan's network, we will allow a transition period of 90 days from date of notice if you have an ongoing course of treatment or are in your third trimester of pregnancy, including postpartum care.

If one of your providers does leave our plan, you have certain rights and protections that are summarized below:

- Even though our network of providers may change during the year, we must give you uninterrupted access to qualified providers.
- We will make a good faith effort to give you at least 60 days' notice so that you have time to select a new provider.
- We will help you select a new qualified provider to continue managing your health care needs.
- If you are undergoing medical treatment, you have the right to ask that the medically necessary treatment you are getting is not interrupted. We will work with you to ensure you continue getting the treatment you need.
- If we cannot find a qualified network specialist accessible to you, we must arrange an out-of-network specialist to provide your care.
- If you believe we have not replaced your previous provider with a qualified provider or that your care is not being appropriately managed, you have the right to file an appeal of our decision. Refer to Chapter 9 for information about making an appeal.

If you find out one of your providers is leaving our plan, please contact us so we can assist you in finding a new provider and managing your care. If you have questions, please call Blue Cross Community MMAI Member Services at **1-877-723-7702** (TTY: **711**). We are available seven (7) days a week. Our call center is open Monday-Friday 8:00 a.m. – 8:00 p.m. Central time. On weekends and Federal holidays, voice messaging is available. If you leave a voice message, a Member Services representative will return your call no later than the next business day. The call is free.

D4. How to get care from out-of-network providers

If you choose to go to a doctor outside of our network, you must pay for these services yourself. Neither the plan nor the Original Medicare plan will pay for these services except in limited situations (such as but not limited to, emergency care). If you need a type of service that cannot be provided

by an in-network provider, you must obtain prior authorization before getting the service. Your PCP or in-network specialist or other provider will need to contact Blue Cross Community MMAI to obtain prior authorization. Out of network renal dialysis services does not require a prior authorization, however providers must be Medicare certified providers.

If you go to an out-of-network provider, the provider must be eligible to participate in Medicare and/or Medicaid.

- We cannot pay a provider who is not eligible to participate in Medicare and/or Medicaid.
- If you go to a provider who is not eligible to participate in Medicare, you must pay the full cost of the services you get.
- Providers must tell you if they are not eligible to participate in Medicare.
- A provider must be enrolled as an Illinois Medicaid Provider to get paid for any Medicaid services they provide to you.

E. How to get long-term services and supports (LTSS)

Long-term services and supports (LTSS) are for people who need help to do everyday tasks. Most of these services are provided at your home or in your community but could be provided in a nursing home. For more information about LTSS services, please reach out to your Care Coordinator.

F. How to get behavioral health services

Behavioral health services support mental health and substance abuse treatment needs you may have.

This can include medication, counseling (therapy), social support and education. This care may be given in a community setting, day program or a doctor's office, or in another place that is easier for you, like your home.

Please see the Benefits Chart in Chapter 4, Section D, for more information as well as the list of what you will need to get pre-approval for covered behavioral health care.

How do you get behavioral health services?

- Call Member Services to find an in-network provider near you.
- You can talk about accessing behavioral health services with your Care Coordinator and other members of your Care Team. The Care Coordinator will support you in finding help in the area and help you schedule appointments or screenings.
- Your Care Team may also include health outreach workers (community health workers or recovery support assistants) or other mental health experts to make sure that you have all the support you need to improve overall wellness.

Most outpatient mental health care does not call for pre-approval, but some do. Your Care Team will help you with any needed pre-approval. If you need any help, please call Member Services at

G. How to get self-directed care

G1. What self-directed care is

As a Member of the Blue Cross Community MMAI plan, you may be eligible to self-direct and manage some of your services.

For example, you and your Interdisciplinary Care Team, as part of your Individual Care Plan process, may decide you need a Personal Assistant (PA). The Self-Directed Care Program allows you to hire and manage your PA. This includes overseeing your PA duties and signing his/her time sheet.

You will have an active part in writing and revising your plan of care and services.

The process works like this:

1. You will receive a call for a health assessment.
2. After the health assessment, you will be given a Care Coordinator.
3. You and your Care Coordinator will design your care plan and determine the services you need (PA, meal delivery, equipment needs) based on your health assessment.
4. Your Care Coordinator will explain self-direction and how the process works.

G2. Who can get self-directed care

Self-directed care is limited to Blue Cross Community MMAI members who are enrolled in a specific home and community based waiver program.

G3. How to get help in employing personal care providers

If you have questions about self-directed care or employing personal care providers, please call Blue Cross Community MMAI Member Services at **1-877-723-7702 (TTY: 711)**. H. How to get transportation services

You may be able to get transportation to and from your doctors' office or health care facility. Trips must be for medical reasons only.

Covered Services

The plan offers rides when you have no other way to get to:

- A doctor's visit
- A visit with other health care providers
- A dental visit
- A pharmacy after a provider visit
- Dialysis treatment

Services Not Covered

The plan does not cover rides:

- For non-medical reasons
- To see a provider who is more than 40 miles from where you live (without special approval)
- To see a provider who is outside of our network (without special approval)

If you need a ride to the doctor, please call Member Services at 1-877-723-7702 (TTY: 711) at least 72 hours before your appointment. Call 911 if you need emergency transportation. You do not need prior approval in an emergency.

I. How to get covered services when you have a medical emergency or urgent need for care, or during a disaster

I1. Care when you have a medical emergency

Definition of a medical emergency

A medical emergency is a medical condition with symptoms such as severe pain or serious injury. The condition is so serious that, if it doesn't get immediate medical attention, you or anyone with an average knowledge of health and medicine could expect it to result in:

- serious risk to your health or to that of your unborn child; **or**
- serious harm to bodily functions; **or**
- serious dysfunction of any bodily organ or part; **or**
- in the case of a pregnant woman in active labor, when:
 - there is not enough time to safely transfer you to another hospital before delivery.
 - a transfer to another hospital may pose a threat to your health or safety or to that of your unborn child.

If you have questions, please call Blue Cross Community MMAI Member Services at **1-877-723-7702 (TTY: 711)**. We are available seven (7) days a week. Our call center is open Monday-Friday 8:00 a.m. – 8:00 p.m. Central time. On weekends and Federal holidays, voice messaging is available. If you leave a voice message, a Member Services representative will return your call no later than the next business day. The call is free. **For more information**, visit bcbsil.com/mmai.

What to do if you have a medical emergency

If you have a medical emergency:

- **Get help as fast as possible.** Call 911 or use the nearest emergency room or hospital. Call for an ambulance if you need it. You do *not* need to get approval or a referral first from your PCP. You do not need to use a network provider. You may get emergency medical care whenever you need it, anywhere in the U.S. or its territories from any provider with an appropriate state license.
- **As soon as possible, make sure that you tell our plan about your emergency.** We need to follow up on your emergency care. You or someone else should call to tell us about your emergency care, usually within 48 hours. However, you will not have to pay for emergency services because of a delay in telling us. Please call **1-877-723-7702 (TTY:711)**. We are available seven (7) days a week. Our call center is open Monday-Friday 8:00 a.m. – 8:00 p.m. Central time. On weekends and Federal holidays, voice messaging is available. If you leave a voice message, a Member Services representative will return your call no later than the next business day. The call is free.

Covered services in a medical emergency

Medicare and Medicaid do not provide coverage for emergency medical care outside the United States and its territories.

You may get covered emergency care whenever you need it, anywhere in the United States or its territories. If you need an ambulance to get to the emergency room, our plan covers that. To learn more, refer to the Benefits Chart in Chapter 4, Section D.

The providers who give emergency care decide when your condition is stable and the medical emergency is over. They will continue to treat you and will contact us to make plans if you need follow-up care to get better.

After the emergency is over, you may need follow-up care to be sure you get better. Your follow-up care will be covered by our plan. If you get your emergency care from out-of-network providers, we will try to get network providers to take over your care as soon as possible.

What to do if you have a behavioral health emergency

The Behavioral Health Crisis Line is a twenty-four (24) hour crisis intervention and stabilization service. Any member having a psychiatric or behavioral health crisis can call the Behavioral Health Crisis Line. A Behavioral Health Crisis Line worker is sent to provide a face-to-face screening. These workers are qualified mental health professionals.

Getting emergency care if it wasn't an emergency

If you have questions, please call Blue Cross Community MMAI Member Services at **1-877-723-7702 (TTY: 711)**. We are available seven (7) days a week. Our call center is open Monday-Friday 8:00 a.m. – 8:00 p.m. Central time. On weekends and Federal holidays, voice messaging is available. If you leave a voice message, a Member Services representative will return your call no later than the next business day. The call is free. **For more information, visit bcbsil.com/mmai.**

Sometimes it can be hard to know if you have a medical or behavioral health emergency. You might go in for emergency care and have the doctor say it wasn't really a medical emergency. As long as you reasonably thought your health was in serious danger, we will cover your care.

However, after the doctor says it was not an emergency, we will cover your additional care *only* if:

- you go to a network provider, **or**
- the additional care you get is considered "urgently needed care" and you follow the rules for getting this care. (Refer to the next section.)

12. Urgently needed care

Definition of urgently needed care

Urgently needed care is care you get for a sudden illness, injury, or condition that isn't an emergency but needs care right away. For example, you might have a flare-up of an existing condition and need to have it treated.

Urgently needed care when you are in the plan's service area

In most situations, we will cover urgently needed care *only* if:

- you get this care from a network provider, **and**
- you follow the other rules described in this chapter.

However, if you can't get to a network provider, we will cover urgently needed care you get from an out-of-network provider.

You may go to any urgent care center if you believe you need urgent care. If you are within the plan's service area, call your PCP's Medical Group at the number on your member ID card for help on how to get urgent care. If you don't have an ID card, call Member Services at **1-877-723-7702** (TTY: **711**). We are available seven (7) days a week. Our call center is open Monday-Friday 8:00 a.m. – 8:00 p.m. Central time. On weekends and Federal holidays, voice messaging is available. If you leave a voice message, a Member Services representative will return your call no later than the next business day. The call is free.

You may also utilize Blue Cross Community MMAI's telehealth services offered through MDLIVE. Members will need to complete registration and be directed to complete a medical questionnaire upon first visit to the MDLIVE portal. Please contact MDLIVE at **1-888-680-8646** or visit the MDLIVE website at **mdlive.com**. Access to telehealth service can be completed through computer, tablet, smartphone, traditional phone and can include web-based video.

Urgently needed care when you are outside the plan's service area

When you are outside the plan's service area, you might not be able to get care from a network provider. In that case, our plan will cover urgently needed care you get from any provider.

If you have questions, please call Blue Cross Community MMAI Member Services at **1-877-723-7702** (TTY: **711**). We are available seven (7) days a week. Our call center is open Monday-Friday 8:00 a.m. – 8:00 p.m. Central time. On weekends and Federal holidays, voice messaging is available. If you leave a voice message, a Member Services representative will return your call no later than the next business day. The call is free. **For more information**, visit **bcbsil.com/mmai**.

Our plan does not cover urgently needed care or any other non-emergency care that you get outside the United States.

I3. Care during a disaster

If the Governor of your state, the U.S. Secretary of Health and Human Services, or the President of the United States declares a state of disaster or emergency in your geographic area, you are still entitled to care from Blue Cross Community MMAI.

Please visit our website for information on how to obtain needed care during a declared disaster: **bcbsil.com/mmai**.

During a declared disaster, if you cannot use a network provider, we will allow you to get care from out-of-network providers at no cost to you. If you cannot use a network pharmacy during a declared disaster, you will be able to fill your prescription drugs at an out-of-network pharmacy. Please refer to Chapter 5, Section A8, for more information.

J. What to do if you are billed directly for services covered by our plan

If a provider sends you a bill instead of sending it to the plan, you can ask us to pay the bill.

You should not pay the bill yourself. If you do, the plan may not be able to pay you back.

If you have paid for your covered services or if you have gotten a bill for covered medical services, refer to Chapter 7 to learn what to do.

J1. What to do if services are not covered by our plan

Blue Cross Community MMAI covers all services:

- that are medically necessary, **and**
- that are listed in the plan's Benefits Chart (refer to Chapter 4, Section D), **and**
- that you get by following plan rules.

If you get services that aren't covered by our plan, **you must pay the full cost yourself.**

If you want to know if we will pay for any medical service or care, you have the right to ask us. If we say we will not pay for your services, you have the right to appeal our decision.

Chapter 9 explains what to do if you want the plan to cover a medical item or service. It also tells you how to appeal the plan's coverage decision. You may also call Member Services to learn more about your appeal rights.

We will pay for some services up to a certain limit. If you go over the limit, you will have to pay the full cost to get more of that type of service. Call Member Services to find out what the limits are and how close you are to reaching them.

If you have questions, please call Blue Cross Community MMAI Member Services at **1-877-723-7702 (TTY: 711)**. We are available seven (7) days a week. Our call center is open Monday-Friday 8:00 a.m. – 8:00 p.m. Central time. On weekends and Federal holidays, voice messaging is available. If you leave a voice message, a Member Services representative will return your call no later than the next business day. The call is free. **For more information**, visit **bcbsil.com/mmai**.

K. Coverage of health care services covered when you are in a clinical research study?

K1. Definition of a clinical research study

A clinical research study (also called a *clinical trial*) is a way doctors test new types of health care or drugs. A clinical research study approved by Medicare typically asks for volunteers to be in the study.

Once Medicare approves a study you want to be in, someone who works on the study will contact you. That person will tell you about the study and find out if you qualify to be in it. You can be in the study as long as you meet the required conditions. You must also understand and accept what you must do for the study.

While you are in the study, you may stay enrolled in our plan. That way you continue to get care from our plan not related to the study.

If you want to participate in a Medicare-approved clinical research study, you do *not* need to tell us or get approval from us or your primary care provider. The providers that give you care as part of the study do *not* need to be network providers.

We encourage you to tell us before you start participating in a clinical research study. If you plan to be in a clinical research study, you or your care coordinator should contact Member Services to let us know you will be in a clinical trial.

K2. Payment for services when you are in a clinical research study

If you volunteer for a clinical research study that Medicare approves, you will pay nothing for the services covered under the study and Medicare will pay for services covered under the study as well as routine costs associated with your care. Once you join a Medicare-approved clinical research study, you are covered for most items and services you get as part of the study. This includes:

- Room and board for a hospital stay that Medicare would pay for even if you weren't in a study.
- An operation or other medical procedure that is part of the research study.
- Treatment of any side effects and complications of the new care.

If you are part of a study that Medicare has **not approved**, you will have to pay any costs for being in the study.

K3. Learning more about clinical research studies

You can learn more about joining a clinical research study by reading "Medicare & Clinical Research Studies" on the Medicare website (www.medicare.gov/Pubs/pdf/02226-Medicare-and-Clinical-Studies.pdf).

If you have questions, please call Blue Cross Community MMAI Member Services at **1-877-723-7702 (TTY: 711)**. We are available seven (7) days a week. Our call center is open Monday-Friday 8:00 a.m. – 8:00 p.m. Central time. On weekends and Federal holidays, voice messaging is available. L. How your health care services are covered when you get care in a religious non-medical health care institution

L1. Definition of a religious non-medical health care institution

A religious non-medical health care institution is a place that provides care you would normally get in a hospital or skilled nursing facility. If getting care in a hospital or a skilled nursing facility is against your religious beliefs, we will cover care in a religious non-medical health care institution.

This benefit is only for Medicare Part A inpatient services (non-medical health care services). Medicare will only pay for non-medical health care services provided by religious non-medical health care institutions.

L2. Getting care from a religious non-medical health care institution

To get care from a religious non-medical health care institution, you must sign a legal document that says you are against getting medical treatment that is "non-excepted."

- "Non-excepted" medical treatment is any care that is *voluntary* and *not required* by any federal, state, or local law.
- "Excepted" medical treatment is any care that is *not* voluntary and is *required* under federal, state, or local law.

To be covered by our plan, the care you get from a religious non-medical health care institution must meet the following conditions:

- The facility providing the care must be certified by Medicare.
- Our plan's coverage of services is limited to *non-religious* aspects of care.
- If you get services from this institution that are provided to you in a facility, the following applies:
 - You must have a medical condition that would allow you to get covered services for inpatient hospital care or skilled nursing facility care.

Medicare Inpatient Hospital coverage limits apply. Please refer to the plan's Benefits Chart (Chapter 4, Section D).

If you have questions, please call Blue Cross Community MMAI Member Services at **1-877-723-7702 (TTY: 711)**. We are available seven (7) days a week. Our call center is open Monday-Friday 8:00 a.m. – 8:00 p.m. Central time. On weekends and Federal holidays, voice messaging is available. If you leave a voice message, a Member Services representative will return your call no later than the next business day. The call is free. **For more information, visit bcbsil.com/mmai.**

M. Durable medical equipment (DME)

M1. DME as a member of our plan

DME includes certain items ordered by a provider such as wheelchairs, crutches, powered mattress systems, diabetic supplies, hospital beds ordered by a provider for use in the home, intravenous IV infusion pumps, speech generating devices, oxygen equipment and supplies, nebulizers, and walkers.

You will always own certain items, such as prosthetics.

In this section, we discuss DME you must rent. As a member of Blue Cross Community MMAI, you usually will not own the rented equipment, no matter how long you rent it.

In certain situations, we will transfer ownership of the DME item to you. Call Member Services to find out about the requirements you must meet and the papers you need to provide.

Even if you had the durable medical equipment for up to 12 months in a row under Medicare before you joined our plan, you will not own the equipment.

M2. DME ownership when you switch to Original Medicare or Medicare Advantage

In the Original Medicare program, people who rent certain types of DME own it after 13 months. In a Medicare Advantage plan, the plan can set the number of months people must rent certain types of DME before they own it.

NOTE: You can find definitions of Original Medicare and Medicare Advantage Plans in Chapter 12. You can also find more information about them in the *Medicare & You 2023* handbook. If you don't have a copy of this booklet, you can get it at the Medicare website (www.medicare.gov) or by calling **1-800-MEDICARE (1-800-633-4227)**, 24 hours a day, 7 days a week. TTY users should call **1-877-486-2048**.

You will have to make 13 payments in a row under Original Medicare or you will have to make the number of payments in a row set by the Medicare Advantage plan, to own the DME item if:

- you did not become the owner of the DME item while you were in our plan **and**
- you leave our plan and get your Medicare benefits through Original Medicare instead of a health plan.

If you made payments for the DME item under Original Medicare or a Medicare Advantage plan before you joined our plan, **those Original Medicare or Medicare Advantage plan payments do not count toward the 13 payments you need to make after leaving our plan.**

- You will have to make 13 new payments in a row under Original Medicare or a number of new payments in a row set by the Medicare Advantage plan to own the DME item.

If you have questions, please call Blue Cross Community MMAI Member Services at **1-877-723-7702 (TTY: 711)**. We are available seven (7) days a week. Our call center is open Monday-Friday 8:00 a.m. – 8:00 p.m. Central time. On weekends and Federal holidays, voice messaging is available. If you leave a voice message, a Member Services representative will return your call no later than the next business day. The call is free. **For more information, visit bcbsil.com/mmai.**

- There are no exceptions to this case when you return to Original Medicare or a Medicare Advantage plan.

M3. Oxygen equipment benefits as a member of our plan

If you qualify for oxygen equipment covered by Medicare and you are a member of our plan, we will cover the following:

- Rental of oxygen equipment
- Delivery of oxygen and oxygen contents
- Tubing and related accessories for the delivery of oxygen and oxygen contents
- Maintenance and repairs of oxygen equipment

Oxygen equipment must be returned to the owner when it's no longer medically necessary for you or if you leave our plan.

M4. Oxygen equipment when you switch to Original Medicare or Medicare Advantage

When oxygen equipment is medically necessary and **you leave our plan and switch to Original Medicare**, you will rent it from a supplier for 36 months. Your monthly rental payments cover the oxygen equipment and the supplies and services listed above.

If oxygen equipment is medically necessary **after you rent it for 36 months**:

- your supplier must provide the oxygen equipment, supplies, and services for another 24 months.
- your supplier must provide oxygen equipment and supplies for up to 5 years if medically necessary.

If oxygen equipment is still medically necessary **at the end of the 5-year period**:

- your supplier no longer has to provide it, and you may choose to get replacement equipment from any supplier.
- a new 5-year period begins.
- you will rent from a supplier for 36 months.
- your supplier must then provide the oxygen equipment, supplies, and services for another 24 months.
- a new cycle begins every 5 years as long as oxygen equipment is medically necessary.

When oxygen equipment is medically necessary and **you leave our plan and switch to a Medicare Advantage plan**, the plan will cover at least what Original Medicare covers. You can ask your Medicare Advantage plan what oxygen equipment and supplies it covers and what your costs will be.

If you have questions, please call Blue Cross Community MMAI Member Services at **1-877-723-7702 (TTY: 711)**. We are available seven (7) days a week. Our call center is open Monday-Friday 8:00 a.m. – 8:00 p.m. Central time. On weekends and Federal holidays, voice messaging is available. If you leave a voice message, a Member Services representative will return your call no later than the next business day. The call is free. **For more information, visit bcbsil.com/mmai.**

A. Your covered services

This chapter tells you what services Blue Cross Community MMAI covers. You can also learn about services that are not covered. Information about drug benefits is in Chapter 5. This chapter also explains limits on some services.

Because you get assistance from Medicaid, you pay nothing for your covered services as long as you follow the plan's rules. Refer to Chapter 3, Section B, for details about the plan's rules.

If you need help understanding what services are covered, call your Member Services at **1-877-723-7702 (TTY: 711)**. We are available seven (7) days a week. Our call center is open Monday-Friday 8:00 a.m. – 8:00 p.m. Central time. On weekends and Federal holidays, voice messaging is available. A1. During public health emergencies

For 2023, additional telehealth is available for behavioral health consultations/evaluations and urgent care services, such as the diagnosis and treatment of a variety of symptoms, i.e. allergies, fever, cough, headache and other low risk illnesses. The behavioral health and urgent care telehealth benefit is available through MD Live at no cost share.

B. Rules against providers charging you for services

We do not allow Blue Cross Community MMAI providers to bill you for covered services. We pay our providers directly, and we protect you from any charges. This is true even if we pay the provider less than the provider charges for a service.

You should never get a bill from a provider for covered services. If you do, refer to Chapter 7 Section A, or call Member Services.

C. Our plan's Benefits Chart

The Benefits Chart in Section D tells you which services the plan pays for. It lists categories of services in alphabetical order and explains the covered services. It is broken into two sections, General Services offered to all enrollees, and Home and Community-based Services offered to enrollees who qualify through a home and community-based services waiver program.

We will pay for the services listed in the Benefits Chart only when the following rules are met. You do not pay anything for the services listed in the Benefits Chart, as long as you meet the coverage requirements described below.

- Your Medicare and Medicaid covered services must be provided according to the rules set by Medicare and Medicaid.

If you have questions, please call Blue Cross Community MMAI Member Services at **1-877-723-7702 (TTY: 711)**. We are available seven (7) days a week. Our call center is open Monday-Friday 8:00 a.m. – 8:00 p.m. Central time. On weekends and Federal holidays, voice messaging is available. If you leave a voice message, a Member Services representative will return your call no later than the next business day. The call is free. **For more information, visit bcbsil.com/mmai.**

- The services (including medical care, services, supplies, equipment, and drugs) must be medically necessary. Medically necessary means you need services to prevent, diagnose, or treat your medical condition or to maintain your current health status. This includes care that keeps you from going into a hospital or nursing home. It also means the services, supplies, or drugs meet accepted standards of medical practice or are otherwise necessary under current Medicare or Illinois Medicaid coverage rules.
- You get your care from a network provider. A network provider is a provider who works with the health plan. In most cases, the plan will not pay for care you get from an out-of-network provider. Chapter 3, Section D, has more information about using network and out-of-network providers.
- You have a primary care provider (PCP) or a care team that is providing and managing your care. In most cases, your PCP must give you approval before you can use someone that is not your PCP or use other providers in the plan's network. This is called a referral. Chapter 3 has more information about getting a referral and explains when you do not need a referral.
- Some of the services listed in the Benefits Chart are covered only if your doctor or other network provider gets approval from us first. This is called *prior authorization*. Covered services that need prior authorization are marked in the Benefits Chart by an asterisk (*).
- All preventive services are free. You will find this apple  next to preventive services in the Benefits Chart.

F. Benefits covered outside of Blue Cross Community MMAI

The following services are not covered by Blue Cross Community MMAI but are available through Medicare.

F1. Hospice Care

You can get care from any hospice program certified by Medicare. You have the right to elect hospice if your provider and hospice medical director determine you have a terminal prognosis. This means you have a terminal illness and are expected to have six months or less to live. Your hospice doctor can be a network provider or an out-of-network provider.

Refer to the Benefits Chart in Section D of this chapter for more information about what Blue Cross Community MMAI pays for while you are getting hospice care services.

For hospice services and services covered by Medicare Part A or B that relate to your terminal prognosis:

- The hospice provider will bill Medicare for your services. Medicare will pay for hospice services related to your terminal prognosis. You pay nothing for these services.

For services covered by Medicare Part A or B that are not related to your terminal prognosis (except for emergency care or urgently needed care):

- The provider will bill Medicare for your services. Medicare will pay for the services covered by Medicare Part A or B. You pay nothing for these services.

For drugs that may be covered by Blue Cross Community MMAI's Medicare Part D benefit:

- Drugs are never covered by both hospice and our plan at the same time. For more information, please refer to Chapter 5, Section F.

Note: If you need non-hospice care, you should call your care coordinator to arrange the services. Non-hospice care is care that is not related to your terminal prognosis. You can reach your care coordinator by calling **1-877-723-7702** (TTY: **711**).

G. Benefits not covered by Blue Cross Community MMAI, Medicare, or Medicaid

This section tells you what kinds of benefits are excluded by the plan. Excluded means that the plan does not cover these benefits. Medicare and Medicaid will not pay for them either. The list below describes some services and items that are not covered by the plan under any conditions and some that are excluded by the plan only in some cases. The plan will not cover the excluded medical benefits listed in this section (or anywhere else in this *Member Handbook*) except under the specific conditions listed. If you think that we should cover a service that is not covered, you can file an appeal. For information about filing an appeal, refer to Chapter 9. In addition to any exclusions or limitations described in the Benefits Chart, **the following items and services are not covered by our plan:**

If you have questions, please call Blue Cross Community MMAI Member Services at **1-877-723-7702** (TTY: **711**). We are available seven (7) days a week. Our call center is open Monday-Friday 8:00 a.m. – 8:00 p.m. Central time. On weekends and Federal holidays, voice messaging is available. If you leave a voice message, a Member Services representative will return your call no later than the next business day. The call is free. **For more information, visit bcbsil.com/mmai.**

- Services considered not "reasonable and necessary," according to the standards of Medicare and Medicaid, unless these services are listed by our plan as covered services.
- Experimental medical and surgical treatments, items, and drugs, unless covered by Medicare or under a Medicare-approved clinical research study or by our plan. Refer to Chapter 3, Section K, for more information on clinical research studies. Experimental treatment and items are those that are not generally accepted by the medical community.
- Surgical treatment for morbid obesity, except when it is medically necessary and Medicare pays for it.
- A private room in a hospital, except when it is medically necessary.
- Private duty nurses.
- Personal items in your room at a hospital or a nursing facility, such as a telephone or a television.
- Full-time nursing care in your home.
- Elective or voluntary enhancement procedures or services (including weight loss, hair growth, sexual performance, athletic performance, cosmetic purposes, anti-aging and mental performance), except when medically necessary.
- Cosmetic surgery or other cosmetic work, unless it is needed because of an accidental injury or to improve a part of the body that is not shaped right. However, the plan will cover reconstruction of a breast after a mastectomy and for treating the other breast to match it.
- Chiropractic care, other than manual manipulation of the spine consistent with Medicare coverage guidelines.
- Radial keratotomy and LASIK surgery.
- Reversal of sterilization procedures
- Naturopath services (the use of natural or alternative treatments).
- Services provided to veterans in Veterans Affairs (VA) facilities. However, when a veteran gets emergency services at a VA hospital and the VA cost sharing is more than the cost sharing under our plan, we will reimburse the veteran for the difference. Members are still responsible for their cost sharing amounts.

Chapter 5: Getting your outpatient prescription drugs through the plan

Introduction

This chapter explains rules for getting your outpatient prescription drugs. These are drugs that your provider orders for you that you get from a pharmacy or by mail-order. They include drugs covered under Medicare Part D and Medicaid. Key terms and their definitions appear in alphabetical order in the last chapter of the *Member Handbook*.

Blue Cross Community MMAI also covers the following drugs, although they will not be discussed in this chapter:

- Drugs covered by Medicare Part A. These include some drugs given to you while you are in a hospital or nursing facility.
- Drugs covered by Medicare Part B. These include some chemotherapy drugs, some drug injections given to you during an office visit with a doctor or other provider, and drugs you are given at a dialysis clinic. To learn more about what Medicare Part B drugs are covered, refer to the Benefits Chart in Chapter 4, Section D.

Rules for the plan's outpatient drug coverage

The plan will usually cover your drugs as long as you follow the rules in this section.

1. You must have a doctor or other provider write your prescription, which must be valid under applicable state law. This person often is your primary care provider (PCP). It could also be another provider if your primary care provider has referred you for care.
2. Your prescriber must not be on Medicare's Exclusion or Preclusion Lists.
3. You generally must use a network pharmacy to fill your prescription.
4. Your prescribed drug must be on the plan's *List of Covered Drugs*. We call it the "Drug List" for short.
 - a. If it is not on the Drug List, we may be able to cover it by giving you an exception.
 - b. Refer to Chapter 9 to learn about asking for an exception.
5. Your drug must be used for a medically accepted indication. This means that the use of the drug is either approved by the Food and Drug Administration or supported by certain medical references. Drugs that are not approved by the Federal Food and Drug Administration (FDA) as a prescription drug are not covered. A drug maker must participate in the Medicare Coverage Gap Discount Program for the drugs to be covered.

If you have questions, please call Blue Cross Community MMAI Member Services at **1-877-723-7702 (TTY: 711)**. We are available seven (7) days a week. A. Getting your prescriptions filled

A1. Filling your prescription at a network pharmacy

In most cases, the plan will pay for prescriptions **only** if they are filled at the plan's network pharmacies. A network pharmacy is a drug store that has agreed to fill prescriptions for our plan members. You may go to any of our network pharmacies.

To find a network pharmacy, you can look in the *Provider and Pharmacy Directory*, visit our website, or contact Member Services.

A2. Using your Member ID Card when you fill a prescription

To fill your prescription, **show your Blue Cross Community MMAI Member ID Card** at your network pharmacy. The network pharmacy will bill Blue Cross Community MMAI for your covered prescription drug.

If you do not have your Member ID Card with you when you fill your prescription, ask the pharmacy to call the plan to get the necessary information.

If the pharmacy is not able to get the necessary information, you may have to pay the full cost of the prescription when you pick it up. You can then ask us to pay you back. If you cannot pay for the drug, contact Member Services right away. We will do what we can to help.

- To learn how to ask us to pay you back, refer to Chapter 7, Section A.
- If you need help getting a prescription filled, you can contact Member Services or your care coordinator.

A3. What to do if you change to a different network pharmacy

If you change pharmacies and need a refill of a prescription, you can either ask to have a new prescription written by a provider or ask your pharmacy to transfer the prescription to the new pharmacy if there are any refills left.

If you need help changing your network pharmacy, you can contact Member Services or your care coordinator.

A4. What to do if your pharmacy leaves the network

If the pharmacy you use leaves the plan's network, you will have to find a new network pharmacy. We will send you a letter if the pharmacy you are using leaves the network.

To find a new network pharmacy, you can look in the *Provider and Pharmacy Directory*, visit our website, or contact Member Services or your care coordinator.

If you have questions, please call Blue Cross Community MMAI Member Services at **1-877-723-7702 (TTY: 711)**. We are available seven (7) days a week. Our call center is open Monday-Friday 8:00 a.m. – 8:00 p.m. Central time. On weekends and Federal holidays, voice messaging is available. If you leave a voice message, a Member Services representative will return your call no later than the next business day. The call is free. **For more information**, visit bcbsil.com/mmai.

A5. Using a specialized pharmacy

Sometimes prescriptions must be filled at a specialized pharmacy. Specialized pharmacies include:

- Pharmacies that supply drugs for home infusion therapy.
- Pharmacies that supply drugs for residents of a long-term care facility, such as a nursing home.
 - Usually, long-term care facilities have their own pharmacies. If you are a resident of a long-term care facility, we must make sure you can get the drugs you need at the facility's pharmacy.
 - If your long-term care facility's pharmacy is not in our network, or you have any difficulty accessing your drug benefits in a long-term care facility, please contact Member Services.
- Pharmacies that serve the Indian Health Service/Tribal/Urban Indian Health Program. Except in emergencies, only Native Americans or Alaska Natives may use these pharmacies.
- Pharmacies that supply drugs requiring special handling and instructions on their use.

To find a specialized pharmacy, you can look in the *Provider and Pharmacy Directory*, visit our website, or contact Member Services or your care coordinator.

A6. Using mail-order services to get your drugs

Our plan's mail-order service allows you to order up to a 90-day supply. A 90-day supply has the same copay as a one-month supply.

Mail-order processes

The mail-order service has different procedures for new prescriptions it gets from you, new prescriptions it gets directly from your provider's office, and refills on your mail-order prescriptions:

- 1. New prescriptions the pharmacy gets from you**

The pharmacy will automatically fill and deliver new prescriptions it gets from you.

- 2. New prescriptions the pharmacy gets directly from your provider's office**

After the pharmacy gets a prescription from a health care provider, it will contact you to find out if you want the medication filled immediately or at a later time.

- This will give you an opportunity to make sure the pharmacy is delivering the correct drug (including strength, amount, and form) and, if needed, allow you to stop or delay the order before it is shipped.
- It is important that you respond each time you are contacted by the pharmacy, to let them know what to do with the new prescription and to prevent any delays in shipping.

- 3. Refills on mail-order prescriptions**

For refills, please contact your pharmacy 14 days before you think the drugs you have on hand will run out to make sure your next order is shipped to you in time.

So the pharmacy can reach you to confirm your order before shipping, please make sure to let the pharmacy know the best ways to contact you.

- Call our AllianceRx Walgreens Pharmacy at **1-877-277-7895** (TTY: **711**) or Express Scripts® Pharmacy at **1-833-599-0729** (TTY: **711**) and tell them how you would like to be contacted
- Fill out all relevant contact information on our Home Delivery Order Form
- Visit www.alliancerxwp.com or [express-scripts.com/rx](https://www.express-scripts.com/rx) to login or register

If you have questions, please call Blue Cross Community MMAI Member Services at **1-877-723-7702** (TTY: **711**). We are available seven (7) days a week. Our call center is open Monday-Friday 8:00 a.m. – 8:00 p.m. Central time. On weekends and Federal holidays, voice messaging is available. If you leave a voice message, a Member Services representative will return your call no later than the next business day. The call is free. **For more information**, visit bcbsil.com/mmai.

A7. Getting a long-term supply of drugs

You can get a long-term supply of *maintenance drugs* on our plan's Drug List. Maintenance drugs are drugs that you take on a regular basis, for a chronic or long-term medical condition.

Some network pharmacies allow you to get a long-term supply of maintenance drugs. A 90-day supply has the same copay as a one-month supply. The *Provider and Pharmacy Directory* tells you which pharmacies can give you a long-term supply of maintenance drugs. You can also call Member Services for more information.

You can use the plan's network mail-order services to get a long-term supply of maintenance drugs. Refer to the section above to learn about mail-order services.

A8. Using a pharmacy that is not in the plan's network

Generally, we pay for drugs filled at an out-of-network pharmacy only when you are not able to use a network pharmacy. We have network pharmacies outside of our service area where you can get your prescriptions filled as a member of our plan.

We will pay for prescriptions filled at an out-of-network pharmacy in the following cases:

- You are traveling outside your Plan's service area and you:
 - Run out of or lose your covered drugs; or
 - Become ill and need a covered drug; or
 - Cannot reach a network pharmacy.
- You are unable to get a covered drug in a timely manner in your service area because, for example, there is no network pharmacy in a reasonable driving distance that provides 24/7 service.
- You are filling a prescription for a covered drug and that drug (such as an orphan drug or other specialty drug) is not stocked at a nearby network retail or mail-order pharmacy.
- You are given covered drugs from a pharmacy in an emergency room, provider-based clinic, or other outpatient setting.
- Any federal disaster or other public health emergency has been declared in which you are displaced from your residence and cannot be expected to get your covered drugs at a network pharmacy.
- Access to your usual pharmacy is not available.

In these cases, please check first with Member Services to find out if there is a network pharmacy nearby.

A9. Paying you back if you pay for a prescription

If you must use an out-of-network pharmacy, you will generally have to pay the full cost when you get your prescription. You can ask us to pay you back.

If you have questions, please call Blue Cross Community MMAI Member Services at **1-877-723-7702 (TTY: 711)**. We are available seven (7) days a week. Our call center is open Monday-Friday 8:00 a.m. – 8:00 p.m. Central time. On weekends and Federal holidays, voice messaging is available. If you leave a voice message, a Member Services representative will return your call no later than the next business day. The call is free. **For more information, visit bcbsil.com/mmai.**

To learn more about this, refer to Chapter 7, Section A.

B. The plan's Drug List

The plan has a *List of Covered Drugs*. We call it the "Drug List" for short.

The drugs on the Drug List are selected by the plan with the help of a team of doctors and pharmacists. The Drug List also tells you if there are any rules you need to follow to get your drugs.

We will generally cover a drug on the plan's Drug List as long as you follow the rules explained in this chapter.

B1. Drugs on the Drug List

The Drug List includes the drugs covered under Medicare Part D and some prescription and over-the-counter drugs and items covered under your Medicaid benefits.

The Drug List includes both brand name and generic drugs.

A brand name drug is a prescription drug that is sold under a trademarked name owned by the drug manufacturer. Brand name drugs that are more complex than typical drugs (for example, drugs that are based on a protein) are called biological products. On the Drug List, when we refer to "drugs," this could mean a drug or a biological product such as vaccines or insulin.

Generic drugs have the same active ingredients as brand name drugs. Generally, generics work just as well as brand name drugs and usually cost less. There are generic drug substitutes available for many brand name drugs.

Our plan also covers certain over-the-counter drugs. Some over-the-counter drugs cost less than prescription drugs and work just as well. For more information, call Member Services.

B2. How to find a drug on the Drug List

To find out if a drug you are taking is on the Drug List, you can:

- Check the most recent Drug List we sent you in the mail.
- Visit the plan's website at bcbsil.com/mmai. The Drug List on the website is always the most current one.
- Call Member Services to find out if a drug is on the plan's Drug List or to ask for a copy of the list.

B3. Drugs that are not on the Drug List

The plan does not cover all prescription drugs. Some drugs are not on the Drug List because the law does not allow the plan to cover those drugs. In other cases, we have decided not to include a drug on the Drug List.

If you have questions, please call Blue Cross Community MMAI Member Services at **1-877-723-7702** (TTY: **711**). We are available seven (7) days a week. Our call center is open Monday-Friday 8:00 a.m. – 8:00 p.m. Central time. On weekends and Federal holidays, voice messaging is available. If you leave a voice message, a Member Services representative will return your call no later than the next business day. The call is free. **For more information**, visit bcbsil.com/mmai.

Blue Cross Community MMAI will not pay for the drugs listed in this section. These are called **excluded drugs**. If you get a prescription for an excluded drug, you must pay for it yourself. If you think we should pay for an excluded drug because of your case, you can file an appeal. (To learn how to file an appeal, refer to Chapter 9.)

Here are three general rules for excluded drugs:

1. Our plan's outpatient drug coverage (which includes Part D and Medicaid drugs) cannot pay for a drug that would already be covered under Medicare Part A or Part B. Drugs covered under Medicare Part A or Part B are covered under our plan's medical benefit by Blue Cross Community MMAI for free, but they are not considered part of your outpatient prescription drug benefits.
2. Our plan cannot cover a drug purchased outside the United States and its territories.
3. The use of the drug must be either approved by the Food and Drug Administration or supported by certain medical references as a treatment for your condition. Your doctor might prescribe a certain drug to treat your condition, even though it was not approved to treat the condition. This is called off-label use. Our plan usually does not cover drugs when they are prescribed for off-label use.

Also, by law, the types of drugs listed below are not covered by Medicare or Medicaid.

- Drugs used to promote fertility
- Drugs used for the relief of cough or cold symptoms
- Drugs used for cosmetic purposes or to promote hair growth
- Prescription vitamins and mineral products, except prenatal vitamins and fluoride preparations
- Drugs used for the treatment of sexual or erectile dysfunction, such as Viagra[®], Cialis[®], Levitra[®], and Caverject[®]
- Drugs used for treatment of anorexia, weight loss, or weight gain
- Outpatient drugs when the company who makes the drugs says that you have to have tests or services done only by them

B4. Drug List tiers

Every drug on the plan's Drug List is in one of three tiers. A tier is a group of drugs of generally the same type (for example, brand name, generic, or over-the-counter drugs).

- Tier 1 – Generic drugs
- Tier 2 – Brand-name drugs
- Tier 3 – Non-Medicare/Over the Counter (OTC) drugs

To find out which tier your drug is in, look for the drug in the plan's Drug List.

If you have questions, please call Blue Cross Community MMAI Member Services at **1-877-723-7702 (TTY: 711)**. We are available seven (7) days a week. Our call center is open Monday-Friday 8:00 a.m. – 8:00 p.m. Central time. On weekends and Federal holidays, voice messaging is available. If you leave a voice message, a Member Services representative will return your call no later than the next business day. The call is free. **For more information**, visit **bcbsil.com/mmai**.

Chapter 6, Section C, tells the amount you pay for drugs in each tier.

C. Limits on some drugs

For certain prescription drugs, special rules limit how and when the plan covers them. In general, our rules encourage you to get a drug that works for your medical condition and is safe and effective.

When a safe, lower-cost drug will work just as well as a higher-cost drug, the plan expects your provider to prescribe the lower-cost drug.

If there is a special rule for your drug, it usually means that you or your provider will have to take extra steps for us to cover the drug. For example, your provider may have to tell us your diagnosis or provide results of blood tests first. If you or your provider think our rule should not apply to your situation, you should ask us to make an exception. We may or may not agree to let you use the drug without taking the extra steps.

To learn more about asking for exceptions, refer to Chapter 9, Section F.

1. Limiting use of a brand name drug when a generic version is available

Generally, a generic drug works the same as a brand name drug and usually costs less. In most cases, if there is a generic version of a brand name drug, our network pharmacies will give you the generic version.

- We usually will not pay for the brand name drug when there is a generic version.
- However, if your provider has told us the medical reason that the generic drug will not work for you **or** has told us the medical reason that neither the generic drug nor other covered drugs that treat the same condition will work for you, then we will cover the brand name drug.

2. Getting plan approval in advance

For some drugs, you or your doctor must get approval from Blue Cross Community MMAI before you fill your prescription. If you don't get approval, Blue Cross Community MMAI may not cover the drug.

3. Trying a different drug first

In general, the plan wants you to try lower-cost drugs (that often are as effective) before the plan covers drugs that cost more. For example, if Drug A and Drug B treat the same medical condition, and Drug A costs less than Drug B, the plan may require you to try Drug A first.

If Drug A does not work for you, the plan will then cover Drug B. This is called step therapy.

4. Quantity limits

For some drugs, we limit the amount of the drug you can have. This is called a quantity limit.

For example, the plan might limit how much of a drug you can get each time you fill your prescription.

If you have questions, please call Blue Cross Community MMAI Member Services at **1-877-723-7702 (TTY: 711)**. We are available seven (7) days a week. Our call center is open Monday-Friday 8:00 a.m. – 8:00 p.m. Central time. On weekends and Federal holidays, voice messaging is available. If you leave a voice message, a Member Services representative will return your call no later than the next business day. The call is free. **For more information**,

To find out if any of the rules above apply to a drug you take or want to take, check the Drug List. For the most up-to-date information, call Member Services or check our website at [**bcbsil.com/mmai**](http://bcbsil.com/mmai).

D. Reasons your drug might not be covered

We try to make your drug coverage work well for you, but sometimes a drug might not be covered in the way that you would like it to be. For example:

- The drug you want to take is not covered by the plan. The drug might not be on the Drug List. A generic version of the drug might be covered, but the brand name version you want to take is not. A drug might be new and we have not yet reviewed it for safety and effectiveness.
- The drug is covered, but there are special rules or limits on coverage for that drug. As explained in the section above, some of the drugs covered by the plan have rules that limit their use. In some cases, you or your prescriber may want to ask us for an exception to a rule.

There are things you can do if your drug is not covered in the way that you would like it to be.

D1. Getting a temporary supply

In some cases, the plan can give you a temporary supply of a drug when the drug is not on the Drug List or when it is limited in some way. This gives you time to talk with your provider about getting a different drug or to ask the plan to cover the drug.

To get a temporary supply of a drug, you must meet the two rules below:

1. The drug you have been taking:
 - is no longer on the plan's Drug List, **or**
 - was never on the plan's Drug List, **or**
 - is now limited in some way.
2. You must be in one of these situations:
 - You were in the plan last year.
 - We will cover a temporary supply of your drug **during the first 90 days of the calendar year.**
 - This temporary supply will be for up to 30 days.
 - If your prescription is written for fewer days, we will allow multiple refills to provide up to a maximum of 30 days of medication. You must fill the prescription at a network pharmacy.
 - Long-term care pharmacies may provide your prescription drug in small amounts at a time to prevent waste.

If you have questions, please call Blue Cross Community MMAI Member Services at **1-877-723-7702 (TTY: 711)**. We are available seven (7) days a week. Our call center is open Monday-Friday 8:00 a.m. – 8:00 p.m. Central time. On weekends and Federal holidays, voice messaging is available. If you leave a voice message, a Member Services representative will return your call no later than the next business day. The call is free. **For more information**, visit [**bcbsil.com/mmai**](http://bcbsil.com/mmai).

- You are new to the plan.
 - We will cover a temporary supply of your **drug during the first 90 days of your membership in the plan.**
 - This temporary supply will be for up to 30 days.
 - If your prescription is written for fewer days, we will allow multiple refills to provide up to a maximum of 30 days of medication. You must fill the prescription at a network pharmacy.
 - Long-term care pharmacies may provide your prescription drug in small amounts at a time to prevent waste.
- You have been in the plan for more than 90 days and live in a long-term care facility and need a supply right away.
 - We will cover one 31-day supply, or less if your prescription is written for fewer days. This is in addition to the above temporary supply.
 - You may have changes that take you from one treatment setting to another. During this level-of-care change, drugs may be prescribed that are not covered by your plan. If this happens, you and your doctor must use your plan's exception and appeals processes. However, when you are admitted to, or discharged from, a long-term care setting, you may not have access to the drugs you were previously given. You may get a refill upon admission or discharge to prevent a gap in care.
 - To ask for a temporary supply of a drug, call Member Services.

When you get a temporary supply of a drug, you should talk with your provider to decide what to do when your supply runs out. Here are your choices:

- You can change to another drug. There may be a different drug covered by the plan that works for you. You can call Member Services to ask for a list of covered drugs that treat the same medical condition. The list can help your provider find a covered drug that might work for you.

OR

- You can ask for an exception. You and your provider can ask the plan to make an exception. For example, you can ask the plan to cover a drug even though it is not on the Drug List. Or you can ask the plan to cover the drug without limits. If your provider says you have a good medical reason for an exception, they can help you ask for one.

If a drug you are taking will be taken off the Drug List or limited in some way for next year, we will allow you to ask for an exception before next year.

- We will tell you about any change in the coverage for your drug for next year. You can then ask us to make an exception and cover the drug in the way you would like it to be covered for next year.
- We will answer your request for an exception within 72 hours after we get your request (or your prescriber's supporting statement).

If you have questions, please call Blue Cross Community MMAI Member Services at **1-877-723-7702 (TTY: 711)**. We are available seven (7) days a week. Our call center is open Monday-Friday 8:00 a.m. – 8:00 p.m. Central time. On weekends and Federal holidays, voice messaging is available. If you leave a voice message, a Member Services representative will return your call no later than the next business day. The call is free. **For more information, visit bcbsil.com/mmai.**

To learn more about asking for an exception, refer to Chapter 9, Section F.

If you need help asking for an exception, you can contact Member Services or your care coordinator.

E. Changes in coverage for your drugs

Most changes in drug coverage happen on January 1, but Blue Cross Community MMAI may add or remove drugs on the Drug List during the year. We may also change our rules about drugs. For example, we could:

- Decide to require or not require prior authorization (PA) or approval for a drug. (PA is permission from Blue Cross Community MMAI before you can get a drug.)
- Add or change the amount of a drug you can get (called quantity limits).
- Add or change step therapy restrictions on a drug. (Step therapy means you must try one drug before we will cover another drug.)

For more information on these drug rules, refer to Section C earlier in this chapter.

If you are taking a drug that was covered at the **beginning** of the year, we will generally not remove or change coverage of that drug **during the rest of the year** unless:

- a new, cheaper drug comes on the market that works as well as a drug on the Drug List now, **or**
- we learn that a drug is not safe, **or**
- a drug is removed from the market.

To get more information on what happens when the Drug List changes, you can always:

- Check Blue Cross Community MMAI's up to date Drug List online at bcbsil.com/mmai or
- Call Member Services to check the current Drug List at **1-877-723-7702 (TTY:711)**. We are available seven (7) days a week. Our call center is open Monday-Friday 8:00 a.m. – 8:00 p.m. Central time. On weekends and Federal holidays, voice messaging is available. If you leave a voice message, a Member Services representative will return your call no later than the next business day. The call is free.

Some changes to the Drug List will happen **immediately**. For example:

- **A new generic drug becomes available.** Sometimes, a new generic drug comes on the market that works as well as a brand name drug on the Drug List now. When that happens, we may remove the brand name drug and add the new generic drug, but your cost for the new drug will stay the same.
- When we add the new generic drug, we may also decide to keep the brand name drug on the list but change its coverage rules or limits.
 - We may not tell you before we make this change, but we will send you information about the specific change we made once it happens.

If you have questions, please call Blue Cross Community MMAI Member Services at **1-877-723-7702 (TTY: 711)**. We are available seven (7) days a week. Our call center is open Monday-Friday 8:00 a.m. – 8:00 p.m. Central time. On weekends and Federal holidays, voice messaging is available. If you leave a voice message, a Member Services representative will return your call no later than the next business day. The call is free. **For more information, visit bcbsil.com/mmai.**

- You or your provider can ask for an "exception" from these changes. We will send you a notice with the steps you can take to ask for an exception. Please refer to Chapter 9 of this handbook, Section F, for more information on exceptions.
- **A drug is taken off the market.** If the Food and Drug Administration (FDA) says a drug you are taking is not safe or the drug's manufacturer takes a drug off the market, we will take it off the Drug List. If you are taking the drug, we will let you know. Do not stop taking your medicine. Contact your pharmacist or doctor to talk about treatment options.

We may make other changes that affect the drugs you take. We will tell you in advance about these other changes to the Drug List. These changes might happen if:

- The FDA provides new guidance or there are new clinical guidelines about a drug.
- We add a generic drug that is not new to the market and
 - Replace a brand name drug currently on the Drug List or
 - Change the coverage rules or limits for the brand name drug.

When these changes happen, we will:

- Tell you at least 30 days before we make the change to the Drug List or
- Let you know and give you a 30-day supply of the drug after you ask for a refill.

This will give you time to talk to your doctor or other prescriber. They can help you decide:

- If there is a similar drug on the Drug List you can take instead or
- Whether to ask for an exception from these changes. To learn more about asking for exceptions, refer to Chapter 9, Section F.

We may make changes that do not affect the drugs you take now. For such changes, if you are taking a drug we covered at the **beginning** of the year, we generally will not remove or change coverage of that drug **during the rest of the year**.

For example, if we remove a drug you are taking or limit its use, then the change will not affect your use of the drug for the rest of the year.

F. Drug coverage in special cases

F1. If you are in a hospital or a skilled nursing facility for a stay that is covered by the plan

If you are admitted to a hospital or skilled nursing facility for a stay covered by the plan, we will generally cover the cost of your prescription drugs during your stay. You will not have to pay a copay. Once you leave the hospital or skilled nursing facility, the plan will cover your drugs as long as the drugs meet all of our rules for coverage.

If you have questions, please call Blue Cross Community MMAI Member Services at **1-877-723-7702 (TTY: 711)**. We are available seven (7) days a week. Our call center is open Monday-Friday 8:00 a.m. – 8:00 p.m. Central time. On weekends and Federal holidays, voice messaging is available. If you leave a voice message, a Member Services representative will return your call no later than the next business day. The call is free. **For more information**,

F2. If you are in a long-term care facility

Usually, a long-term care facility, such as a nursing home, has its own pharmacy or a pharmacy that supplies drugs for all of its residents. If you are living in a long-term care facility, you may get your prescription drugs through the facility's pharmacy if it is part of our network.

Check your *Provider and Pharmacy Directory* to find out if your long-term care facility's pharmacy is part of our network. If it is not, or if you need more information, please contact Member Services.

F3. If you are in a Medicare-certified hospice program

Drugs are never covered by both hospice and our plan at the same time.

- If you are enrolled in a Medicare hospice and require a pain medication, anti-nausea, laxative, or antianxiety drug not covered by your hospice because it is unrelated to your terminal prognosis and related conditions, our plan must get notification from either the prescriber or your hospice provider that the drug is unrelated before our plan can cover the drug.
- To prevent delays in getting any unrelated drugs that should be covered by our plan, you can ask your hospice provider or prescriber to make sure we have the notification that the drug is unrelated before you ask a pharmacy to fill your prescription.

If you leave hospice, our plan should cover all of your drugs. To prevent any delays at a pharmacy when your Medicare hospice benefit ends, you should bring documentation to the pharmacy to verify that you have left hospice. Refer to the previous parts of this chapter that tell about the rules for getting drug coverage under Part D.

To learn more about the hospice benefit, refer to Chapter 4.

G. Programs on drug safety and managing drugs

G1. Programs to help members use drugs safely

Each time you fill a prescription, we look for possible problems, such as drug errors or drugs that:

- May not be needed because you are taking another drug that does the same thing
- May not be safe for your age or gender
- Could harm you if you take them at the same time
- Have ingredients that you are or may be allergic to
- Have unsafe amounts of opioid pain medications

If we find a possible problem in your use of prescription drugs, we will work with your provider to correct the problem.

If you have questions, please call Blue Cross Community MMAI Member Services at **1-877-723-7702 (TTY: 711)**. We are available seven (7) days a week. Our call center is open Monday-Friday 8:00 a.m. – 8:00 p.m. Central time. On weekends and Federal holidays, voice messaging is available. If you leave a voice message, a Member Services representative will return your call no later than the next business day. The call is free. **For more information**, visit [**bcbsil.com/mmai**](http://bcbsil.com/mmai).

G2. Programs to help members manage their drugs

If you take medications for different medical conditions and/or you are in a Drug Management Program to help you use your opioid medications safely, you may be eligible to get services, at no cost to you, through a medication therapy management (MTM) program. This program helps you and your provider make sure that your medications are working to improve your health. A pharmacist or other health professional will give you a comprehensive review of all your medications and talk with you about:

- How to get the most benefit from the drugs you take
- Any concerns you have, like medication costs and drug reactions
- How best to take your medications
- Any questions or problems you have about your prescription and over the counter medication

You'll get a written summary of this discussion. The summary has a medication action plan that recommends what you can do to make the best use of your medications. You'll also get a personal medication list that will include all the medications you're taking and why you take them. In addition, you'll get information about safe disposal of prescription medications that are controlled substances.

It's a good idea to schedule your medication review before your yearly "Wellness" visit, so you can talk to your doctor about your action plan and medication list. Bring your action plan and medication list with you to your visit or anytime you talk with your doctors, pharmacists, and other health care providers. Also, take your medication list with you if you go to the hospital or emergency room.

Medication therapy management programs are voluntary and free to members that qualify. If we have a program that fits your needs, we will enroll you in the program and send you information. If you do not want to be in the program, please let us know, and we will take you out of the program.

If you have any questions about these programs, please contact Member Services or your care coordinator.

G3. Drug management program to help members safely use their opioid medications

Blue Cross Community MMAI has a program that can help members safely use their prescription opioid medications and other medications that are frequently misused. This program is called a Drug Management Program (DMP).

If you use opioid medications that you get from several doctors or pharmacies or if you had a recent opioid overdose, we may talk to your doctors to make sure your use of opioid medications is appropriate and medically necessary. Working with your doctors, if we decide your use of prescription opioid medications is not safe, we may limit how you can get those medications. Limitations may include:

- Requiring you to get all prescriptions for those medications **from certain pharmacies** and/or **from certain doctors**.

If you have questions, please call Blue Cross Community MMAI Member Services at **1-877-723-7702 (TTY: 711)**. We are available seven (7) days a week. Our call center is open Monday-Friday 8:00 a.m. – 8:00 p.m. Central time. On weekends and Federal holidays, voice messaging is available. If you leave a voice message, a Member Services representative will return your call no later than the next business day. The call is free. **For more information,**

- **Limiting the amount** of those medications we will cover for you

If we think that one or more limitations should apply to you, we will send you a letter in advance. The letter will explain the limitations we think should apply.

You will have a chance to tell us which doctors or pharmacies you prefer to use and any information you think is important for us to know. If we decide to limit your coverage for these medications after you have a chance to respond, we will send you another letter that confirms the limitations.

If you think we made a mistake, you disagree that you are at risk for prescription drug misuse, or you disagree with the limitation, you and your prescriber can file an appeal. If you file an appeal, we will review your case and give you our decision. If we continue to deny any part of your appeal related to limitations to your access to these medications, we will automatically send your case to an Independent Review Entity (IRE). (To learn how to file an appeal and to find out more about the IRE, refer to Chapter 9.)

The DMP may not apply to you if you:

- have certain medical conditions, such as cancer or sickle cell disease,
- are getting hospice, palliative, or end-of-life care, **or**
- live in a long-term care facility.

If you have questions, please call Blue Cross Community MMAI Member Services at **1-877-723-7702** (TTY: **711**). We are available seven (7) days a week. Our call center is open Monday-Friday 8:00 a.m. – 8:00 p.m. Central time. On weekends and Federal holidays, voice messaging is available. If you leave a voice message, a Member Services representative will return your call no later than the next business day. The call is free. **For more information, visit bcbsil.com/mmai.**

Chapter 6: What you pay for your Medicare and Medicaid prescription drugs

Introduction

This chapter tells what you pay for your outpatient prescription drugs. By "drugs," we mean:

- Medicare Part D prescription drugs, **and**
- drugs and items covered under Medicaid, **and**
- drugs and items covered by the plan as additional benefits.

Because you are eligible for Medicaid, you are getting "Extra Help" from Medicare to help pay for your Medicare Part D prescription drugs.

Extra Help is a Medicare program that helps people with limited incomes and resources reduce Medicare Part D prescription drug costs, such as premiums, deductibles, and copays. Extra Help is also called the "Low-Income Subsidy," or "LIS."

Other key terms and their definitions appear in alphabetical order in the last chapter of the *Member Handbook*.

To learn more about prescription drugs, you can look in these places:

- The plan's *List of Covered Drugs*.
 - We call this the "Drug List." It tells you:
 - Which drugs the plan pays for
 - Which of the three (3) tiers each drug is in
 - Whether there are any limits on the drugs
 - If you need a copy of the Drug List, call Member Services. You can also find the Drug List on our website at bcbsil.com/mmai. The Drug List on the website is always the most current.
- Chapter 5 of this *Member Handbook*.
 - Chapter 5 tells how to get your outpatient prescription drugs through the plan.
 - It includes rules you need to follow. It also tells which types of prescription drugs are not covered by our plan.
- The plan's *Provider and Pharmacy Directory*.
 - In most cases, you must use a network pharmacy to get your covered drugs. Network pharmacies are pharmacies that have agreed to work with our plan.
 - The *Provider and Pharmacy Directory* has a list of network pharmacies. You can read more about network pharmacies in Chapter 5, Section A.

If you have questions, please call Blue Cross Community MMAI Member Services at **1-877-723-7702 (TTY: 711)**. We are available seven (7) days a week. Our call center is open Monday-Friday 8:00 a.m. – 8:00 p.m. Central time. On weekends and Federal holidays, voice messaging is available. If you leave a voice message, a Member Services representative will return your call no later than the next business day. The call is free. **For more information**,

A. The *Explanation of Benefits* (EOB)

Our plan keeps track of your prescription drugs. We keep track of two types of costs:

- Your **out-of-pocket costs**. This is the amount of money you or others on your behalf pay for your prescriptions.
- Your **total drug costs**. This is the amount of money you or others on your behalf pay for your prescriptions, plus the amount the plan pays.

When you get prescription drugs through the plan, we send you a summary called the *Explanation of Benefits*. We call it the EOB for short. The EOB has more information about the drugs you take. The EOB includes:

- **Information for the month**. The summary tells what prescription drugs you got. It shows the total drug costs, what the plan paid, and what you and others paying for you paid.
- **"Year-to-date" information**. This is your total drug costs and the total payments made since January 1.
- **Drug price information**. This is the total price of the drug and the percentage change in the drug price since the first fill.
- **Lower cost alternatives**. When available, they appear in the summary below your current drugs. You can talk to your prescriber to find out more.

We offer coverage of drugs not covered under Medicare.

- Payments made for these drugs will not count towards your total out-of-pocket costs.
- To find out which drugs our plan covers, refer to the Drug List.

B. How to keep track of your drug costs

To keep track of your drug costs and the payments you make, we use records we get from you and from your pharmacy. Here is how you can help us:

1. Use your Member ID Card.

Show your Member ID Card every time you get a prescription filled. This will help us know what prescriptions you fill and what you pay.

2. Make sure we have the information we need.

Give us copies of receipts for drugs that you have paid for. You can ask us to pay you back for the drug.

Here are some times when you should give us copies of your receipts:

- When you buy a covered drug at a network pharmacy at a special price or using a discount card that is not part of our plan's benefit

If you have questions, please call Blue Cross Community MMAI Member Services at **1-877-723-7702** (TTY: **711**). We are available seven (7) days a week. Our call center is open Monday-Friday 8:00 a.m. – 8:00 p.m. Central time. On weekends and Federal holidays, voice messaging is available. If you leave a voice message, a Member Services representative will return your call no later than the next business day. The call is free. **For more information**, visit bcbsil.com/mmai.

- When you pay a copay for drugs that you get under a drug maker's patient assistance program
- When you buy covered drugs at an out-of-network pharmacy
- When you pay the full price for a covered drug

To learn how to ask us to pay you back for the drug, refer to Chapter 7, Section A.

3. Send us information about the payments others have made for you.

Payments made by certain other people and organizations also count toward your out-of-pocket costs. For example, payments made by an AIDS drug assistance program, the Indian Health Service, and most charities count toward your out-of-pocket costs.

4. Check the EOBs we send you.

When you get an EOB in the mail, please make sure it is complete and correct. If you think something is wrong or missing, or if you have any questions, please call Member Services. Be sure to keep these EOBs. They are an important record of your drug expenses.

Sign up to receive the Part D Explanation of Benefits summary online instead of by mail.

- To sign up, log onto www.myprime.com/. Go to Manage My Account/Communication Preferences.
- Click on EMAIL ME under Required health plan communications to sign up for email updates.
- Once you have selected paperless statements, we'll send you an email message when you have a Medicare Part D EOB available for review online. You will no longer receive this statement in the mail.

If you change your mind and want to receive your EOB by mail again, you can update your communication preference at www.myprime.com/.

C. You pay nothing for a one-month or long-term supply of drugs

With Blue Cross Community MMAI, you pay nothing for covered drugs as long as you follow the plan's rules.

C1. The plan's tiers

Tiers are groups of drugs on our Drug List. Every drug in the plan's Drug List is in one of three tiers. You have no copays for prescription and OTC drugs on Blue Cross Community MMAI's Drug List. To find the tiers for your drugs, you can look in the Drug List.

- Tier 1 – Generic drugs
- Tier 2 – Brand-name drugs
- Tier 3 – Non-Medicare/Over the Counter (OTC) drugs

If you have questions, please call Blue Cross Community MMAI Member Services at **1-877-723-7702 (TTY: 711)**. We are available seven (7) days a week. Our call center is open Monday-Friday 8:00 a.m. – 8:00 p.m. Central time. On weekends and Federal holidays, voice messaging is available. If you leave a voice message, a Member Services representative will return your call no later than the next business day. The call is free. **For more information**, visit bcbsil.com/mmai.

C2. Your pharmacy choices

How much you pay for a drug depends on whether you get the drug from:

- a network pharmacy, **or**
- an out-of-network pharmacy.

In limited cases, we cover prescriptions filled at out-of-network pharmacies. Refer to Chapter 5, Section A, to find out when we will do that.

To learn more about these pharmacy choices, refer to Chapter 5, Section A, in this handbook and the plan's *Provider and Pharmacy Directory*.

C3. Getting a long-term supply of a drug

For some drugs, you can get a long-term supply (also called an "extended supply") when you fill your prescription. A long-term supply is a 90-day supply. There is no cost to you for a long-term supply.

For details on where and how to get a long-term supply of a drug, refer to Chapter 5, Section A, or the *Provider and Pharmacy Directory*.

C4. What you pay

Your share of the cost when you get a one-month or long-term supply of a covered prescription drug from:

	A network pharmacy A one-month or up to a 90-day supply	The plan's mail-order service A one-month or up to a 90-day supply	A network long-term care pharmacy Up to a 31-day supply	An out-of-network pharmacy Up to a 30-day supply. Coverage is limited to certain cases. Refer to Chapter 5 for details.
Cost-sharing Tier 1 (Generic drugs.)	\$0	\$0	\$0	\$0

If you have questions, please call Blue Cross Community MMAI Member Services at **1-877-723-7702** (TTY: **711**). We are available seven (7) days a week. Our call center is open Monday-Friday 8:00 a.m. – 8:00 p.m. Central time. On weekends and Federal holidays, voice messaging is available. If you leave a voice message, a Member Services representative will return your call no later than the next business day. The call is free. **For more information**,

	A network pharmacy A one-month or up to a 90-day supply	The plan's mail-order service A one-month or up to a 90-day supply	A network long-term care pharmacy Up to a 31-day supply	An out-of-network pharmacy Up to a 30-day supply. Coverage is limited to certain cases. Refer to Chapter 5 for details.
Cost-sharing Tier 3 (Non-Medicare/ Over the counter drugs)	\$0	\$0	\$0	\$0

For information about which pharmacies can give you long-term supplies, refer to the plan's *Provider and Pharmacy Directory*.

D. Vaccinations

Our plan covers Medicare Part D vaccines. There are two parts to our coverage of Medicare Part D vaccinations:

1. The first part of coverage is for the cost of **the vaccine itself**. The vaccine is a prescription drug.
2. The second part of coverage is for the cost of **giving you the vaccine**. For example, sometimes you may get the vaccine as a shot given to you by your doctor.

D1. What you need to know before you get a vaccination

We recommend that you call us first at Member Services whenever you are planning to get a vaccination.

- We can tell you about how your vaccination is covered by our plan.
- We can tell you how to keep your costs down by using network pharmacies and providers. *Network pharmacies* are pharmacies that have agreed to work with our plan. A *network provider* is a provider who works with the health plan. A network provider should work with Blue Cross Community MMAI to ensure that you do not have any upfront costs for a Part D vaccine.

If you have questions, please call Blue Cross Community MMAI Member Services at **1-877-723-7702** (TTY: **711**). We are available seven (7) days a week. Our call center is open Monday-Friday 8:00 a.m. – 8:00 p.m. Central time. On weekends and Federal holidays, voice messaging is available. If you leave a voice message, a Member Services representative will return your call no later than the next business day. The call is free. **For more information**, visit bcbsil.com/mmai.

Chapter 7: Asking us to pay a bill you have gotten for covered services or drugs

A. Asking us to pay for your services or drugs

You should not get a bill for in-network services or drugs. Our network providers must bill the plan for the services and drugs you already got. A network provider is a provider who works with the health plan.

If you get a bill for health care or drugs, send the bill to us. To send us a bill, refer to page 116.

- If the services or drugs are covered, we will pay the provider directly.
- If the services or drugs are covered and you already paid, it is your right to be paid back.
- If the services or drugs are not covered, we will tell you.

Contact Member Services or your care coordinator if you have any questions. If you get a bill and you do not know what to do about it, we can help. You can also call if you want to tell us information about a request for payment you already sent to us.

Here are examples of times when you may need to ask our plan to pay you back or to pay a bill you got:

1. When you get emergency or urgently needed health care from an out-of-network provider

You should ask the provider to bill the plan.

- If you pay the full amount when you get the care, ask us to pay you back. Send us the bill and proof of any payment you made.
- You may get a bill from the provider asking for payment that you think you do not owe. Send us the bill and proof of any payment you made.
 - If the provider should be paid, we will pay the provider directly.
 - If you have already paid for the service, we will pay you back.

2. When a network provider sends you a bill

Network providers must always bill the plan. Show your Blue Cross Community MMAI Member ID Card when you get any services or prescriptions. Improper/inappropriate billing occurs when a provider (such as a doctor or hospital) bills you more than the plan's cost sharing amount for services. **Call Member Services if you get any bills.**

- Because Blue Cross Community MMAI pays the entire cost for your services, you are not responsible for paying any costs. Providers should not bill you anything for these services.
- Whenever you get a bill from a network provider, send us the bill. We will contact the provider directly and take care of the problem.
- If you have already paid a bill from a network provider, send us the bill and proof of any payment you made. We will pay you back for your covered services.

If you have questions, please call Blue Cross Community MMAI Member Services at **1-877-723-7702 (TTY: 711)**. We are available seven (7) days a week. Our call center is open Monday-Friday 8:00 a.m. – 8:00 p.m. Central time. On weekends and Federal holidays, voice messaging is available. If you leave a voice message, a Member Services representative will return your call no later than the next business day. The call is free. **For more information, visit bcbsil.com/mmai.**

3. **When you use an out-of-network pharmacy to get a prescription filled**

If you go to an out-of-network pharmacy, you will have to pay the full cost of your prescription.

- In only a few cases, we will cover prescriptions filled at out-of-network pharmacies. Send us a copy of your receipt when you ask us to pay you back.
- Please refer to Chapter 5, Section A, to learn more about out-of-network pharmacies.

4. **When you pay the full cost for a prescription because you do not have your Member ID Card with you**

If you do not have your Blue Cross Community MMAI Member ID Card with you, you can ask the pharmacy to call the plan or to look up your plan enrollment information.

- If the pharmacy cannot get the information they need right away, you may have to pay the full cost of the prescription yourself.
- Send us a copy of your receipt when you ask us to pay you back.

5. **When you pay the full cost for a prescription for a drug that is not covered**

You may pay the full cost of the prescription because the drug is not covered.

- The drug may not be on the plan's *List of Covered Drugs* (Drug List), or it could have a requirement or restriction that you did not know about or do not think should apply to you. If you decide to get the drug, you may need to pay the full cost for it.
 - If you do not pay for the drug but think it should be covered, you can ask for a coverage decision (refer to Chapter 9).
 - If you and your doctor or other prescriber think you need the drug right away, you can ask for a fast coverage decision (refer to Chapter 9).
- Send us a copy of your receipt when you ask us to pay you back. In some situations, we may need to get more information from your doctor or other prescriber in order to pay you back for the drug.

When you send us a request for payment, we will review your request and decide whether the service or drug should be covered. This is called making a "coverage decision." If we decide it should be covered, we will pay for the service or drug. If we deny your request for payment, you can appeal our decision.

To learn how to make an appeal, refer to Chapter 9.

B. Sending a request for payment

Send us your bill and proof of any payment you have made. Proof of payment can be a copy of the check you wrote or a receipt from the provider. **It is a good idea to make a copy of your bill and receipts for your records.** You can ask your care coordinator for help.

If you have questions, please call Blue Cross Community MMAI Member Services at **1-877-723-7702 (TTY: 711)**. We are available seven (7) days a week. C. Coverage decisions

When we get your request for payment, we will make a coverage decision. This means that we will decide whether your health care or drug is covered by the plan. We will also decide the amount, if any, you have to pay for the health care or drug.

- We will let you know if we need more information from you.
- If we decide that the health care or drug is covered and you followed all the rules for getting it, we will pay for it. If you have already paid for the service or drug, we will mail you a check for what you paid. If you have not paid for the service or drug yet, we will pay the provider directly.

Chapter 3 explains the rules for getting your services covered. Chapter 5 explains the rules for getting your Medicare Part D prescription drugs covered.

- If we decide not to pay for the service or drug, we will send you a letter explaining why not. The letter will also explain your rights to make an appeal.
- To learn more about coverage decisions, refer to Chapter 9.

D. Appeals

If you think we made a mistake in turning down your request for payment, you can ask us to change our decision. This is called making an appeal. You can also make an appeal if you do not agree with the amount we pay.

The appeals process is a formal process with detailed procedures and important deadlines. To learn more about appeals, refer to Chapter 9.

If you want to make an appeal about getting paid back for a health care service, go to page 146.

If you want to make an appeal about getting paid back for a drug, go to page 150.

 - Call Member Services or look in the *Provider and Pharmacy Directory* to learn more about network providers and which doctors are accepting new patients.
- You have the right to use a women's health specialist without getting a referral. A referral is approval from your PCP to use someone that is not your PCP.

 - This includes the right to get timely services from specialists.
 - If you cannot get services within a reasonable amount of time, we have to pay for out-of-network care.

- You have the right to get your prescriptions filled at any of our network pharmacies without long delays.
- You have the right to know when you can use an out-of-network provider. To learn about out-of-network providers, refer to Chapter 3, Section D.

Chapter 9 tells what you can do if you think you are not getting your services or drugs within a reasonable amount of time. Chapter 9 also tells what you can do if we have denied coverage for your services or drugs and you do not agree with our decision.

C. Our responsibility to protect your personal health information (PHI)

We protect your personal health information (PHI) as required by federal and state laws.

Your PHI includes the information you gave us when you enrolled in this plan. It also includes your medical records and other medical and health information.

We make sure that unauthorized people do not look at or change your records.

Except for the cases noted below, we do not give your PHI to anyone who is not providing your care or paying for your care. If we do, we are required to get written permission from you first. Written permission can be given by you or by someone who has the legal power to make decisions for you.

There are certain cases when we do not have to get your written permission first. These exceptions are allowed or required by law.

- We are required to release PHI to government agencies that are checking on our quality of care.
- We are required to give Medicare your PHI. If Medicare releases your PHI for research or other uses, it will be done according to Federal laws.

Blue Cross Community MMAI is working with the State of Illinois to stop new HIV cases. The Illinois Department of Public Health is sharing HIV data they have with IL Medicaid and IL Medicaid Managed Care Organizations to have better care for people living with HIV. G. Your right to make decisions about your health care

G1. Your right to know your treatment options and make decisions about your health care

You have the right to get full information from your doctors and other health care providers when you get services. Your providers must explain your condition and your treatment choices in a way that you can understand. You have the right to:

- **Know your choices.** You have the right to be told about all the kinds of treatment.

If you have questions, please call Blue Cross Community MMAI Member Services at **1-877-723-7702** (TTY: **711**). We are available seven (7) days a week. Our call center is open Monday-Friday 8:00 a.m. – 8:00 p.m. Central time. On weekends and Federal holidays, voice messaging is available. If you leave a voice message, a Member Services representative will return your call no later than the next business day. The call is free. **For more information**, visit bcbsil.com/mmai.

- **Know the risks.** You have the right to be told about any risks involved. You must be told in advance if any service or treatment is part of a research experiment. You have the right to refuse experimental treatments.
- **Get a second opinion.** You have the right to go to another doctor before deciding on treatment.
- **Say "no."** You have the right to refuse any treatment. This includes the right to leave a hospital or other medical facility, even if your doctor advises you not to. You also have the right to stop taking a drug. If you refuse treatment or stop taking a drug, you will not be dropped from the plan. However, if you refuse treatment or stop taking a drug, you accept full responsibility for what happens to you.
- **Ask us to explain why a provider denied care.** You have the right to get an explanation from us if a provider has denied care that you believe you should get.
- **Ask us to cover a service or drug that was denied or is usually not covered.** This is called a coverage decision. Chapter 9 tells how to ask the plan for a coverage decision.

G2. Your right to say what you want to happen if you are unable to make health care decisions for yourself

Sometimes people are unable to make health care decisions for themselves. Before that happens to you, you can:

- Fill out a written form to **give someone the right to make health care decisions for you.**
- **Give your doctors written instructions** about how you want them to handle your health care if you become unable to make decisions for yourself.

The legal document that you can use to give your directions is called an advance directive. There are different types of advance directives and different names for them. Examples are a living will and a power of attorney for health care. To learn more about advance directives in Illinois, go to the Illinois Department of Public Health's website at: www.idph.state.il.us/public/books/advin.

You do not have to use an advance directive, but you can if you want to. Here is what to do:

- **Get the form.** You can get a form from your doctor, a lawyer, a legal services agency, or a social worker. Organizations that give people information about Medicare or Medicaid may also have advance directive forms. You can also contact Member Services to ask for the forms.
- **Fill it out and sign the form.** The form is a legal document. You should consider having a lawyer help you prepare it.
- **Give copies to people who need to know about it.** You should give a copy of the form to your doctor. You should also give a copy to the person you name as the one to make decisions for you. You may also want to give copies to close friends or family members. Be sure to keep a copy at home.

If you have questions, please call Blue Cross Community MMAI Member Services at **1-877-723-7702 (TTY: 711)**. We are available seven (7) days a week. Our call center is open Monday-Friday 8:00 a.m. – 8:00 p.m. Central time. On weekends and Federal holidays, voice messaging is available. If you leave a voice message, a Member Services representative will return your call no later than the next business day. The call is free. **For more information**, visit bcbsil.com/mmai.

- **Blue Cross Community MMAI will make your completed form part of your medical record.** Blue Cross Community MMAI cannot, as a condition of treatment, require you to fill out or waive an advance directive.
- If you are going to be hospitalized and you have signed an advance directive, **take a copy of it to the hospital.**

The hospital will ask you whether you have signed an advance directive form and whether you have it with you.

If you have not signed an advance directive form, the hospital has forms available and will ask if you want to sign one.

Remember, it is your choice to fill out an advance directive or not.

G3. What to do if your instructions are not followed

If you have signed an advance directive, and you believe that a doctor or hospital did not follow the instructions in it, you may file a complaint by calling the Senior Helpline at **1-800-252-8966** from 8:30 a.m. to 5 p.m. Monday through Friday. TTY users should call **1-888-206-1327**. The call is free.

H. Your right to make complaints and to ask us to reconsider decisions we have made

Chapter 9, Section C, tells what you can do if you have any problems or concerns about your covered services or care. For example, you could ask us to make a coverage decision, make an appeal to us to change a coverage decision, or make a complaint.

You have the right to get information about appeals and complaints that other members have filed against our plan. To get this information, call Member Services at **1-877-723-7702** (TTY: **711**). If you leave a voice message, a Member Services representative will return your call no later than the next business day. The call is free.

I. Your responsibilities as a member of the plan

As a member of the plan, you have a responsibility to do the things that are listed below. If you have any questions, call Member Services.

- **Read the *Member Handbook*** to learn what is covered and what rules you need to follow to get covered services and drugs. For details about your:
 - Covered services, refer to Chapters 3 and 4. Those chapters tell you what is covered, what is not covered, what rules you need to follow, and what you pay.
 - Covered drugs, refer to Chapters 5 and 6.
- **Tell us about any other health or prescription drug coverage** you have. We are required to make sure you are using all of your coverage options when you get health care. Please call Member Services if you have other coverage.
- **Tell your doctor and other health care providers** that you are enrolled in our plan. Show your Blue Cross Community MMAI Member ID Card whenever you get services or drugs.
- **Help your doctors** and other health care providers give you the best care.
 - Give them the information they need about you and your health. Learn as much as you can about your health problems. Follow the treatment plans and instructions that you and your providers agree on.
 - Make sure your doctors and other providers know about all of the drugs you are taking. This includes prescription drugs, over-the-counter drugs, vitamins, and supplements.
 - If you have any questions, be sure to ask. Your doctors and other providers must explain things in a way you can understand. If you ask a question and you do not understand the answer, ask again.

If you have questions, please call Blue Cross Community MMAI Member Services at **1-877-723-7702** (TTY: **711**). We are available seven (7) days a week. Our call center is open Monday-Friday 8:00 a.m. – 8:00 p.m. Central time. On weekends and Federal holidays, voice messaging is available. If you leave a voice message, a Member Services representative will return your call no later than the next business day. The call is free. **For more information**, visit bcbsil.com/mmai.

- **Be considerate.** We expect all our members to respect the rights of other patients. We also expect you to act with respect in your doctor's office, hospitals, and other providers' offices.
- **Pay what you owe.** As a plan member, you are responsible for these payments:
 - Medicare Part A and Medicare Part B premiums. For most Blue Cross Community MMAI members, Medicaid pays for your Part A premium and for your Part B premium.
 - **If you get any services or drugs that are not covered by our plan, you must pay the full cost.** If you disagree with our decision to not cover a service or drug, you can make an appeal. Please refer to Chapter 9 to learn how to make an appeal.
- **Tell us if you move.** If you are going to move, it is important to tell us right away. Call Member Services.
 - **If you move outside of our service area, you cannot stay in this plan.** Only people who live in our service area can get Blue Cross Community MMAI. Chapter 1, Section D, tells about our service area.
 - We can help you figure out whether you are moving outside our service area. During a special enrollment period, you can switch to Original Medicare or enroll in a Medicare health or prescription drug plan in your new location. We can let you know if we have a plan in your new area.
 - Also, be sure to let Medicare and Medicaid know your new address when you move. Refer to Chapter 2 for phone numbers for Medicare and Medicaid.
 - **If you move within our service area, we still need to know.** We need to keep your membership record up to date and know how to contact you.
- Call Member Services at **1-877-723-7702 (TTY: 711)** for help if you have questions or concerns. We are available seven (7) days a week. A. What to do if you have a problem

This chapter tells you what to do if you have a problem with your plan or with your services or payment. Medicare and Medicaid approved these processes. Each process has a set of rules, procedures, and deadlines that must be followed by us and by you.

A1. About the legal terms

There are difficult legal terms for some of the rules and deadlines in this chapter. Many of these terms can be hard to understand, so we have used simpler words in place of certain legal terms. We use abbreviations as little as possible.

For example, we will say:

- "Making a complaint" rather than "filing a grievance"
- "Coverage decision" rather than "organization determination," "benefit determination," "at-risk determination," or "coverage determination"
- "Fast coverage decision" rather than "expedited determination"

Knowing the proper legal terms may help you communicate more clearly, so we provide those too.

B. Where to call for help

B1. Where to get more information and help

Sometimes it can be confusing to start or follow the process for dealing with a problem. This can be especially true if you do not feel well or have limited energy. Other times, you may not have the knowledge you need to take the next step.

You can get help from the Senior HelpLine

If you need help, you can always call the Senior HelpLine. The Senior HelpLine has an ombudsman program that can answer your questions and help you understand what to do to handle your problem. The Senior HelpLine is not connected with us or with any insurance company or health plan. They can help you understand which process to use. The phone number for the Senior HelpLine is **1-800-252-8966**, TTY: **1-888-206-1327**. You can call the Senior Help Line Monday through Friday from 8:30 a.m. to 5:00 p.m. The call and help are free and are available to you no matter how old you are. Refer to Chapter 2, Section D, for more information on ombudsman programs.

You can get help from the Senior Health Insurance Program (SHIP)

You can also call the Senior Health Insurance Program (SHIP). SHIP counselors can answer your questions and help you understand what to do to handle your problem. SHIP counselors can help you no matter how old you are. The SHIP is not connected with us or with any insurance company or health plan. The SHIP phone number is **1-800-252-8966**, TTY: **1-888-206-1327** and their website is <https://www2.illinois.gov/aging/ship>. The call and help are free.

If you have questions, please call Blue Cross Community MMAI Member Services at **1-877-723-7702** (TTY: **711**). We are available seven (7) days a week. Our call center is open Monday-Friday 8:00 a.m. – 8:00 p.m. Central time. On weekends and Federal holidays, voice messaging is available. If you leave a voice message, a Member Services representative will return your call no later than the next business day. The call is free. **For more information**, visit bcbsil.com/mmai.

Getting help from Medicare

You can call Medicare directly for help with problems. Here are two ways to get help from Medicare:

- Call **1-800-MEDICARE (1-800-633-4227)**, 24 hours a day, 7 days a week. TTY: **1-877-486-2048**. The call is free.
- Visit the Medicare website at www.medicare.gov.

Getting help from Medicaid

You can call the State of Illinois directly for help with problems. Call the Illinois Department of Healthcare and Family Services Health Benefits Hotline at **1-800-226-0768**, TTY: **1-877-204-1012**, Monday through Friday from 8:00 a.m. to 4:30 p.m. The call is free.

You can also call the Quality Improvement Organization (QIO). In Illinois, this is Livanta BFCC-QIO Program, at **1-888-524-9900**, TTY: **1-888-985-8775**. This is a group of doctors and other health care providers who help improve the quality of care for people with Medicare. It is not connected with our plan.

C. Problems with your benefits

C1. Using the process for coverage decisions and appeals or for making a complaint

If you have a problem or concern, you only need to read the parts of this chapter that apply to your situation. The chart below will help you find the right section of this chapter for problems or complaints.

Is your problem or concern about your benefits or coverage?	
(This includes problems about whether particular medical care or prescription drugs are covered or not, the way in which they are covered, and problems related to payment for medical care or prescription drugs.)	
Yes.	No.
My problem is about benefits or coverage. Go to Section D: "Coverage decisions and appeals" on page 132.	My problem is not about benefits or coverage. Skip ahead to Section J: "How to make a complaint" on page 169.

D. Coverage decisions and appeals

D1. Overview of coverage decisions and appeals

The process for asking for coverage decisions and making appeals deals with problems related to your benefits and coverage. It also includes problems with payment.

If you have questions, please call Blue Cross Community MMAI Member Services at **1-877-723-7702** (TTY: **711**). We are available seven (7) days a week. Our call center is open Monday-Friday 8:00 a.m. – 8:00 p.m. Central time. On weekends and Federal holidays, voice messaging is available. If you leave a voice message, a Member Services representative will return your call no later than the next business day. The call is free. **For more information**,

What is a coverage decision?

A coverage decision is an initial decision we make about your benefits and coverage or about the amount we will pay for your medical services, items, or drugs. We are making a coverage decision whenever we decide what is covered for you and how much we pay.

If you or your doctor are not sure if a service, item, or drug is covered by Medicare or Medicaid, either of you can ask for a coverage decision before the doctor gives the service, item, or drug.

What is an appeal?

An appeal is a formal way of asking us to review our decision and change it if you think we made a mistake. For example, we might decide that a service, item, or drug that you want is not covered or is no longer covered by Medicare or Medicaid. If you or your doctor disagree with our decision, you can appeal.

D2. Getting help with coverage decisions and appeals

Who can I call for help asking for coverage decisions or making an appeal?

An enrollee or provider may ask for an appeal through one of the methods below.

You can ask any of these people for help:

- Call **Member Services** at **1-877-723-7702** (TTY: **711**). We are available seven (7) days a week. Our call center is open Monday-Friday 8:00 a.m. – 8 p.m. Central time. On weekends and Federal holidays, voice messaging is available. If you leave a voice message, a Member Services representative will return your call no later than the next business day. The call is free.
- Call the **Illinois Department of Healthcare and Family Services Health Benefits Hotline** for free help Monday through Friday from 8:00 a.m. to 4:30 p.m. The Illinois Health Benefits Hotline helps people enrolled in Medicaid with problems. The phone number is **1-800-226-0768**, TTY: **1-877-204-1012**.
- Call the **Senior HelpLine** for free help Monday through Friday from 8:30 a.m. to 5:00 p.m. The Senior Helpline will help anyone at any age enrolled in this plan. The Senior HelpLine is an independent organization. It is not connected with this plan. The phone number is **1-800-252-8966**, TTY: **1-888-206-1327**.
- Talk to your **doctor or other provider**. Your doctor or other provider can ask for a coverage decision or appeal on your behalf.
 - If you want your doctor or other provider to be your representative, call Member Services and ask for the "Appointment of Representative" form. You can also get the form by visiting www.cms.gov/Medicare/CMS-Forms/CMS-Forms/downloads/cms1696.pdf. The form gives the person permission to act for you. You must give us a copy of the signed form.

If you have questions, please call Blue Cross Community MMAI Member Services at **1-877-723-7702** (TTY: **711**). We are available seven (7) days a week. Our call center is open Monday-Friday 8:00 a.m. – 8:00 p.m. Central time. On weekends and Federal holidays, voice messaging is available. If you leave a voice message, a Member Services representative will return your call no later than the next business day. The call is free. **For more information**, visit bcbsil.com/mmai.

- Note that under the Medicare program, your doctor or other provider can file an appeal without the "Appointment of Representative" form.
- Talk to a **friend or family member** and ask them to act for you. You can name another person to act for you as your "representative" to ask for a coverage decision or make an appeal.
 - If you want a friend, relative, or other person to be your representative, call Member Services and ask for the "Appointment of Representative" form.
 - You can also get the form by visiting www.cms.gov/Medicare/CMS-Forms/CMS-Forms/downloads/cms1696.pdf. The form gives the person permission to act for you. You must give us a copy of the signed form.
- **You also have the right to ask a lawyer** to act for you. You may call your own lawyer, or get the name of a lawyer from the local bar association or other referral service. Some legal groups will give you free legal services if you qualify. If you want a lawyer to represent you, you will need to fill out the Appointment of Representative form.
 - However, **you do not have to have a lawyer** to ask for any kind of coverage decision or to make an appeal.

D3. Using the section of this chapter that will help you

There are four different types of situations that involve coverage decisions and appeals. Each situation has different rules and deadlines. We separate this chapter into different sections to help you find the rules you need to follow. **You only need to read the section that applies to your problem:**

- **Section E on page 136** gives you information if you have problems about services, items, and drugs (but **not** Part D drugs). For example, use this section if:
 - You are not getting medical care you want, and you believe our plan covers this care.
 - We did not approve services, items, or drugs that your doctor wants to give you, and you believe this care should be covered.
 - **NOTE:** Only use Section E if these are drugs **not** covered by Part D. Drugs in the *List of Covered Drugs*, also known as the Drug List, with a "MC" are **not** covered by Part D. Refer to Section F on page 148 for Part D drug appeals.
 - You got medical care or services you think should be covered, but we are not paying for this care.
 - You got and paid for medical services or items you thought were covered, and you want to ask us to pay you back.
 - You are being told that coverage for care you have been getting will be reduced or stopped, and you disagree with our decision.

If you have questions, please call Blue Cross Community MMAI Member Services at **1-877-723-7702 (TTY: 711)**. We are available seven (7) days a week. Our call center is open Monday-Friday 8:00 a.m. – 8:00 p.m. Central time. On weekends and Federal holidays, voice messaging is available. If you leave a voice message, a Member Services representative will return your call no later than the next business day. The call is free. **For more information**, visit bcbsil.com/mmai.

Chapter 9: What to do if you have a problem or complaint (coverage decisions, appeals, complaints)

- **NOTE:** If the coverage that will be stopped is for hospital care, home health care, skilled nursing facility care, or Comprehensive Outpatient Rehabilitation Facility (CORF) services, you need to read a separate section of this chapter because special rules apply to these types of care. Refer to Sections G and H on pages 157 and 163.
- Your request for a coverage decision might be dismissed, which means we won't review the request. Examples of when we might dismiss your request are: if your request is incomplete, if someone makes the request for you but hasn't given us proof that you agreed to allow them to make the request, or if you ask for your request to be withdrawn. If we dismiss a request for a coverage decision, we will send a notice explaining why, and how to ask for a review of the dismissal. This review is a formal process called an appeal.
- **Section F on page 148** gives you information about Part D drugs. For example, use this section if:
 - You want to ask us to make an exception to cover a Part D drug that is not on our Drug List.
 - You want to ask us to waive limits on the amount of the drug you can get.
 - You want to ask us to cover a drug that requires prior approval.
 - We did not approve your request or exception, and you or your doctor or other prescriber thinks we should have.
 - You want to ask us to pay for a prescription drug you already bought. (This is asking for a coverage decision about payment.)
- **Section G on page 157** gives you information on how to ask us to cover a longer inpatient hospital stay if you think the doctor is discharging you too soon. Use this section if:
 - You are in the hospital and think the doctor asked you to leave the hospital too soon.
- **Section H on page 163** gives you information if you think your home health care, skilled nursing facility care, and Comprehensive Outpatient Rehabilitation Facility (CORF) services are ending too soon.

If you're not sure which section you should use, please call Member Services at **1-877-723-7702** (TTY: **711**). We are available seven (7) days a week. Our call center is open Monday-Friday 8:00 a.m. – 8:00 p.m. Central time. On weekends and Federal holidays, voice messaging is available. If you leave a voice message, a Member Services representative will return your call no later than the next business day. The call is free.

If you need other help or information, please call the Senior HelpLine at **1-800-252-8966** (TTY: **1-888-206-1327**), Monday through Friday from 8:30 a.m. to 5:00 p.m. The call and help are free.

If you have questions, please call Blue Cross Community MMAI Member Services at **1-877-723-7702** (TTY: **711**). We are available seven (7) days a week. E. Problems about services, items, and drugs (not Part D drugs)

E1. When to use this section

This section is about what to do if you have problems with your benefits for your medical, behavioral health, and long-term care services. You can also use this section for problems with drugs that are **not** covered by Part D, including Medicare Part B drugs. Drugs in the Drug List with a "MC" are not covered by Part D. Use Section F for Part D drug appeals.

This section tells what you can do if you are in any of the five following situations:

1. You think we cover a medical, behavioral health, or long-term care service you need but are not getting.
What you can do: You can ask us to make a coverage decision. Go to Section E on page 136 for information on asking for a coverage decision.
2. We did not approve care your doctor wants to give you, and you think we should have.
What you can do: You can appeal our decision to not approve the care. Go to Section E on page 138 for information on making an appeal.
3. You got services or items that you think we cover, but we will not pay.
What you can do: You can appeal our decision not to pay. Go to Section E on page 138 for information on making an appeal.
4. You got and paid for services or items you thought were covered, and you want us to reimburse you for the services or items.
What you can do: You can ask us to pay you back. Go to Section E on page 147 for information on asking us for payment.
5. We reduced or stopped your coverage for a certain service, and you disagree with our decision.
What you can do: You can appeal our decision to reduce or stop the service. Go to Section E on page 138 for information on making an appeal.

NOTE: If the coverage that will be stopped is for hospital care, home health care, skilled nursing facility care, or Comprehensive Outpatient Rehabilitation Facility (CORF) services, special rules apply. Read Sections G or H on pages 157 and 163 to find out more.

How long does it take to get a coverage decision?

It usually takes up to 14 calendar days after you asked unless your request is for a Medicare Part B prescription drug. If your request is for a Medicare Part prescription drug, we will give you a decision no more than 72 hours after we receive your request. If we don't give you our decision within 14 calendar days (or 72 hours for a Medicare Part B prescription drug), you can appeal.

Sometimes we need more time, and we will send you a letter telling you that we need to take up to 14 more calendar days. The letter will explain why more time is needed. We can't take extra time to give you a decision if your request is for a Medicare Part B prescription drug.

Can I get a coverage decision faster?

Yes. If you need a response faster because of your health, ask us to make a "fast coverage decision." If we approve the request, we will notify you of our decision within 72 hours (or within 24 hours for a Medicare Part B prescription drug).

However, sometimes we need more time, and we will send you a letter telling you that we need to take up to 14 more calendar days. The letter will explain why more time is needed. We can't take extra time to give you a decision if your request is for a Medicare Part B prescription drug.

The legal term for "fast coverage decision" is "expedited determination."

Asking for a fast coverage decision:

- If you request a fast coverage decision, start by calling or faxing our plan to ask us to cover the care you want.
- You can call us at Member Services at **1-877-723-7702** (TTY: **711**). We are available seven (7) days a week. Our call center is open Monday-Friday 8:00 a.m. – 8:00 p.m. Central time. On weekends and Federal holidays, voice messaging is available. If you leave a voice message, a Member Services representative will return your call no later than the next business day or fax us at **1-312-233-4200**. For details on how to contact us, go to Chapter 2.
- You can also have your doctor or your representative call us.

Here are the rules for asking for a fast coverage decision:

If you have questions, please call Blue Cross Community MMAI Member Services at **1-877-723-7702** (TTY: **711**). We are available seven (7) days a week. Our call center is open Monday-Friday 8:00 a.m. – 8:00 p.m. Central time. On weekends and Federal holidays, voice messaging is available. If you leave a voice message, a Member Services representative will return your call no later than the next business day. The call is free. **For more information**, visit bcbsil.com/mmai.

You must meet the following two requirements to get a fast coverage decision:

1. You can get a fast coverage decision **only if you are asking for coverage for medical care or an item you have not yet received.** (You cannot ask for a fast coverage decision if your request is about payment for medical care or an item you already got.)
2. You can get a fast coverage decision **only if the standard 14 calendar day deadline (or the 72 hour deadline for Medicare Part B prescription drugs) could cause serious harm to your health or hurt your ability to function.**
 - If your doctor says that you need a fast coverage decision, we will automatically give you one.
 - If you ask for a fast coverage decision without your doctor's support, we will decide if you get a fast coverage decision.
 - If we decide that your health does not meet the requirements for a fast coverage decision, we will send you a letter. We will also use the standard 14 calendar day deadline (or the 72 hour deadline for Medicare Part B prescription drugs) instead.
 - This letter will tell you that if your doctor asks for the fast coverage decision, we will automatically give a fast coverage decision.
 - The letter will also tell how you can file a "fast complaint" about our decision to give you a standard coverage decision instead of a fast coverage decision. For more information about the process for making complaints, including fast complaints, refer to Section J on page 169.

If the coverage decision is No, how will I find out?

If the answer is **No**, we will send you a letter telling you our reasons for saying **No**.

- If we say **No**, you have the right to ask us to change this decision by making an appeal. Making an appeal means asking us to review our decision to deny coverage.
- If you decide to make an appeal, it means you are going on to Level 1 of the appeals process (read the next section for more information).

E3. Level 1 Appeal for services, items, and drugs (not Part D drugs)

What is an Appeal?

An appeal is a formal way of asking us to review our decision and change it if you think we made a mistake. If you or your doctor or other provider disagrees with our decision, you can appeal. In all cases, you must start your appeal at Level 1.

If you need help during the appeals process, you can call the Senior HelpLine at **1-800-252-8966** (TTY: **1-888-206-1327**), Monday through Friday from 8:30 a.m. to 5:00 p.m. The Senior HelpLine is not connected with us or with any insurance company or health plan. The call and help are free.

What is a Level 1 Appeal?

A Level 1 Appeal is the first appeal to our plan. We will review our coverage decision to find out if it is correct. The reviewer will be someone who did not make the original coverage decision. When we complete the review, we will give you our decision in writing.

If we tell you after our review that the service or item is not covered, your case can go to a Level 2 Appeal.

How do I make a Level 1 Appeal?

The legal term for "fast appeal" is "**expedited reconsideration**."

Can someone else make the appeal for me?

Yes. Your doctor, other provider, or someone else can make the appeal for you, but first you must complete an Appointment of Representative form. The form gives the other person permission to act for you.

If we don't get this form, and someone is acting for you, your appeal request will be dismissed. If this happens, you have a right to have someone else review our dismissal. We will send you a written notice explaining your right to ask the Independent Review Organization to review our decision to dismiss your appeal.

To get an Appointment of Representative form, call Member Services and ask for one, or visit www.cms.gov/Medicare/CMS-Forms/CMS-Forms/downloads/cms1696.pdf.

If the appeal comes from someone besides you, we usually must get the completed Appointment of Representative form before we can review the appeal.

Note that under the Medicare program, your doctor or other provider can file an appeal without the Appointment of Representative form.

How much time do I have to make an appeal?

You must ask for an appeal **within 60 calendar days** from the date on the letter we sent to tell you our decision.

If you miss this deadline and have a good reason for missing it, we may give you more time to make your appeal. Examples of a good reason are: you had a serious illness, or we gave you the wrong information about the deadline for requesting an appeal. You should explain the reason your appeal is late when you make your appeal.

NOTE: If you appeal because we told you that a Medicaid service you currently get will be changed or stopped, you have **10 calendar days** to appeal if you want to keep getting that Medicaid service while your appeal is processing. Read "Will my benefits continue during Level 1 Appeals" on page 138 for more information.

Can I get a copy of my case file?

Yes. Ask us for a free copy by calling Member Services at **1-877-723-7702** (TTY: **711**). We are available seven (7) days a week. Can my doctor give you more information about my appeal?

Chapter 9: What to do if you have a problem or complaint (coverage decisions, appeals, complaints)

We take a careful look at all of the information about your request for coverage of medical care. Then, we check to find out if we were following all the rules when we said **No** to your request. The reviewer will be someone who did not make the original decision.

If we need more information, we may ask you or your doctor for it.

When will I hear about a "standard" appeal decision?

We must give you our answer within 15 business days after we get your appeal (or within 7 calendar days after we get your appeal for a Medicare Part B prescription drug). We will give you our decision sooner if your health condition requires us to.

- However, if you ask for more time or if we need to gather more information, we can take up to 14 more calendar days. If we decide we need to take extra days to make the decision, we will send you a letter that explains why we need more time. We can't take extra time to make a decision if your appeal is for a Medicare Part B prescription drug.
- If you believe we should not take extra days, you can file a "fast complaint" about our decision to take extra days. When you file a fast complaint, we will give you an answer to your complaint within 24 hours. For more information about the process for making complaints, including fast complaints, refer to Section J on page 169.
- If we do not give you an answer to your appeal within 15 business days (or within 7 calendar days after we get your appeal for a Medicare Part B prescription drug) or by the end of the extra days (if we took them), we will automatically send your case to Level 2 of the appeals process if your problem is about a service or item covered by Medicare or both Medicare and Medicaid. You will be notified when this happens. If your problem is about a service or item covered only by Medicaid, you can file a Level 2 Appeal yourself. For more information about the Level 2 Appeal process, go to Section E on page 142.

If our answer is Yes to part or all of what you asked for, we must approve or give the coverage within 72 hours after we receive your request (or within 7 calendar days after we get your appeal for a Medicare Part B prescription drug).

If our answer is No to part or all of what you asked for, we will send you a letter. If your problem is about a service or item covered by Medicare or both Medicare and Medicaid, the letter will tell you that we sent your case to the Independent Review Entity for a Level 2 Appeal. If your problem is about a service or item covered only by Medicaid, the letter will tell you how to file a Level 2 Appeal yourself. For more information about the Level 2 Appeal process, go to Section E on page 142.

When will I hear about a "fast" appeal decision?

If you ask for a fast appeal, we will let you know within 24 hours after we get your request if we need more information to decide your appeal. We will make a decision on your fast appeal within 24 hours after receiving all of the required information from you.

If you have questions, please call Blue Cross Community MMAI Member Services at **1-877-723-7702 (TTY: 711)**. We are available seven (7) days a week. We can't take extra time to make a decision if your request is for a Medicare Part B prescription drug.
- If you believe we should not take extra days, you can file a "fast complaint" about our decision to take extra days. When you file a fast complaint, we will give you an answer to your complaint within 24 hours. For more information about the process for making complaints, including fast complaints, refer to Section J on page 169.
- If we do not give you an answer to your appeal within 24 hours after receiving all required information or by the end of the extra days (if we took them), we will automatically send your case to Level 2 of the appeals process if your problem is about a service or item covered by Medicare or both Medicare and Medicaid. You will be notified when this happens. If your problem is about a service or item covered only by Medicaid, you can file a Level 2 Appeal yourself. For more information about the Level 2 Appeal process, refer to to Section E on page 142.

For more information about the Level 2 Appeal process, go to Section E on page 142.

Will my benefits continue during Level 1 Appeals?

- If your problem is about a service covered by Medicare or both Medicare and Medicaid, your benefits for that service will continue during the Level 1 Appeal process.
- If your problem is about a service covered only by Medicaid, your benefits for that service will not continue unless you ask the plan to continue your benefits when you appeal. You must submit your appeal and ask to continue benefits within 10 calendar days after you receive the Notice of Denial of Medical Coverage. If you lose the appeal, you may have to pay for the service.

E4. Level 2 Appeal for services, items, and drugs (not Part D drugs)

If the plan says No at Level 1, what happens next?

- If we say **No** to part or all of your Level 1 Appeal, we will send you a letter. This letter will tell you if the service or item is usually covered by Medicare and/or Medicaid.
- If your problem is about a **Medicare** service or item, you will automatically get a Level 2 Appeal with the Independent Review Entity (IRE) as soon as the Level 1 Appeal is complete.

If you have questions, please call Blue Cross Community MMAI Member Services at **1-877-723-7702 (TTY: 711)**. We are available seven (7) days a week. Our call center is open Monday-Friday 8:00 a.m. – 8:00 p.m. Central time. On weekends and Federal holidays, voice messaging is available. Chapter 9: What to do if you have a problem or complaint (coverage decisions, appeals, complaints)

- If your problem is about a **Medicaid** service or item, you can file a Level 2 Appeal yourself with the State Fair Hearings office. The letter will tell you how to do this. Information is also below.
- If your problem is about a service or item that could be covered by **both Medicare and Medicaid**, you will automatically get a Level 2 Appeal with the IRE. If they also say **No** to your appeal, you can ask for another Level 2 Appeal with the State Fair Hearings office.

What is a Level 2 Appeal?

A Level 2 Appeal is the second appeal, which is done by an independent organization that is not connected to the plan. It is either an Independent Review Entity (IRE) or it is a Medicaid State Fair Hearings office. The IRE is an independent organization hired by Medicare. It is not a government agency. Medicare oversees its work.

My problem is about a Medicaid service or item. How can I make a Level 2 Appeal?

Level 2 of the appeals process for Medicaid non-waiver services is an External Independent Review (EIR) and/or a State Fair Hearing. You must ask for a State Fair Hearing in writing or over the phone **within 120 calendar days** of the date that we sent the decision letter on your Level 1 Appeal. The letter you get from us will tell you where to submit your hearing request.

You must ask for an EIR within **30 days** of the that we sent the decision letter on your Level 1 Appeal. If you want your services to remain in place during the EIR process, you must request an EIR within **ten (10) calendar days** of our decision letter. To request an EIR or if you have questions, you can contact Blue Cross Community MMAI at:

Blue Cross Community MMAI
Grievance and Appeals Coordinator
P.O. Box 27838
Albuquerque, NM 87125-9705
1-877-723-7702 (TTY: **711**)
Fax: **1-866-643-7069**
Fast Request Fax: **1-800-338-2227**

Within five (5) business days after we receive your request, we will review all information. We will then notify you if your request is eligible for an EIR. If your request is eligible, we will notify you of the external review organization chosen to review your information. Within five (5) days of receiving all needed information, the EIR organization will review the information. The organization will decide whether the services are medically appropriate. If the services are ruled medically appropriate, Blue Cross Community MMAI will approve the service(s). We will notify you orally and in writing of the results of the EIR.

An expedited (Fast) EIR may be requested if you feel the timeframe for completing a standard EIR could seriously risk your life or health. This includes your being able to reach, keep or get back to your maximum function. A request for an expedited EIR may be made orally or in writing. If we agree that your request can be expedited, we will send it to the EIR organization within 24 hours

If you have questions, please call Blue Cross Community MMAI Member Services at **1-877-723-7702** (TTY: **711**). We are available seven (7) days a week. Our call center is open Monday-Friday 8:00 a.m. – 8:00 p.m. Central time. On weekends and Federal holidays, voice messaging is available. If you leave a voice message, a Member Services representative will return your call no later than the next business day. The call is free. **For more information, visit bcbsil.com/mmai.**

of receiving all needed information. The EIR organization will make a decision within one (1) business day. We will notify you orally of the results of the expedited EIR.

Level 2 of the appeals process for Medicaid waiver services is a State Fair Hearing. The letter you get from us will tell you where to submit your hearing request.

Chapter 9: What to do if you have a problem or complaint (coverage decisions, appeals, complaints)

- You will get a letter from the Hearings office telling you the date, time, and place of the hearing. This letter will also provide detailed information about the hearing. It is important that you read this letter carefully.
- At least three business days before the hearing, you will get a packet of information from our plan. This packet will include all the evidence we will present at the hearing. This packet will also be sent to the Impartial Hearing Officer.
- You will need to tell the Hearings office of any reasonable accommodations you may need.
- If because of your disability you cannot participate in person at the local office, you may ask to participate by phone. Please provide the Hearings staff with the phone number to best reach you.
- You must provide all the evidence you will present at the hearing to the Impartial Hearing Officer at least three business days before the hearing. This includes a list of any witnesses who will appear, as well as all documents you will use.
- The hearing will be recorded.

My problem is about a service or item that is covered by Medicare or both Medicare and Medicaid. What will happen at the Level 2 Appeal?

If we say **No** to your Appeal at Level 1 and the service or item is usually covered by Medicare or both Medicare and Medicaid, you will **automatically** get a Level 2 Appeal from the Independent Review Entity (IRE). The IRE will carefully review the Level 1 decision and decide whether it should be changed.

- You do not need to request the Level 2 Appeal. We will automatically send any denials (in whole or in part) to the IRE. You will be notified when this happens.
- The IRE is hired by Medicare and is not connected with this plan.
- You may ask for a copy of your file by calling Member Services at **1-877-723-7702** (TTY: **711**). We are available seven (7) days a week. Our call center is open Monday-Friday 8:00 a.m. – 8 p.m. Central time. On weekends and Federal holidays, voice messaging is available. If you leave a voice message, a Member Services representative will return your call no later than the next business day. The call is free.

The IRE must give you an answer to your Level 2 Appeal within 30 calendar days of when it gets your appeal (or within 7 calendar days of when it gets your appeal for a Medicare Part B prescription drug). This rule applies if you sent your appeal before getting medical services or items.

- However, if the IRE needs to gather more information that may benefit you, it can take up to 14 more calendar days. If the IRE needs extra days to make a decision, it will tell you by letter. The IRE can't take extra time to make a decision if your appeal is for a Medicare Part B prescription drug.

If you had a "fast appeal" at Level 1, you will automatically have a fast appeal at Level 2. The IRE must give you an answer within 72 hours of when it gets your appeal.

If you have questions, please call Blue Cross Community MMAI Member Services at **1-877-723-7702** (TTY: **711**). We are available seven (7) days a week. Our call center is open Monday-Friday 8:00 a.m. – 8:00 p.m. Central time. On weekends and Federal holidays, voice messaging is available. If you leave a voice message, a Member Services representative will return your call no later than the next business day. The call is free. **For more information**, visit [**bcbsil.com/mmai**](http://bcbsil.com/mmai).

- However, if the IRE needs to gather more information that may benefit you, it can take up to 14 more calendar days. If the IRE needs extra days to make a decision, it will tell you by letter. The IRE can't take extra time to make a decision if your appeal is for a Medicare Part B prescription drug.

How will I find out about the decision?

If your Level 2 Appeal was a State Fair Hearing, the State Fair Hearings office will send you a letter explaining its decision. This letter is called a "Final Administrative Decision."

- If the State Fair Hearings office says **Yes** to part or all of what you asked for, we must authorize or provide the medical care coverage as soon as your health requires.
- If the State Fair Hearings office says **No** to part or all of what you asked for, it means they agree with the Level 1 decision. This is called "upholding the decision." It is also called "turning down your appeal."

If your Level 2 Appeal went to the Independent Review Entity (IRE), it will send you a letter explaining its decision.

- If the IRE says **Yes** to part or all of what you asked for in your standard appeal, we must authorize the medical care coverage within 72 hours or give you the service or item within 14 calendar days from the date we get the IRE's decision. If you had a fast appeal, we must authorize the medical care coverage or give you the service or item within 72 hours from the date we get the IRE's decision.
- If the IRE says **Yes** to part or all of what you asked for in your standard appeal for a Medicare Part B prescription drug, we must authorize or provide the Medicare Part B prescription drug within 72 hours after we get the IRE's decision. If you had a fast appeal, we must authorize or provide the Medicare Part B prescription drug within 24 hours from the date we get the IRE's decision.
- If the IRE says **No** to part or all of what you asked for, it means they agree with the Level 1 decision. This is called "upholding the decision." It is also called "turning down your appeal."

If the decision is No for all or part of what I asked for, can I make another appeal?

If your Level 2 Appeal went to the State Fair Hearings office, and you disagree with the decision, you cannot make another appeal on the same issue to the State Fair Hearings office. The decision is reviewable only through the Circuit courts of the State of Illinois.

If your Level 2 Appeal went to the Independent Review Entity (IRE), you may be able to appeal again in certain situations:

- If your problem is about a service or item that is covered by **both Medicare and Medicaid**, you can ask for another Level 2 Appeal with the State Fair Hearings office. After the IRE makes its decision, they will send you a letter to explain additional appeal right to ask for a State Fair Hearing. After the IRE makes its decision, we will send you a letter telling you about your right to ask for a State Fair Hearing. Refer to page 142 for information on the State Fair Hearing process.

If you have questions, please call Blue Cross Community MMAI Member Services at **1-877-723-7702 (TTY: 711)**. We are available seven (7) days a week. Our call center is open Monday-Friday 8:00 a.m. – 8:00 p.m. Central time. On weekends and Federal holidays, voice messaging is available. If you leave a voice message, a Member Services representative will return your call no later than the next business day. The call is free. **For more information,**

Chapter 9: What to do if you have a problem or complaint (coverage decisions, appeals, complaints)

- If your problem is about a service or item that is covered by Medicare or both Medicare and Medicaid, you can appeal after Level 2 only if the dollar value of the service or item you want meets a certain minimum amount. The letter you get from the IRE will explain additional appeal rights you may have.

Refer to Section I on page 168 for more information on your appeal rights after Level 2.

Will my benefits continue during Level 2 appeals?

Maybe.

- If your problem is about a service covered by Medicare only, your benefits for that service will **not** continue during the Level 2 appeals process with the IRE.
- If your problem is about a service covered by Medicaid only, your benefits for that service will continue if you submit a Level 2 Appeal within 10 calendar days after receiving the plan's decision letter.
- If your problem is about a service covered by both Medicare and Medicaid, your benefits for that service will continue during the Level 2 appeal process with the IRE. If you submit the appeal to the State Fair Hearings office after the IRE makes its decision and you would like for your services to stay in place during the State Fair Hearing process, you must ask for them to remain in place and you must ask within 10 calendar days of the notice from the IRE.

E5. Payment problems

We do not allow our network providers to bill you for covered services and items. This is true even if we pay the provider less than the provider charges for a covered service or item. You are never required to pay the balance of any bill.

If you get a bill for covered services and items, send the bill to us. **You should not pay the bill yourself.** We will contact the provider directly and take care of the problem.

For more information, start by reading Chapter 7: "Asking us to pay a bill you have gotten for covered services or drugs" in the section titled "When a network provider sends you a bill." Chapter 7 describes the situations in which you may need to ask for reimbursement or to pay a bill you got from a provider. It also tells how to send us the paperwork that asks us for payment.

Can I ask you to pay me back for a service or item I paid for?

Remember, if you get a bill for covered services and items, you should not pay the bill yourself. But if you do pay the bill, you can get a refund if you followed the rules for getting services and items.

If you are asking to be paid back, you are asking for a coverage decision. We will find out if the service or item you paid for is a covered service or item, and we will check to find out if you followed all the rules for using your coverage.

If you have questions, please call Blue Cross Community MMAI Member Services at **1-877-723-7702 (TTY: 711)**. We are available seven (7) days a week. Our call center is open Monday-Friday 8:00 a.m. – 8:00 p.m. Central time. On weekends and Federal holidays, voice messaging is available. If you leave a voice message, a Member Services representative will return your call no later than the next business day. The call is free. **For more information, visit bcbsil.com/mmai.**

- If the service or item you paid for is covered and you followed all the rules, we will send you the payment for the service or item within 60 calendar days after we get your request. If you haven't paid for the service or item yet, we will send the payment directly to the provider. When we send the payment, it's the same as saying **Yes** to your request for a coverage decision.
- If the service or item is not covered, or you did not follow all the rules, we will send you a letter telling you we will not pay for the service or item, and explaining why.

What if we say we will not pay?

If you do not agree with our decision, **you can make an appeal**. Follow the appeals process described in Section E on page 138. When you follow these instructions, please note:

- If you make an appeal for reimbursement, we must give you our answer within 60 calendar days after we get your appeal.
- If you are asking us to pay you back for a service or item you already got and paid for yourself, you cannot ask for a fast appeal.

If we answer **No** to your appeal and the service or item is usually covered by Medicare or both Medicare and Medicaid, we will automatically send your case to the Independent Review Entity (IRE). We will notify you by letter if this happens.

- If the IRE reverses our decision and says we should pay you, we must send the payment to you or to the provider within 30 calendar days. If the answer to your appeal is **Yes** at any stage of the appeals process after Level 2, we must send the payment you asked for to you or to the provider within 60 calendar days.
- If the IRE says **No** to your appeal, it means they agree with our decision not to approve your request. (This is called "upholding the decision." It is also called "turning down your appeal.") The letter you get will explain additional appeal rights you may have.

If we answer **No** to your appeal and the service or item is usually covered by Medicaid only, you can file a Level 2 Appeal yourself (refer to Section E on page 142).

F. Part D drugs

F1. What to do if you have problems getting a Part D drug or you want us to pay you back for a Part D drug

Your benefits as a member of our plan include coverage for many prescription drugs. Most of these drugs are "Part D drugs." There are a few drugs that Medicare Part D does not cover but that Medicaid may cover. **This section only applies to Part D drug appeals.**

The Drug List, includes some drugs with a "MC" These drugs are not Part D drugs. Appeals or coverage decisions about drugs with "MC" symbol follow the process in Section E on page 136.

Can I ask for a coverage decision or make an appeal about Part D prescription drugs?

If you have questions, please call Blue Cross Community MMAI Member Services at **1-877-723-7702 (TTY: 711)**. We are available seven (7) days a week. Our call center is open Monday-Friday 8:00 a.m. – 8:00 p.m. Central time. On weekends and Federal holidays, voice messaging is available. If you leave a voice message, a Member Services representative will return your call no later than the next business day. The call is free. **For more information**,

Chapter 9: What to do if you have a problem or complaint (coverage decisions, appeals, complaints)

Yes. Here are examples of coverage decisions you can ask us to make about your Part D drugs:

- You ask us to make an exception such as:
 - Asking us to cover a Part D drug that is not on the plan's Drug List
 - Asking us to waive a restriction on the plan's coverage for a drug (such as limits on the amount of the drug you can get)
- You ask us if a drug is covered for you (for example, when your drug is on the plan's Drug List but we require you to get approval from us before we will cover it for you).

NOTE: If your pharmacy tells you that your prescription cannot be filled, you will get a notice explaining how to contact us to ask for a coverage decision.

- You ask us to pay for a prescription drug you already bought. This is asking for a coverage decision about payment.

The legal term for a coverage decision about your Part D drugs is "**coverage determination.**"

If you disagree with a coverage decision we have made, you can appeal our decision. This section tells you how to ask for coverage decisions and how to request an appeal.

Which of these situations are you in?			
Do you need a drug that isn't on our Drug List or need us to waive a rule or restriction on a drug we cover?	Do you want us to cover a drug on our Drug List and you believe you meet any plan rules or restrictions (such as getting approval in advance) for the drug you need?	Do you want to ask us to pay you back for a drug you already got and paid for?	Have we already told you that we will not cover or pay for a drug in the way that you want it to be covered or paid for?
You can ask us to make an exception. (This is a type of coverage decision.)	You can ask us for a coverage decision.	You can ask us to pay you back. (This is a type of coverage decision.)	You can make an appeal. (This means you are asking us to reconsider.)
Start with Section F2 on page 150. Also refer to Sections F3 and F4 on pages 150 and 151.	Skip ahead to Section F4 on page 151.	Skip ahead to Section F4 on page 151.	Skip ahead to Section F5 on page 154.

If you have questions, please call Blue Cross Community MMAI Member Services at **1-877-723-7702 (TTY: 711)**. We are available seven (7) days a week. Our call center is open Monday-Friday 8:00 a.m. – 8:00 p.m. Central time. On weekends and Federal holidays, voice messaging is available. If you leave a voice message, a Member Services representative will return your call no later than the next business day. The call is free. **For more information**, visit bcbsil.com/mmai.

F2. What an exception is

An exception is permission to get coverage for a drug that is not normally on our Drug List or to use the drug without certain rules and limitations. If a drug is not on our Drug List or is not covered in the way you would like, you can ask us to make an "exception."

When you ask for an exception, your doctor or other prescriber will need to explain the medical reasons why you need the exception.

Here are examples of exceptions that you or your doctor or another prescriber can ask us to make:

1. Covering a Part D drug that is not on our Drug List.
 - You cannot ask for an exception to the copay or coinsurance amount we require you to pay for the drug.
2. Removing a restriction on our coverage. There are extra rules or restrictions that apply to certain drugs on our Drug List (for more information, go to Chapter 5, Section B).
 - The extra rules and restrictions on coverage for certain drugs include: – Being required to use the generic version of a drug instead of the brand name drug.
 - Getting plan approval before we will agree to cover the drug for you. (This is sometimes called "prior authorization" (PA).)
 - Being required to try a different drug first before we will agree to cover the drug you are asking for. (This is sometimes called "step therapy.")
 - Quantity limits. For some drugs, we limit the amount of the drug you can have.

The legal term for asking for removal of a restriction on coverage for a drug is sometimes called asking for a **"formulary exception."**

F3. Important things to know about asking for exceptions

Your doctor or other prescriber must tell us the medical reasons

Your doctor or other prescriber must give us a statement explaining the medical reasons for requesting an exception. Our decision about the exception will be faster if you include this information from your doctor or other prescriber when you ask for the exception.

Typically, our Drug List includes more than one drug for treating a particular condition. These are called "alternative" drugs. If an alternative drug would be just as effective as the drug you are asking for and would not cause more side effects or other health problems, we will generally *not* approve your request for an exception.

We will say Yes or No to your request for an exception

If you have questions, please call Blue Cross Community MMAI Member Services at **1-877-723-7702 (TTY: 711)**. We are available seven (7) days a week. Our call center is open Monday-Friday 8:00 a.m. – 8:00 p.m. Central time. On weekends and Federal holidays, voice messaging is available. If you leave a voice message, a Member Services representative will return your call no later than the next business day. The call is free. **For more information**,

- If we say **Yes** to your request for an exception, the exception usually lasts until the end of the calendar year. This is true as long as your doctor continues to prescribe the drug for you and that drug continues to be safe and effective for treating your condition.
- If we say **No** to your request for an exception, you can ask for a review of our decision by making an appeal. Section F5 on page 154 tells how to make an appeal if we say **No**.

The next section tells you how to ask for a coverage decision, including an exception.

F4. How to ask for a coverage decision about a Part D drug or reimbursement for a Part D drug, including an exception

What to do

- Ask for the type of coverage decision you want. Call, write, or fax us to make your request. You, your representative, or your doctor (or other prescriber) can do this. You can call us at **1-877-723-7702 (TTY: 711)**. We are available seven (7) days a week. Our call center is open Monday-Friday 8:00 a.m. – 8 p.m. Central time. On weekends and Federal holidays, voice messaging is available. If you leave a voice message, a Member Services representative will return your call no later than the next business day. The call is free. Include your name, contact information, and information about the claim.
- You or your doctor (or other prescriber) or someone else who is acting on your behalf can ask for a coverage decision. You can also have a lawyer act on your behalf.
- Read Section D on page 132 to find out how to give permission to someone else to act as your representative.
- You do not need to give your doctor or other prescriber written permission to ask us for a coverage decision on your behalf.

At a glance: How to ask for a Coverage Decision about a drug or payment

Call, write, or fax us to ask, or ask your representative or doctor or other prescriber to ask. We will give you an answer on a standard coverage decision within 72 hours. We will give you an answer on reimbursing you for a Part D drug you already paid for within 14 calendar days.

- If you are asking for an exception, include the supporting statement from the doctor or other prescriber.
 - You or your doctor or other prescriber may ask for a fast decision. (Fast decisions usually come within 24 hours.)
 - Read this section to make sure you qualify for a fast decision! Read it also to find information about decision deadlines.

The call is free. **For more information**, visit [**bcbsil.com/mmai**](http://bcbsil.com/mmai).

- If you want to ask us to pay you back for a drug, read Chapter 7, Section A, of this handbook. Chapter 7 describes times when you may need to ask for reimbursement. It also tells how to send us the paperwork that asks us to pay you back for our share of the cost of a drug you have paid for.
- If you are asking for an exception, provide the "supporting statement." Your doctor or other prescriber must give us the medical reasons for the drug exception. We call this the "supporting statement."
- Your doctor or other prescriber can fax or mail the statement to us. Or your doctor or other prescriber can tell us on the phone, and then fax or mail a statement.

If your health requires it, ask us to give you a "fast coverage decision"

We will use the "standard deadlines" unless we have agreed to use the "fast deadlines."

- **A standard coverage decision** means we will give you an answer within 72 hours after we get your doctor's statement.
- **A fast coverage decision** means we will give you an answer within 24 hours after we get your doctor's statement.

The legal term for "fast coverage decision" is "expedited coverage determination."

You can get a fast coverage decision **only if you are asking for a drug you have not yet received.** (You cannot get a fast coverage decision if you are asking us to pay you back for a drug you already bought.)

You can get a fast coverage decision **only if using the standard deadlines could cause serious harm to your health or hurt your ability to function.**

If your doctor or other prescriber tells us that your health requires a "fast coverage decision," we will automatically agree to give you a fast coverage decision, and the letter will tell you that.

- If you ask for a fast coverage decision on your own (without your doctor's or other prescriber's support), we will decide whether you get a fast coverage decision.
- If we decide that your medical condition does not meet the requirements for a fast coverage decision, we will use the standard deadlines instead.
 - We will send you a letter telling you that. The letter will tell you how to make a complaint about our decision to give you a standard decision.
 - You can file a "fast complaint" and get a response to your complaint within 24 hours. For more information about the process for making complaints, including fast complaints, refer to Section J on page 169.

F6. Level 2 Appeal for Part D drugs

If we say **No** to part or all of your appeal, you can choose whether to accept this decision or make another appeal. If you decide to go on to a Level 2 Appeal, the Independent Review Entity (IRE) will review our decision.

- If you want the IRE to review your case, your appeal request must be in writing. The letter we send about our decision in the Level 1 Appeal will explain how to request the Level 2 Appeal.
- When you make an appeal to the IRE, we will send them your case file. You have the right to ask us for a copy of your case file by calling Member Services at **1-877-723-7702** (TTY: **711**). Chapter 9: What to do if you have a problem or complaint (coverage decisions, appeals, complaints)

- If the IRE agrees to give you a "fast appeal," it must give you an answer to your Level 2 Appeal within 72 hours after getting your appeal request.
- If the IRE says **Yes** to part or all of what you asked for, we must authorize or give you the drug coverage within 24 hours after we get the decision.

Deadlines for "standard appeal" at Level 2

- If you have a standard appeal at Level 2, the Independent Review Entity (IRE) must give you an answer to your Level 2 Appeal within 7 calendar days after it gets your appeal, or 14 calendar days if you asked us to pay you back for a drug you already bought.
- If the IRE says **Yes** to part or all of what you asked for, we must authorize or give you the drug coverage within 72 hours after we get the decision.
- If the IRE approves a request to pay you back for a drug you already bought, we will send payment to you within 30 calendar days after we get the decision.

What if the Independent Review Entity says No to your Level 2 Appeal?

No means the Independent Review Entity (IRE) agrees with our decision not to approve your request. This is called "upholding the decision." It is also called "turning down your appeal."

If you want to go to Level 3 of the appeals process, the drugs you are requesting must meet a minimum dollar value. If the dollar value is less than the minimum, you cannot appeal any further. If the dollar value is high enough, you can ask for a Level 3 appeal. The letter you get from the IRE will tell you the dollar value needed to continue with the appeal process.

G. Asking us to cover a longer hospital stay

When you are admitted to a hospital, you have the right to get all hospital services that we cover that are necessary to diagnose and treat your illness or injury.

During your covered hospital stay, your doctor and the hospital staff will work with you to prepare for the day when you leave the hospital. They will also help arrange for any care you may need after you leave.

- The day you leave the hospital is called your "discharge date."
- Your doctor or the hospital staff will tell you what your discharge date is.

If you think you are being asked to leave the hospital too soon, you can ask for a longer hospital stay. This section tells you how to ask.

G1. Learning about your Medicare rights

Within two days after you are admitted to the hospital, a caseworker or nurse will give you a notice called "An Important Message from Medicare about Your Rights." If you do not get this notice, ask any hospital employee for it. If you need help, please call Member Services at **1-877-723-7702** (TTY: **711**). We are available seven (7) days a week. What is a Quality Improvement Organization?

It is a group of doctors and other health care professionals who are paid by the federal government. These experts are not part of our plan. They are paid by Medicare to check on and help improve the quality of care for people with Medicare.

Ask for a "fast review"

You must ask the Quality Improvement Organization for a "fast review" of your discharge. Asking for a "fast review" means you are asking the organization to use the fast deadlines for an appeal instead of using the standard deadlines.

The legal term for "fast review" is "**immediate review**."

What happens during the fast review?

- The reviewers at the Quality Improvement Organization will ask you or your representative why you think coverage should continue after the planned discharge date. You don't have to prepare anything in writing, but you may do so if you wish.

If you have questions, please call Blue Cross Community MMAI Member Services at **1-877-723-7702** (TTY: **711**). We are available seven (7) days a week. Our call center is open Monday-Friday 8:00 a.m. – 8:00 p.m. Central time. On weekends and Federal holidays, voice messaging is available. If you leave a voice message, a Member Services representative will return your call no later than the next business day. The call is free. **For more information**, visit bcbsil.com/mmai.

- The reviewers will look at your medical record, talk with your doctor, and review all of the information related to your hospital stay.
- By noon of the day after the reviewers tell us about your appeal, you will get a letter that gives your planned discharge date. The letter explains the reasons why your doctor, the hospital, and we think it is right for you to be discharged on that date.

The legal term for this written explanation is called the "**Detailed Notice of Discharge.**" You can get a sample by calling Member Services at toll-free number. You can also call **1-800-MEDICARE (1-800-633-4227)**, 24 hours a day, 7 days a week. (TTY users should call **1-877-486-2048**.) Or you can refer to a sample notice online at www.cms.gov/Medicare/Medicare-General-Information/BNH/HospitalDischargeAppealNotices

What if the answer is Yes?

- If the Quality Improvement Organization says **Yes** to your appeal, we must keep covering your hospital services for as long as they are medically necessary.

What if the answer is No?

- If the Quality Improvement Organization says **No** to your appeal, they are saying that your planned discharge date is medically appropriate. If this happens, our coverage for your inpatient hospital services will end at noon on the day after the Quality Improvement Organization gives you its answer.
- If the Quality Improvement Organization says **No** and you decide to stay in the hospital, then you may have to pay for your continued stay at the hospital. The cost of the hospital care that you may have to pay begins at noon on the day after the Quality Improvement Organization gives you its answer.
- If the Quality Improvement Organization turns down your appeal and you stay in the hospital after your planned discharge date, then you can make a Level 2 Appeal.

G3. Level 2 Appeal to change your hospital discharge date

If the Quality Improvement Organization has turned down your appeal and you stay in the hospital after your planned discharge date, then you can make a Level 2 Appeal. You will need to contact the Quality Improvement Organization again and ask for another review.

Ask for the Level 2 review **within 60 calendar days** after the day when the Quality Improvement Organization said **No** to your Level 1 Appeal. You can ask for this review only if you stayed in the hospital after the date that your coverage for the care ended.

In Illinois, the Quality Improvement Organization is called Livanta BFCC-QIO. You can reach Livanta BFCC-QIO at: **1-888-524-9900**.

If you have questions, please call Blue Cross Community MMAI Member Services at **1-877-723-7702 (TTY: 711)**. We are available seven (7) days a week. - Within 14 calendar days of receipt of your request for a second review, the Quality Improvement Organization reviewers will make a decision.

At a glance: How to make a Level 2 Appeal to change your discharge date

Call the Quality Improvement Organization for your state at **1-888-524-9900** and ask for another review.

What happens if the answer is Yes?

- We must pay you back for our share of the costs of hospital care you got since noon on the day after the date of your first appeal decision. We must continue providing coverage for your inpatient hospital care for as long as it is medically necessary.
- You must continue to pay your share of the costs and coverage limitations may apply.

What happens if the answer is No?

It means the Quality Improvement Organization agrees with the Level 1 decision and will not change it. The letter you get will tell you what you can do if you wish to continue with the appeal process.

If the Quality Improvement Organization turns down your Level 2 Appeal, you may have to pay the full cost for your stay after your planned discharge date.

G4. What happens if you miss an appeal deadline

If you miss appeal deadlines, there is another way to make Level 1 and Level 2 Appeals, called Alternate Appeals. But the first two levels of appeal are different.

Level 1 Alternate Appeal to change your hospital discharge date

If you miss the deadline for contacting the Quality Improvement Organization (which is within 60 days or no later than your planned discharge date, whichever comes first), you can make an appeal to us, asking for a "fast review." A fast review is an appeal that uses the fast deadlines instead of the standard deadlines.

- During this review, we take a look at all of the information about your hospital stay. We check to find out if the decision about when you should leave the hospital was fair and followed all the rules.

At a glance:

How to make a Level 1 Alternate Appeal

Call our Member Services number and ask for a "fast review" of your hospital discharge date. We will give you our decision within 72 hours.

If you have questions, please call Blue Cross Community MMAI Member Services at **1-877-723-7702 (TTY: 711)**. We are available seven (7) days a week. The call is free. **For more information**, visit [**bcbsil.com/mmai**](http://bcbsil.com/mmai).

- We will use the fast deadlines rather than the standard deadlines for giving you the answer to this review. This means we will give you our decision within 72 hours after you ask for a "fast review."
- **If we say Yes to your fast review**, it means we agree that you still need to be in the hospital after the discharge date. We will keep covering hospital services for as long as it is medically necessary. It also means that we agree to pay you back for our share of the costs of care you got since the date when we said your coverage would end.
- **If we say No to your fast review**, we are saying that your planned discharge date was medically appropriate. Our coverage for your inpatient hospital services ends on the day we said coverage would end.
 - If you stayed in the hospital after your planned discharge date, then you may have to pay the full cost of hospital care you got after the planned discharge date.
- To make sure we were following all the rules when we said **No** to your fast appeal, we will send your appeal to the "Independent Review Entity." When we do this, it means that your case is automatically going to Level 2 of the appeals process.

The legal term for "fast review" or "fast appeal" is "**expedited appeal**."

Level 2 Alternate Appeal to change your hospital discharge date

We will send the information for your Level 2 Appeal to the Independent Review Entity (IRE) within 24 hours of when we give you our Level 1 decision. If you think we are not meeting this deadline or other deadlines, you can make a complaint. Section J on page 169 tells how to make a complaint.

During the Level 2 Appeal, the IRE reviews the decision we made when we said **No** to your "fast review." This organization decides whether the decision we made should be changed.

- The IRE does a "fast review" of your appeal. The reviewers usually give you an answer within 72 hours.
- The IRE is an independent organization that is hired by Medicare. This organization is not connected with our plan and it is not a government agency.
- Reviewers at the IRE will take a careful look at all of the information related to your appeal of your hospital discharge.
- If the IRE says **Yes** to your appeal, then we must pay you back for our share of the costs of hospital care you got since the date of your planned discharge. We must also continue our coverage of your hospital services for as long as it is medically necessary.

At a glance:

H. What to do if you think your home health care, skilled nursing care, or Comprehensive Outpatient Rehabilitation Facility (CORF) services are ending too soon

This section is about the following types of care only:

- Home health care services.
- Skilled nursing care in a skilled nursing facility.
- Rehabilitation care you are getting as an outpatient at a Medicare-approved Comprehensive Outpatient Rehabilitation Facility (CORF). Usually, this means you are getting treatment for an illness or accident, or you are recovering from a major operation.
 - With any of these three types of care, you have the right to keep getting covered services for as long as the doctor says you need it.
 - When we decide to stop covering any of these, we must tell you before your services end. When your coverage for that care ends, we will stop paying for your care.

If you think we are ending the coverage of your care too soon, **you can appeal our decision**. This section tells you how to ask for an appeal.

H1. We will tell you in advance when your coverage will be ending

You will get a notice at least two days before we stop paying for your care. This is called the "Notice of Medicare Non-Coverage." The written notice tells you the date we will stop covering your care and how to appeal this decision.

You or your representative should sign the written notice to show that you got it. Signing it does **not** mean you agree with the plan that it is time to stop getting the care.

When your coverage ends, we will stop paying.

H2. Level 1 Appeal to continue your care

If you think we are ending coverage of your care too soon, **you can appeal our decision**. This section tells you how to ask for an appeal.

Before you start your appeal, understand what you need to do and what the deadlines are.

- **Meet the deadlines.** The deadlines are important. Be sure that you understand and follow the deadlines that apply to things you must do. There are also deadlines our plan must follow. - **Ask for help if you need it.** If you have questions or need help at any time, please call Member Services at **1-877-723-7702** (TTY: **711**). We are available seven (7) days a week. What happens if the reviewers say Yes?

- If the reviewers say **Yes** to your appeal, then we must keep providing your covered services for as long as they are medically necessary.

What happens if the reviewers say No?

I. Taking your appeal beyond Level 2

I1. Next steps for Medicare services and items

If you made a Level 1 Appeal and a Level 2 Appeal for Medicare services or items, and both your appeals have been turned down, you may have the right to additional levels of appeal. The letter you get from the Independent Review Entity will tell you what to do if you wish to continue the appeals process.

Level 3 of the appeals process is an Administrative Law Judge (ALJ) hearing. The person who makes the decision in a Level 3 appeal is an ALJ or an attorney adjudicator. If you want an ALJ or attorney adjudicator to review your case, the item or medical service you are requesting must meet a minimum dollar amount. If the dollar value is less than the minimum level, you cannot appeal any further. If the dollar value is high enough, you can ask an ALJ or attorney adjudicator to hear your appeal.

If you do not agree with the ALJ or attorney adjudicator's decision, you can go to the Medicare Appeals Council. After that, you may have the right to ask a federal court to look at your appeal.

If you need assistance at any stage of the appeals process, you can contact the Senior HelpLine Monday through Friday from 8:30 a.m. to 5:00 p.m. The phone number is **1-800-252-8966** (TTY: **1-888-206-1327**). The call and help are free.

If you leave a voice message, a Member Services representative will return your call no later than the next business day. The call is free. **For more information**, visit bcbsil.com/mmai.

I2. Next steps for Medicaid services and items

You also have more appeal rights if your appeal is about services or items that might be covered by Medicaid.

After your Level 2 Appeal in the State Fair Hearings office has concluded, you will get a written decision called a "Final Administrative Decision." This decision is made by the Director of the Agency based on recommendations from the Impartial Hearing Officer. The decision will be sent to you and all interested parties in writing by the Hearings office. This decision is reviewable only through the Circuit courts of the State of Illinois. The time the Circuit Court will allow for filing for such review may be as short as 35 days from the date of your Final Administrative Decision.

Chapter 12: Definitions of important words

Introduction

This chapter includes key terms used throughout the *Member Handbook* with their definitions. The terms are listed in alphabetical order. If you can't find a term you're looking for or if you need more information than a definition includes, contact Member Services.

Activities of daily living: The things people do on a normal day, such as eating, using the toilet, getting dressed, bathing, or brushing the teeth.

Aid paid pending: You can continue getting your benefits while you are waiting for a decision about an appeal or fair hearing. This continued coverage is called "aid paid pending."

Ambulatory surgical center: A facility that provides outpatient surgery to patients who do not need hospital care and who are not expected to need more than 24 hours of care.

Appeal: A way for you to challenge our action if you think we made a mistake. You can ask us to change a coverage decision by filing an appeal. Chapter 9 explains appeals, including how to make an appeal.

Brand name drug: A prescription drug that is made and sold by the company that originally made the drug. Brand name drugs have the same ingredients as the generic versions of the drugs. Generic drugs are made and sold by other drug companies.

Care coordinator: One main person who works with you, with the health plan, and with your care providers to make sure you get the care you need.

Care plan: A plan developed by you and your care coordinator that describes what medical, behavioral health, social and functional needs you have and identifies goals and services to address those needs.

Care team: A care team, led by a care coordinator, may include doctors, nurses, counselors, or other professionals who are there to help you build a care plan and ensure you get the care you need.

Centers for Medicare & Medicaid Services (CMS): The federal agency in charge of Medicare. Chapter 2 explains how to contact CMS.

Complaint: A written or spoken statement saying that you have a problem or concern about your covered services or care. This includes any concerns about the quality of your care, our network providers, or our network pharmacies. The formal name for "making a complaint" is "filing a grievance."

Comprehensive outpatient rehabilitation facility (CORF): A facility that mainly provides rehabilitation services after an illness, accident, or major operation. It provides a variety of services, including physical therapy, social or psychological services, respiratory therapy, occupational therapy, speech therapy, and home environment evaluation services.

If you have questions, please call Blue Cross Community MMAI Member Services at **1-877-723-7702 (TTY: 711)**. We are available seven (7) days a week. Our call center is open Monday-Friday 8:00 a.m. – 8:00 p.m. Central time. On weekends and Federal holidays, voice messaging is available. Coverage decision: A decision about what benefits we cover. This includes decisions about covered drugs and services or the amount we will pay for your health services. Chapter 9 explains how to ask us for a coverage decision.

Covered drugs: The term we use to mean all of the prescription drugs covered by our plan.

Covered services: The general term we use to mean all of the health care, long-term services and supports, supplies, prescription and over-the-counter drugs, equipment, and other services covered by our plan.

Cultural competence training: Training that provides additional instruction for our health care providers that helps them better understand your background, values, and beliefs to adapt services to meet your social, cultural, and language needs.

Disenrollment: The process of ending your membership in our plan. Disenrollment may be voluntary (your own choice) or involuntary (not your own choice).

Drug tiers: Groups of drugs on our Drug List. Generic, brand, or over-the-counter (OTC) drugs are examples of drug tiers. Every drug on the Drug List is in one of 3 tiers.

Durable medical equipment (DME): Certain items your doctor orders for use in your own home. Examples of these items are wheelchairs, crutches, powered mattress systems, diabetic supplies, hospital beds ordered by a provider for use in the home, IV infusion pumps, speech generating devices, oxygen equipment and supplies, nebulizers, and walkers.

Emergency: A medical condition that a prudent layperson with an average knowledge of health and medicine, would expect is so serious that if it does not get immediate medical attention it could result in death, serious dysfunction of a body organ or part, or harm to the function of a body part, or, with respect to a pregnant woman, place her or her unborn child's physical or mental health in serious jeopardy. Medical symptoms of an emergency include severe pain, difficulty breathing, or uncontrolled bleeding.

Emergency care: Covered services that are given by a provider trained to give emergency services and needed to treat a medical emergency.

Exception: Permission to get coverage for a drug that is not normally covered or to use the drug without certain rules and limitations.

Extra Help: Medicare program that helps people with limited incomes and resources reduce Medicare Part D prescription drug costs, such as premiums, deductibles and copays. Extra Help is also called the "Low-Income Subsidy," or "LIS."

Fair hearing: A chance for you to tell your problem in court and show that a decision we made is wrong.

Generic drug: A prescription drug that is approved by the federal government to use in place of a brand name drug. A generic drug has the same ingredients as a brand name drug. It is usually cheaper and works just as well as the brand name drug.

If you have questions, please call Blue Cross Community MMAI Member Services at **1-877-723-7702 (TTY: 711)**. We are available seven (7) days a week. Our call center is open Monday-Friday 8:00 a.m. – 8:00 p.m. Central time. On weekends and Federal holidays, voice messaging is available. If you leave a voice message, a Member Services representative will return your call no later than the next business day. The call is free. **For more information, visit bcbsil.com/mmai.**

Grievance: A complaint you make about us or one of our network providers or pharmacies. This includes a complaint about the quality of your care.

Health plan: An organization made up of doctors, hospitals, pharmacies, providers of long-term services, and other providers. It also has care coordinators to help you manage all your providers and services. They all work together to provide the care you need.

Health assessment: A review of an enrollee's medical history and current condition. It is used to figure out the patient's health and how it might change in the future.

Home health aide: A person who provides services that do not need the skills of a licensed nurse or therapist, such as help with personal care (like bathing, using the toilet, dressing, or carrying out the prescribed exercises). Home health aides do not have a nursing license or provide therapy.

Hospice: A program of care and support to help people who have a terminal prognosis live comfortably. A terminal prognosis means that a person has a terminal illness and is expected to have six months or less to live.

- An enrollee who has a terminal prognosis has the right to elect hospice.
- A specially trained team of professionals and caregivers provide care for the whole person, including physical, emotional, social, and spiritual needs.
- Blue Cross Community MMAI must give you a list of hospice providers in your geographic area.

Improper/inappropriate billing: A situation when a provider (such as a doctor or hospital) bills you more than the plan's cost sharing amount for services. Show your Blue Cross Community MMAI Member ID Card when you get any services or prescriptions. Call Member Services if you get any bills you do not understand.

Because Blue Cross Community MMAI pays the entire cost for your services, you do not owe any cost sharing. Providers should not bill you anything for these services.

Inpatient: A term used when you have been formally admitted to the hospital for skilled medical services. If you were not formally admitted, you might still be considered an outpatient instead of an inpatient even if you stay overnight.

List of Covered Drugs (Drug List): A list of prescription drugs covered by the plan. The plan chooses the drugs on this list with the help of doctors and pharmacists. The Drug List tells you if there are any rules you need to follow to get your drugs. The Drug List is sometimes called a "formulary."

Long-term services and supports (LTSS): Long-term services and supports include Long-Term Care and Home and Community-Based Service (HCBS) waivers. HCBS waivers can offer services that will help you stay in your home and community.

Low-income subsidy (LIS): Refer to "Extra Help."

Medicaid (or Medical Assistance): A program run by the federal government and the state that helps people with limited incomes and resources pay for long-term services and supports and medical costs.

If you have questions, please call Blue Cross Community MMAI Member Services at **1-877-723-7702 (TTY: 711)**. We are available seven (7) days a week. Our call center is open Monday-Friday 8:00 a.m. – 8:00 p.m. Central time. On weekends and Federal holidays, voice messaging is available. If you leave a voice message, a Member Services representative will return your call no later than the next business day. The call is free. **For more information**,

- It covers extra services and drugs not covered by Medicare.
- Medicaid programs vary from state to state, but most health care costs are covered if you qualify for both Medicare and Medicaid.
- Refer to Chapter 2 for information about how to contact Medicaid in your state.

Medically necessary: This describes the needed services to prevent, diagnose, or treat your medical condition or to maintain your current health status. This includes care that keeps you from going into a hospital or nursing home. It also means the services, supplies, or drugs meet accepted standards of medical practice or are otherwise necessary under current Medicare or Illinois Medicaid coverage rules.

Medicare: The federal health insurance program for people 65 years of age or older, some people under age 65 with certain disabilities, and people with end-stage renal disease (generally those with permanent kidney failure who need dialysis or a kidney transplant). People with Medicare can get their Medicare health coverage through Original Medicare or a managed care plan (see "Health plan").

Medicare Advantage Plan: A Medicare program, also known as "Medicare Part C" or "MA Plans," that offers plans through private companies. Medicare pays these companies to cover your Medicare benefits.

Medicare-covered services: Services covered by Medicare Part A and Part B. All Medicare health plans, including our plan, must cover all of the services that are covered by Medicare Part A and Part B.

Medicare-Medicaid enrollee: A person who qualifies for Medicare and Medicaid coverage. A Medicare-Medicaid enrollee is also called a "dually eligible individual."

Medicare Part A: The Medicare program that covers most medically necessary hospital, skilled nursing facility, home health, and hospice care.

Medicare Part B: The Medicare program that covers services (like lab tests, surgeries, and doctor visits) and supplies (like wheelchairs and walkers) that are medically necessary to treat a disease or condition. Medicare Part B also covers many preventive and screening services.

Medicare Part C: The Medicare program that lets private health insurance companies provide Medicare benefits through a Medicare Advantage Plan.

Medicare Part D: The Medicare prescription drug benefit program. (We call this program "Part D" for short.) Part D covers outpatient prescription drugs, vaccines, and some supplies not covered by Medicare Part A or Part B or Medicaid. Blue Cross Community MMAI includes Medicare Part D.

Medicare Part D drugs: Drugs that can be covered under Medicare Part D. Congress specifically excluded certain categories of drugs from coverage as Part D drugs. Medicaid may cover some of these drugs.

If you have questions, please call Blue Cross Community MMAI Member Services at **1-877-723-7702 (TTY: 711)**. We are available seven (7) days a week. Member Handbook and Disclosure Information: This document, along with your enrollment form and any other attachments or riders, which explain your coverage, what we must do, your rights, and what you must do as a member of our plan.

Member Services: A department within our plan responsible for answering your questions about your membership, benefits, grievances, and appeals. Refer to Chapter 2 for information about how to contact Member Services.

Network pharmacy: A pharmacy (drug store) that has agreed to fill prescriptions for our plan members. We call them "network pharmacies" because they have agreed to work with our plan. In most cases, your prescriptions are covered only if they are filled at one of our network pharmacies.

Network provider: "Provider" is the general term we use for doctors, nurses, and other people who give you services and care. The term also includes hospitals, home health agencies, clinics, and other places that give you health care services, medical equipment, and long-term services and supports.

- They are licensed or certified by Medicare and by the state to provide health care services.
- We call them "network providers" when they agree to work with the health plan and accept our payment and not charge our members an extra amount.
- While you are a member of our plan, you must use network providers to get covered services. Network providers are also called "plan providers."

Nursing home or facility: A place that provides care for people who cannot get their care at home but who do not need to be in the hospital.

Ombudsman: An office in your state that works as an advocate on your behalf. They can answer questions if you have a problem or complaint and can help you understand what to do. The ombudsman's services are free. You can find more information about the ombudsman in Chapters 2 and 9 of this handbook.

Organization determination: The plan has made an organization determination when it, or one of its providers, makes a decision about whether services are covered or how much you have to pay for covered services. Organization determinations are called "coverage decisions" in this handbook. Chapter 9 explains how to ask us for a coverage decision.

Original Medicare (traditional Medicare or fee-for-service Medicare): Original Medicare is offered by the government. Under Original Medicare, Medicare services are covered by paying doctors, hospitals, and other health care providers amounts that are set by Congress.

- You can use any doctor, hospital, or other health care provider that accepts Medicare. Original Medicare has two parts: Part A (hospital insurance) and Part B (medical insurance).
- Original Medicare is available everywhere in the United States.

- If you do not want to be in our plan, you can choose Original Medicare.

Out-of-network pharmacy: A pharmacy that has not agreed to work with our plan to coordinate or provide covered drugs to members of our plan. Most drugs you get from out of network pharmacies are not covered by our plan unless certain conditions apply.

Out-of-network provider or Out-of-network facility: A provider or facility that is not employed, owned, or operated by our plan and is not under contract to provide covered services to members of our plan. Chapter 3 explains out-of-network providers or facilities.

Refer to Blue Cross Community MMAI's Notice of Privacy Practices for more information about how Blue Cross Community MMAI protects, uses, and discloses your PHI, as well as your rights with respect to your PHI.

Primary care provider (PCP): Your primary care provider is the doctor or other provider you use first for most health problems.

- They make sure you get the care you need to stay healthy. They also may talk with other doctors and health care providers about your care and refer you to them.
- In many Medicare health plans, you must use your primary care provider before you use any other health care provider.
- Refer to Chapter 3 for information about getting care from primary care providers.

Prior authorization (PA): An approval from Blue Cross Community MMAI you must get before you can get a specific service or drug or use an out-of-network provider. Blue Cross Community MMAI may not cover the service or drug if you don't get approval.

Some network medical services are covered only if your doctor or other network provider gets PA from our plan.

- Covered services that need PA are marked in the Benefits Chart in Chapter 4, Section D.

Some drugs are covered only if you get PA from us.

- Covered drugs that need PA are marked in the *List of Covered Drugs*.

They are paid by the federal government to check and improve the care given to patients. Refer to Chapter 2 for information about how to contact the QIO for your state.

Quantity limits: A limit on the amount of a drug you can have. Limits may be on the amount of the drug that we cover per prescription.

Referral: A referral means that your primary care provider (PCP) must give you approval before you can go to someone that is not your PCP. If you don't get approval, Blue Cross Community MMAI may not cover the services. You don't need a referral to use certain specialists, such as women's health specialists. You can find more information about referrals in Chapter 3 and about services that require referrals in Chapter 4.

Rehabilitation services: Treatment you get to help you recover from an illness, accident, or major operation. Refer to Chapter 4 to learn more about rehabilitation services.

Service area: A geographic area where a health plan accepts members if it limits membership based on where people live. For plans that limit which doctors and hospitals you may use, it is also generally the area where you can get routine (non-emergency) services. Only people who live in our service area can get Blue Cross Community MMAI.

Skilled nursing facility (SNF): A nursing facility with the staff and equipment to give skilled nursing care and, in most cases, skilled rehabilitative services and other related health services.
