D. List of network pharmacies

This part of the Directory provides a list of pharmacies in Blue Cross Community MMAI network. These network pharmacies are pharmacies that have agreed to provide prescription drugs to you as a member of the plan.

We also list pharmacies that are in our network but are outside Cook, DuPage, Kane, Kankakee, Lake, and Will counties in which you live. You may also fill your prescriptions at these pharmacies. Please contact Blue Cross Community MMAI at 1-877-723-7702 (TTY/TDD 711) for additional information. We are available 24 hours a day, seven (7) days a week.

- Blue Cross Community MMAI members must use network pharmacies to get prescription drugs.
  - You must use network pharmacies except in emergency or urgent care situations.
  - If you go to an out-of-network pharmacy for prescriptions when it is not an emergency, you must pay out of pocket for the service. Read the Blue Cross Community MMAI Member Handbook for more information.
- Some network pharmacies may not be listed in this Directory.
  - Some network pharmacies may have been added or removed from our plan after this Directory was published.

For up-to-date information about Blue Cross Community MMAI network pharmacies in your area, please visit our web site at https://www.bcbsil.com/mmai or call Member Services at 1-877-723-7702 (TTY/TDD 711). We are available 24 hours a day, seven (7) days a week. The call is free.

To report any mistakes you find in this Directory, e-mail MMAI_Inquiries@bcbsil.com or call Member Services using the information at the bottom of the page.

To get a complete description of your prescription coverage, including how to fill your prescriptions, please read the Member Handbook and the Blue Cross Community MMAI List of Covered Drugs.

The List of Covered Drugs can be found on our website at https://www.bcbsil.com/mmai or by calling Member Services at the number above.
D1. How to Identify pharmacies in Blue Cross Community MMAI network
Along with retail pharmacies, your plan's network of pharmacies includes:

- Mail-order pharmacies send covered prescription drugs to members through the mail or shipping companies.
- Home infusion pharmacies prepare prescription drugs that are given through a vein, within a muscle, or in another non-oral way by a trained provider in your home.
- Long-term care (LTC) pharmacies serve residents of long-term care facilities, such as nursing homes.
- Chain pharmacies

You are not required to continue going to the same pharmacy to fill your prescriptions.

D2. Long-term supplies of prescriptions

- **Mail-Order Programs.** We offer a mail-order program that allows you to get up to a 90-day supply of your prescription drugs sent directly to your home. A 90-day supply has the same copay as a one-month supply.

- **90-Day Retail Pharmacy Programs.** Some retail pharmacies may also offer up to a 90-day supply of covered prescription drugs. **A 90-day supply has the same copay as a one-month supply.**
E. Blue Cross Community MMAI Network Pharmacies

When finding a pharmacy, the list is arranged in the following order: Mail-Order Pharmacy, Chain Pharmacies, Retail and chain pharmacies, Long-term care (LTC) pharmacies, and Home infusion pharmacies.

- County first (in alphabetical order)
- City after county within county (in alphabetical order).

You can go to any of the pharmacies in our network.

If you have questions, please call Blue Cross Community MMAI at 1-877-723-7702 (TTY/TDD 711). We are available 24 hours a day, seven (7) days a week. The call is free. For more information, visit http://www.bcbsil.com/mmai.
Mail-order pharmacy

You can get prescription drugs shipped to your home through our network mail order delivery program. The Centers for Medicare & Medicaid Services (CMS) requires AllianceRx Walgreens Prime to get your permission for prescriptions that you did not personally request. This rule affects prescriptions we get directly from your doctor.

Typically, you should expect to receive your prescription drugs within 5-8 business days from the time that the mail order pharmacy receives the order. If you do not receive your prescription drug(s) within this time, if you would like to cancel an automatic order, or if you need to ask for a refund for prescriptions you got that you did not want or need, please contact us at: (888) 277-5475, (TTY users: 711).

To learn more about mail order pharmacies, see Chapter 5 of Member Handbook.
