

How to Find BCBSIL Resources in Availity™ Payer Spaces

Have you recently been searching in the [Availity](#) Web Portal to locate a specific Blue Cross and Blue Shield of Illinois (BCBSIL) tool or enrollment option? Some of our electronic resources offered through Availity have moved to the BCBSIL-branded Payer Spaces section in Availity.

The BCBSIL Payer Spaces section contains payer-specific in-house applications, resources, and links to the BCBSIL Provider website for quick access to pertinent information. You can also view the latest Availity News and Announcements for various payer-specific articles, newsletters, and reference documents. Providers may access BCBSIL Payer Spaces by selecting the Payer Spaces drop-down option from the Availity navigation menu.

The following online tools and resources are now available via the **Resource** tab within the BCBSIL Payer Spaces section:

- Electronic Fund Transfer (EFT) online enrollment
- Electronic Remittance Advice (ERA) online enrollment
- iExchange® online benefit preauthorization tool
- National Drug Code (NDC) Units Calculator
- Electronic Refund Management (eRM) tool
- and more...

Note: The Claim Research Tool remains available in the **Claims & Payments** tab on the Availity navigation menu.
