### 1) Getting Started

Welcome to the Blue Cross Blue Shield of Illinois Provider Services Line. To direct your call, please say “medical”, “pharmacy”, “dental” or “behavioral health.”

In order to get eligibility or benefits, we’ll need your rendering NPI or HMO site number. For claims or any other inquiries we’ll need your billing NPI. Now, what is your 10-digit NPI or HMO site number?

**Situational:**
If the system does not recognize the NPI, you will be prompted for a Tax ID.

Say or enter your NPI or 3-digit HMO site number.

**Note:** Professional providers should use the rendering NPI of the individual rendering the services.

### 2) Eligibility

Which can I help you with? “Eligibility & benefits”, “claims”, “preauthorization” or “other services”?

Excluding the three character prefix, what’s the subscriber ID?

**Situational:**
If multiple policies are found for your patient, you will be asked to provide their group number.

Say or enter only the subscriber ID, excluding the 3-character prefix.

Say or enter the month, date and year with the century (i.e., 04/03/2018 or April 3rd, twenty eighteen).

**Note:** You can use your touch tone key pad to enter numeric information.

**Note:** Professional providers should use the rendering NPI of the individual rendering the services.

**Note:** At a later point you will have the option to return here (Main Menu).

**Note:** Alpha and numeric characters may be entered by touch tone keypad. The Alpha Touch Tone reference guide is available on page 6 for assistance keying alpha characters.

**Note:** You will only hear the applicable disclaimer(s) once per call.

3) Benefits

Now you can say “repeat that” or “benefit details.” You can also say “next patient” or “main menu” or, if you’re through, go ahead and hang up.

**Eligibility Quote**

Please be advised that a quote of eligibility and benefits is not a guarantee of payment. All benefit payments are subject to eligibility, medical necessity, and the terms, conditions, limitations, exclusions, and payment levels of the patient’s health benefit plan at the time the services are rendered. Benefit payments are usually not determined based on billed charges and might be significantly less than billed charges. Please note newborn dependents not listed on the membership file may have benefits available.

The system will quote the following information (if applicable):

- Type of coverage (i.e., PPO, HMO, etc.)
- Current effective date
- Pre-existing waiting period completion date
- Three-character prefix
- Group number
- Medicare information
- Health Care Account (HCA) balance
- PCP name & effective date
- Termination or cancel date

**Notes:**

Benefit quotes must be preceded by eligibility. You may be prompted for the zip code, address where the service is rendered, provider type and/or provider specialty.

**Note:** A list will be offered in groups of five with precedence based on the provider type and/or provider specialty. This comprehensive listing is available on page 5 in alphabetical order.

Please note that the fact a service has been preauthorized/pre-certified is not a guarantee of payment. Benefits will be determined once a claim is received and will be based upon, among other things, the member’s eligibility and the terms of the member’s certificate of coverage applicable on the date services were rendered. Obtaining a benefit preauthorization is not a substitute for checking the patient’s eligibility and benefits.
