Help us process your claims quickly. . . .

2 INSIST ON ITEMIZED BILLS

We want to process your claims quickly, but we can't do so without properly itemized bills.

HERE'S WHAT WE URGE YOU TO DO:

1. Show the following instructions to the persons providing your health care and ask them for bills that follow these instructions.
2. Attach ORIGINAL BILLS to this claim form. We recommend that you make copies of each bill for your personal records. **The original bills will not be returned.**

IS MEDICARE YOUR PRIMARY HEALTH INSURANCE PAYER?

If YES, please be sure to send all bills to Medicare FIRST. When Medicare sends you an Explanation of Benefits, Medicare will also send their payment information for your claim directly to Blue Cross and Blue Shield. You do NOT need to send us a copy of your Explanation of Benefits from Medicare. After Medicare sends us their payment information, Blue Cross and Blue Shield will process your claim and send an Explanation of Benefits to you.
