

The Summary of Benefits and Coverage (SBC) document will help you choose a health plan. The SBC shows you how you and the plan would share the cost for covered health care services. **NOTE: Information about the cost of this plan (called the premium) will be provided separately. This is only a summary.** For more information about your coverage, or to get a copy of the complete terms of coverage, call 1-877-238-5942 or at www.bcbsil.com/transform. For general definitions of common terms, such as allowed amount, balance billing, coinsurance, copayment, deductible, provider, or other underlined terms, see the Glossary. You can view the Glossary at www.healthcare.gov/sbc-glossary/ or call 1-855-756-4448 to request a copy.

Important Questions	Answers	Why This Matters:
What is the overall deductible?	\$1,500 Individual/\$3,000 Family Out-of-Network <u>providers</u> /services are not covered	Generally, you must pay all of the costs from <u>providers</u> up to the <u>deductible</u> amount before this <u>plan</u> begins to pay. If you have other family members on the <u>plan</u> , each family member must meet their own individual <u>deductible</u> until the total amount of <u>deductible</u> expenses paid by all family members meets the overall family <u>deductible</u> .
Are there services covered before you meet your deductible?	Yes. Certain <u>preventive care</u> , and services that charge a <u>copay</u> are covered before you meet your <u>deductible</u> .	This <u>plan</u> covers some items and services even if you haven't yet met the <u>deductible</u> amount. But a <u>copayment</u> or <u>coinsurance</u> may apply. For example, this <u>plan</u> covers certain <u>preventive services</u> without <u>cost sharing</u> and before you meet your <u>deductible</u> . See a list of covered <u>preventive services</u> at https://www.healthcare.gov/coverage/preventive-care-benefits/ .
Are there other deductibles for specific services?	Yes. \$250 <u>deductible</u> for hospital admission. There are no other specific <u>deductibles</u> .	You must pay all of the costs for these services up to the specific <u>deductible</u> amount before this <u>plan</u> begins to pay for these services.
What is the out-of-pocket limit for this plan?	\$5,500 Individual/\$11,000 Family Out-of-Network <u>providers</u> /services are not covered	The <u>out-of-pocket limit</u> is the most you could pay in a year for covered services. If you have other family members in this <u>plan</u> , they have to meet their own <u>out-of-pocket limits</u> until the overall family <u>out-of-pocket limit</u> has been met.
What is not included in the out-of-pocket limit?	<u>Premiums</u> , <u>balance-billing</u> charges, and health care this <u>plan</u> doesn't cover.	Even though you pay these expenses, they don't count toward the <u>out-of-pocket limit</u> .
Will you pay less if you use a network provider?	Yes. See www.bcbsil.com/transform or call 1-877-238-5942 for a list of <u>network providers</u> .	This <u>plan</u> uses a <u>provider network</u> . You will pay less if you use a <u>provider</u> in the <u>plan's network</u> . You will pay the most if you use an <u>out-of-network provider</u> , and you might receive a bill from a <u>provider</u> for the difference between the <u>provider's</u> charge and what your <u>plan</u> pays (<u>balance billing</u>). Be aware, your <u>network provider</u> might use an <u>out-of-network provider</u> for some services (such as lab work). Check with your <u>provider</u> before you get services.
Do you need a referral to see a specialist?	No.	You can see the <u>specialist</u> you choose without a <u>referral</u> .

 All **copayment** and **coinsurance** costs shown in this chart are after your **deductible** has been met, if a **deductible** applies.
